## Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

## Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent. Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

A PLEDGE TO  
PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

## NEIGHBORHOOD CHURCH COMMUNITY MOVEMENT

*A faith formation program for adults designed to develop a sense of friendship and camaraderie among neighbors*

Recently Father Jim Mitulski (St. Norbert's Parish) invited all the pastors of the Deanery to consider learning more about the **Neighborhood Church Community Movement** and to invite their parish members to consider how important this movement might be for the Catholic Church in North County. For over a year now small groups have been meeting in the homes of their parish to pray, to share their faith, and to discuss ways of serving others. The **purpose** of the groups is to **"encourage lay people to build up their gifts and to build up the Kingdom of God"**.

*"We don't want to just be Sunday Catholics,  
we want our faith to be alive every day. The group is all about reawakening  
the spirit of neighborhood and the spirit of Christ".*

*Father Jim Mitulski*

Because the groups are small they are **more aware of the unchurched** in their neighborhoods and they're **more in a position to bring people back** and also **bring in new people** to the faith. They can also **respond almost immediately** to the needs of the parish as a whole.

Beginning next week and throughout the summer St. Norbert's Parish is offering a **series of information sessions** for **interested parishioners** and **parish leaders** from throughout the Deanery. You can attend any one or several or all the sessions described below. I encourage anyone with an interest in **the value** this might have **for you personally** or **for our parish** to seriously **think and pray about attending** these sessions. If you would like to talk more about this or have any questions, please let me know. I also have a short registration form for anyone who would like to participate. Always remember—the **future of our parish** is in your hands.

## DO THIS ... IN MEMORY OF ME.

By participating in the Annual Catholic Appeal we are in **solidarity** with those who suffer need of any kind. Every year through the Appeal our **Catholic community witnesses** to one fact: **"This is how all will know that you are my disciples, if you have love for one another"** (John 13:35).

As of May 1st we have collected **\$33,508** in gifts and pledges towards a Challenge Goal of **\$53,026**. We are also trying to reach a goal of **50 new donors**—anyone who did not participate last year or in recent years. Last year our parish received **\$71,738** for **our school's** operations and student activities. Continue to pray and to support the Appeal's many programs and services.

**PREVENTING FOOT PAIN:**

Some steps to help prevent foot pain which isn't normal.

When it comes to feet, Americans seems to think pain is normal. More than half complain of heel pain. Others cry "Ouch" because of blisters, corns, pinched nerves, and ingrown toenails. There are some age-related changes in our feet that can make pain more likely. But painful feet aren't inevitable with age. Here are some simple steps to help prevent that pain:

- **BE AWARE OF GOOD HYGIENE.**

Feet are easy to ignore, especially in cooler months when they're often in closed-toe shoes. Be sure to cut toenails straight across to avoid ingrown nails. Moisturize dry skin on the foot when it's cracked to keep feet comfortable and to help ward off infections when bacteria enter through cracked skin.

- **BE ALERT TO AGE RELATED CHANGES.**

Expect your foot to change as the years go by. Although the timing varies from person to person, changes in the 40's and 50's are typical. With age, we lose some of our fat pads and cushioning. That might mean wearing sturdier shoes. Foot size can change as you get older. Generally feet get longer and wider as the tendons loosen.

- **WEAR SHOES THAT MATCH YOUR ACTIVITY**

When trying on shoes, be sure they are not too tight in the toe. Otherwise your feet will be squeezed and uncomfortable. If buying athletic shoes for walking, running, or other workouts, but the appropriate shoe for the activity. Walking shoes have different features than do running shoes.

- **GIVE YOUR ARCHES THE SUPPORT DESERVED**

How can you tell, besides eyeballing your foot and guessing whether your arch is flat, high, or normal? Take a brown paper bag, wet your foot, and put your foot down on it. If you see just the heel and the toes and a big gap, you have a high arch. If you see a wide footprint, all filled in, your foot is probably flat, and needs more support than other types of arches.

- **RECONSIDER THE STILETTOS AND FLIP-FLOPS.**

Women's shoes with heels that are 3, 4, or more inches may look glamorous but they're not smart choices. Take a moderate road and use the 2 inch heels. It will help pain, as well as your back.

Regarding flip-flops, be sure that you wear styles with built-in arch support.

- **PICK YOUR BAREFOOT MOMENTS.**

When in the warmth of your home in winter, or on a summer day, it's tempting to shuck your shoes and socks. This is fine as long as you are walking in a clean environment and don't have open sores on your feet.

**A BLESSED MOTHER'S DAY TO ALL THE WOMEN WHO HAVE SO MUCH UNDERSTANDING.**

The Office of Vocations is pleased to announce Kenrich-Glennon Days 2010, which will take place this summer in two sessions. Session 1, for 6th and 7th graders, will be held June 7th-June 9th, 2010 and Session 11, for 8th and 9th graders, will be held June 10th– June 12th. As you may know, this program is designed to give 6th through 9th grade boys and young men in high school an opportunity to have fun and discover more about a possible vocation to the priesthood and experience life at Kenrich-Glennon Seminary.

Young men who have completed at least one year of high school are eligible to participate as Junior Counselors from June 5th—June 12th. Junior Counselors (JC's) will be expected to set an example for camp participants, exhibiting an attitude of good, Catholic integrity. Space is limited and all potential JC's will be asked to fill out an application to be approved by Msgr. Rice and the Kenrich-Glennon Days committee.

Registration forms for campers, JC's applications, and medical release forms are available on the Vocation Office website at [www.stlvocations.org](http://www.stlvocations.org). ### Report of the Renovation Committee

Our parish is called to be a Eucharistic Community. In a survey (April 2008) in which 471 parishioners participated, strong support was indicated for a review of the design of the church building to enhance worship, to create a space for fellowship and to increase accessibility for those with physical challenges.

The Renovation Committee was formed and accepted the mantra as stated above—and their study began. The Committee continues to keep our congregation informed of their progress through the church bulletins.

At the Committee meeting on April 26, a proposed time line was presented and priorities for the project were developed. Archbishop Carlson has given his approval for continuing our study and planning for the renovation. The Committee will be working closely with Monsignor Vernon Gardin the Vicar General of the Archdiocese and Monsignor William McCumber from the Office of Worship.

When the Committee meets in May, questions will be developed appropriate for the interviews with three architectural applicants chosen from the Archdiocesan approved list. Should none of these candidates be selected, the Committee will select additional interviewees from the list and continue the interviewing process.

Hopefully, the Committee will have chosen the architect for our renovation sometime in June. At that time conceptual drawings, designs, floor plans and other proposals will be requested from the chosen architect.

Archbishop Carlson will be visiting our parish on June 24.

In August the Committee will schedule a meeting of the Summit of Parish Leaders. This includes the pastoral Council, the Finance Committee, the Pastoral Leadership Team, The Liturgy Committee and the Capital Improvement Committee. Your input is always welcome.

The Renovation Committee has prayed, discussed, studied, reported, compromised, evaluated and proposed as plans are developing for renovation of our church. Working as a Committee—blessed with dedicated leadership—we prayerfully continue our efforts to strengthen our Community of Worship.

### **Resident Openings at Little Sisters of the Poor**

The Little Sisters of the Poor have been given approval from the State of Missouri to add more nursing home beds to their long-term care facility. This has resulted in openings in both our nursing home and independent retirement areas. The mission of the Little Sisters of the Poor is to welcome the elderly poor into their home as they would Jesus Christ himself, and serve them with love and respect until death. A resident must be at least 60 years of age and have limited financial resources to be considered. If you or someone you know might be interested, please call 314-421-6022 and ask to speak to Marsy Canino, RN, BA, in Social Services.

### **Please Note**
