Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent. Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

"The Church must constantly examine herself regarding stewardship. She must always keep in mind her missionary mandate, ...

God's gifts are given into our hands for the good of all.

The goal of pastoral reorganization is always the strongest possible presence of the Church in the local community, in order that all may be attracted to Christ and to His Mystical Body, the Church."

Archbishop's Pastoral Letter on the Reorganization of the Northeast Deanery

What you think and value determines the **vitality and viability** of our parish today—and for years to come. We will **be here** and will **be making a difference**, if you ...

MY SUNDAY OFFERING

Tear out and return this section in next Sunday's Offertory collection.

A set of **characteristics** to help parishes know if they are **vital communities** and if they have **viable futures** was developed by our Deanery in 2004. Today we survey the third and final part of these characteristics.

PERSONAL REFLECTION & PRAYER

Our parish is a **community of stewardship and ministry**: Ask yourself—

Do our facilities support quality ministry?

For our own member? For community outreach?
Can the elderly/disabled access to key parish services?

Is our church seating capacity sufficient for worship?

Is our church's design aesthetically appealing and liturgically appropriate?

Are our parish offertory income and reserve funds sufficient for a balanced budget for the next 10 years?

Can I sustain/increase my parish contributions and involvement in parish activities in order to ...

... support an adequate professional lay staff?

... maintain and operate our parish facilities?

... support Catholic education in our community?

I am committed to parish stability and growth?

More sharing/cooperation between parishes—services, facilities, ministries—would strengthen Catholic identity and presence in our community?

WHAT I THINK

Think and pray about the questions. The **carefully read** the following statements and **circle the number** that best describes your experience our parish community.

Our parish facilities are maintained and sufficient for worship, ministry, and parish life.

Keeping the Faith...

Remember the old Nike slogan, "Just Do It"! What a catchy phrase! Easy to remember and say, much harder to follow. If you think about it, we can apply this phrase to all aspects of our lives. We can apply it to our mental health and physical health, our spirituality and our relationships. But for now let's talk about our physical health.

Do we all take care of ourselves like we should? Let's be honest! That would be a great big **NO!** Ask yourselves these questions:

- Do I follow up with the Dr. when needed?
- Do I eat foods that are healthy and wholesome?
- Do I get some form of physical activity, daily?
- Do I take advantage of parish and community services that are of no cost to me **AND** educate me about how to take care of myself?

I will be the first one to admit that I see myself as invincible. I'm sure I'm not the only person who **knows** that it will be someone else who develops high blood pressure or diabetes or cancer. Well, guess what? We are not invincible! We must start taking care of ourselves. If you don't "**Just Do It**" for yourself, do it for your spouse, or your children, or your grandchildren, anyone you love and are important to.

We have faith in God to take care of our souls, now let us have faith in ourselves to take care of our bodies. Please take advantage of your parish and community services available. Here is a poem to read when you are lacking in faith in yourself.

Paths

God, my companion,
teach me to follow the path
you set before me,

allowing it to lead me to a new frontier.

May I celebrate its rough places and its smooth places;
as I cross over hills, through streams,
and by lost fields and ponds,
I am traveling always toward You and with You.

O God, I know that the heart is the truest compass.
Grant me the wisdom to trust the path itself
more than my own interests,
and the strength to follow
wherever Your will may lead me.

Each path is an open road
if You are by my side.
Amen.
