Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding.

Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

Can You Imagine ...

All That Is—Or Might Be—Done in the Name of Jesus

MIRACLES HAPPEN EVERY DAY. Miracles are “things that make us wonder” or “wonderful things”. So often the scriptures of the Easter season testify that those who believe in Jesus do “miracles” because they believe in the resurrection. They know Jesus is with them and they do not fear doing something about death, suffering, sin, or any kind of need in the world around them. They make possible the fulfillment of today’s Gospel beatitude: **“Blessed are they who have not seen and have believed.”** Our faith is enriched in our

experience of others doing wonderful things. And many others—more than we’ll ever know—come to faith in God and in Jesus because of the wonderful things we do. In particular, for myself and for our parish I’m grateful for some wonderful people and for how they’ve helped us become a vital parish.

OUR CELEBRATION OF HOLY WEEK AND THE EASTER TRIDUUM once again clearly revealed the vitality of worship in our parish and for all who came to visit for these holy days. I invite you all to join me in thanking **Theresa McWilliams**, our Director of Music, and Deacon **George Watson**, chairperson of our parish Liturgy Committee, for their leadership in planning and coordinating our liturgies and music ministers during these days. Thanks to **Lynda Brand**, **Greg Warnusz**, and **Linda Schneider** for their work with all the liturgical ministers. And special thanks to all the volunteers to helped with decorating church and to our sacristans who so faithfully tend to the plants and flowers in church all through the year but especially during the Easter season. Every parish must celebrate the gift of faith, the sure foundation for Christian hope.

OUR PARISH HAS BEEN BLESSED WITH A VERY SUCCESSFUL annual Fall Festival and Homecoming. Every year we’ve tried to make it a wonderful occasion for bringing our parish members together and for making our community more aware of our presence in the neighborhood. Over three years many people have worked hard to make this day a success, all under the coordination of **Marilyn Gruettemeyer** with the help of her husband, **Art**. Marilyn and Art have recently moved and we are **now looking for two people to work as a team** to coordinate our parish **Fall Festival and Homecoming** this year. The event is well organized and many of the activities already have experienced chairpersons. **WHAT WE NEED** is one or two people to **direct and coordinate the planning and the work** of those involved.

*I invite everyone to think about one or several people in the parish you may know who could serve our parish well as a **Fall Festival Coordinator**. I encourage you to encourage them to volunteer. Sometimes letting others know the gifts and possibilities we see in them is **one of the highest complements we can give**. It's a wonderful thing to do! It's the surest way in which **our parish will be more blessed than we are today**. Get them thinking about it and let me know so I can encourage them as well.*

WE’VE ALSO BEEN RICHLY BLESSED in the generous and faithful service of **Bill & Jane Austin** and **Brian & Angie Loy** who have coordinated our monthly **Sunday Hospitality Program** since the foundation of our parish. They will be **retiring from this program** at the end of May and very much **want to train some new volunteer leaders next month** so we can continue this most important and much appreciated parish activity. I am deeply grateful for their time and energy in service to our parish. Let them know your thanks as well this weekend. **Think about and encourage someone to step forward for this as well—and let me know too.**

THE ANNUAL CATHOLIC APPEAL will begin in our parish next weekend. You can make your gift or pledge **before or after any Mass**. Our parish and school directly and indirectly benefit from the educational, social, and pastoral ministries funded through the Appeal. Please be a generous as possible.

A PRAYER FOR THOSE GROWING OLDER (and that is all of us)

Lord, you know that I am growing older.
Keep me from becoming too talkative and pos-
sessed with the idea that I must express myself on
every subject.

Release me from the cravings to straighten out eve-
ryone else's affairs.

Keep me from the recital of endless detail. Give
me wings to get to the point.

Seal my lips when I am inclined to talk about all of
my aches and pains. They are increasing with the
years and my love to speak of them grows sweeter
as time goes by.

Teach me the glorious lesson that occasionally I
may be wrong.

Make me thoughtful but not nose-y, helpful but not
bossy.

With my vast store of wisdom and experience it
does seem a pity not to use it all.

But you know, Lord, that I want a few friends at
the end. Amen.

This may be a repeat...but it is worth it.

*Many thanks to all who made mini corn
bread muffins for our morning with Fr.
Dominic.
Because of your generosity, the event was a
huge success.*

CHARTER CHANGES EWTN TO CHANNEL 152 DIGITAL

You will no longer be able to get EWTN on Charter channel #25 because they have moved it to a digital channel #152. If you have an analog TV you will need to install a converter box (from digital to analog). Charter will provide a converter box for \$5 per month. If you have a HD or Digital TV you may find EWTN on channel 106-9.

A number of parishioners (in this and other parishes) have suggested sending a petition to Charter to have this change reversed, but based on discussions with the EWTN Regional Manager and people who have worked for Charter we will not be able to get this change reversed because they are headed for all digital like their

competition. They have already made the same change in other states and attempts to get it reversed in those states were unsuccessful.

If you would like to send a letter to Charter expressing your concerns, (and I would strongly encourage that) send it to: Michael J. Lovett, Chief Operating Officer, Charter Communication, 12405 Powerscourt Dr., St. Louis, 63131

If you call charter to have the converter box installed try to negotiate a lower rate. Some, including myself, have been successful in getting a reduced rate for six months.

Paul Horn, EWTN Media Missionary Coordinator for the St. Louis Archdiocese

Social Justice News

Please oppose SCS SJR 29. This legislation would tax **Catholic parishes** and schools and **Catholic Charities** agencies. The elderly on fixed income would have to pay sales tax for their **prescription drugs**. The poor would pay the tax when making their rent payments and when purchasing basic necessities like food, clothing, utilities, and prescription drugs. Major tax reform should be preceded by a thorough and unbiased study, which has not occurred in regards to SCS SJR 29.

Contact your state senator now. SCS SJR 29 could be debated very soon.
