## Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

## Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding.

Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

## Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

A PLEDGE TO  
PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

### Faith on the Move

## Believe in Where You Live

*"The Church must constantly examine herself regarding stewardship.*

*She must always keep in mind her missionary mandate, ...*

*God's gifts are given into our hands for the good of all.*

*The goal of pastoral reorganization is always the strongest possible presence of the Church in the local community, in order that all may be attracted to Christ and to His Mystical Body, the Church."*

*Archbishop's Pastoral Letter on the Reorganization of the Northeast Deanery*

**What you think and value** determines the **vitality and viability** of our parish today—and for years to come. We will **be here** and will **be making a difference**, if you ...

#### PRAY

for God to be with you and to use your life as a way of loving all others around you

#### PARTICIPATE

by practicing your faith at home with your family, in your neighborhood, and through your involvement in parish life and activities

#### PAY BACK

by making a decision to give back to the Lord with increase for the blessings you've received from God and through your membership in the Church

Some of the conversation at our February Town Hall meeting opened up the **question of the vitality and viability of our parish**. What you think about this and your prayerful reflections are very important. We are here today because God wants us to be here. If God wants us to move, then we will move. Why? Our happiness—and that of many others—depend on it.

In 2004 our Deanery developed a set of **characteristics** that would help each parish to know—at that time and on a regular basis—if it was a **vital community** and if it had a **viable future**. For the next few weeks I am asking everyone to—

- think and pray about this, and
- use the following note sheet to let me and our Pastoral Council know what you think and what your commitment is now and will be for the future.

#### PERSONAL REFLECTION & PRAYER

Our parish is a **worshipping community**: Ask yourself—Do I find our celebrations of Mass prayerful/reverent? Does the Mass speak to my heart? Our priests/deacons preaching/presiding helps me pray? We are a warm, welcoming congregation? Our liturgies are well planned/ministers well prepared? Mass/the sacraments have helped me/others to grow?

#### WHAT I THINK

After you've taken some time to think and pray about the questions above, **carefully read** the following statements and **circle the number** that best describes your judgment of our parish as a worshipping community.

*The celebration of the Eucharist is the central focus within the life and community of our parish.*

Not So True About Us Very True About Us

1	2	3	4	5
---	---	---	---	---

*Our celebration of the Eucharist is complemented by a vibrant sacramental and prayer life that brings faith alive in each person.*

Not So True About Us Very True About Us

#### WHAT MY COMMITMENT WILL BE

When I think about my prayer life and the sacraments I am most grateful for ...

\_\_\_\_\_

What I value the most about our parish as a worshipping community is ...

To ensure the vitality of our parish as a worshipping community I will ...

### Health Advisory

Your commitment to Mass is a sign of the vitality of our parish. However, for the health of our whole community, **if you are not feeling well**, be attentive to these recommendations:

#### Don't Come To Church ...

- With a fever—be fever free for 24 hrs.
- When you're not feeling well—  
achy, tired, sore throat, no energy
- When you're coughing and sneezing a lot with a runny nose or headache

#### When You Do Come To Church ...

- Use hand sanitizer at church entrances
- With slight symptoms of or flu —
  - Don't take communion from the cup
  - Offer the sign of peace with a friendly wave or simple bow

Thank you for your cooperation in **taking responsibility for the health of our community**. Remember, it's **sad** to miss Mass when you're sick or taking care of someone who's sick, but **not sinful**.

## NOSEBLEEDS

Do you ever wonder why certain ailments occur at certain times of the year? Many of these ailments can be weather related. Take nosebleeds for instance. If you have nosebleeds during the winter months, it is most likely due to having the heat on in your home. If the mucous membranes inside our nose becomes dry and irritated, it will bleed more easily.

Nosebleeds can occur in the **anterior (front-part)** or **posterior (back-part)** of your nose. If the nosebleed is in the front part, it is usually on one side, not serious, and can be treated at home. The more serious type of nosebleed starts in the back of the nose and can involve both nostrils. This type of nosebleed occurs more frequently in older adults because of health conditions they may have. **A posterior nosebleed will need the attention of a doctor so the bleeding can be controlled.**

If you develop an anterior nosebleed, you can follow some simple steps to stop the nosebleed.

- Sit up straight and tip your head slightly forward. (Tilting your head back may cause you to swallow some blood which could irritate your stomach and cause vomiting.)
- Blow out all clots, this will require forceful blowing and may increase the bleeding as the clots come out.
- Use your thumb and forefinger to firmly pinch the soft part of your nose shut. You will have to breathe through your mouth while you are pinching your nose shut to stop the bleeding.
- Apply an icepack to your nose and cheeks. The cold will constrict the blood vessels and help stop the bleeding.
- Keep alternating pinching and ice for 10 minutes. If it is still bleeding after 10 minutes, continue with direct pressure and ice for another 10 minutes.
- Apply a thin layer of moisturizing ointment (such as Vaseline) or an antiseptic nasal cream inside your nose and do not blow your nose for about 12 hours. Rest quietly for a few hours.

To prevent nosebleeds from reoccurring, try the following.

- Use a humidifier in the winter months to keep moisture in the air.
- Avoid forceful nose-blowing.
- Do not pick your nose and avoid lifting or straining after a nosebleed.
- Use pillows at night while sleeping and a light coating of moisturizing ointment inside your nose when it is feeling dry.
- A saline nasal spray is okay to use, but ask your doctor about using a medicated nasal spray.

Talk with your doctor if you are having frequent nosebleeds. If you cannot get a nosebleed under control, call your doctor immediately.

*Let us call on God who will free us from every sin.*
