Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding.

Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

WHY DID THE SINFUL

WOMAN of today's Gospel come to Jesus with such an out-pouring of love? Could it have been that she saw her better, even best, self through her encounter with Jesus? That she could **"be more"** than the

the simple sum of her personal failures or difficult circumstances. What was it about Jesus that made him so attractive to her? What does this Gospel reveal about the kind of Church or parish we ought to be? Do sinners find us attractive? A good place to come? Good people to be with? Do we see people pouring out **"great love"** after they've experienced parish life here?

*The idea of
a world without development
indicates a lack of trust in man
(human beings) and in God.*

*It is therefore a serious mistake
to undervalue human capacity
to exercise control over
the deviations of development or
to overlook the fact that man
(human beings) is constitutionally
oriented toward 'being more'.*

From the teachings of Pope Paul VI, 1967

My favorite definition of "sinner" came from a 5th grade Sunday school class: **"Someone who knows they need God"**. Most of us claim to be sinners because of moral weakness and poor choices. Or, because of life's challenges that have left us feeling more or less helpless. Once a person knows they're a sinner, they start to

look for God—sometimes they're not even looking, sometimes they are, with as much determination as today's sinful woman.

Human development is primarily a vocation, every person's calling from God 'to be more'.

Therefore, the Church teaches that the essential quality of 'authentic' development is to promote the good of every man (person) and of the whole man (person).

From the teachings of Pope Paul VI, 1967

I've included several quotes today from **Pope Paul VI**, who served our Church during and right after the Second Vatican Council. During these years as a Church we were **"re-discovering"** ourselves—who we've always been, but maybe had forgotten. I encourage you to **use these quotes as a spiritual exercise** this week:

- Slowly read each quote out loud to another person or to yourself.
- Pause for a moment and repeat the quote a second time.
- In silence, think about what you just read or heard for 2-3 minutes. If you are with someone, you may want to share your thoughts with each other.
- End by slowly reading each quote one last time.

When I did this last summer I began to better understand that this is **the work of the Church**, maybe even **the special purpose of our parish**. I think we are **called** to help each other and all others **recognize** that we are created in God's image and to **mature** in a love that becomes concern and care for others. **What do you think?** I'd love to know what comes of your prayer, reflection, and conversation about these things!

All Annual Catholic Appeal contributions are restricted for Education, Pastoral Programs, and Charitable Services and Ministries for parishes and people throughout the community.

AS OF JUNE 2ND we have collected **\$46,489** (87.7%) in gifts and pledges towards a Challenge Goal of **\$53,026**. We are also have **26 new donors** hoping to reach a goal of **50** parish members who did not participate last year or in recent years. Last year our parish received **\$71,738** for **our school's** operations and student activities. We also indirectly benefited through many of the Archdiocesan services available for our needs. Continue to **pray for the ministries of our Church** and to **offer your financial support as best you can according to your means**. My deepest **thanks for your most evident stewardship** in support of our parish and the Church of St. Louis.

The Confiteor

This is a prayer which you may want to say with your family or by yourself.

I confess to almighty God,
and to you my brothers and sisters,
that I have sinned through my own fault,
in my thoughts and in my words,
in what I have done
and what I have failed to do.
I ask blessed Mary ever Virgin,
all the angels and saints,
and you my brothers and sisters,
to pray for me to the Lord our God.
Amen.

PAST, PRESENT AND FUTURE

THE 3 MOST IMPORTANT THINGS YOU CAN DO TO LOWER YOUR RISK OF DEVELOPING CANCER

1. KNOW YOUR FAMILY HISTORY:

Learn everything you can about the health histories of all your close relatives and share it with your doctor. Even if you have inherited a risk for a specific cancer, earlier and more frequent screenings, as well as preventive treatments in some cases, may help reduce your chances of developing cancer.

2. MAKE HEALTHY CHOICES TODAY—AND EVERY DAY:

Avoid all tobacco products. Eat more fruits and vegetables, whole grains, and less animal fat. Get at least 30 minutes of daily activity to help with weight control. Always use sun screen. Limit alcohol—no more than two drinks per day for men: one for women.

3.FOLLOW CANCER-SCREENING GUIDELINES FOR YOUR AGE, SEX, AND OTHER RISK FACTORS:

Screenings, such as colorectal cancer screenings for all adults beginning at age 50; mammograms for women beginning age 40; PAP tests beginning no later than age 21. Talk with your doctor—people with certain risk factors may need earlier screenings.

FYI—You can find free help on how to collect and organize your family health history at **<https://familyhistory.hhs.gov>**.

Like curly hair or freckles, family members can share a combination of factors, including genes, lifestyle, and environment that put them at high risk for certain diseases, including cancer, diabetes, and heart disease. Knowing your family history and sharing it with your doctor can help you understand your risk and take steps to stay healthy.

And the greatest is LOVE!

**Topic: Caregiving—Cradle of God's Grace
How to Truly Honor Your Child, Spouse, or
Aging Parent Without Losing Yourself in the
Process**

Who Should Come? Anyone involved in Caregiving of any sort, whether this Caregiving Involves direct physical care, indirect care, care, support care... whether their loved one is living her or far. This program presents the ten fundamental universal principles of Christian Caregiving.

Many of us are called into the Caregiving role with very little, if any preparation. We want to help...we truly do; yet, we may often feel conflicted. Caregiving demands much of us; some of us are called to give direct care, others distance care, still others a care of management. We're called to care for our children, our spouses, our parents, and others. Whatever type of we're called to perform, we cannot forget to care for ourselves. Jesus did command us to honor others but never asked that we dishonor ourselves in the process. Caregivers receive a special grace, a stream of grace that uplifts and sustains us, protects and propels us closer to God. Caregiving is essentially a faith journey, a pilgrimage to our very soul. Come learn some straight answers that help you serve others' needs without ignoring your own.

ST. NORBERT'S PARISH has invited us to learn more about the **Neighborhood Church Community Movement** — small groups meeting in homes to pray, to share faith, and to discuss ways of serving others — "*encouraging lay people to build up their gifts and to build up the Kingdom of God*". Small groups are **more aware of the unchurched** in their neighborhoods, **more in a position to bring people back and new people** to the faith. They can also **respond almost immediately** to the needs of the parish as a whole.

They are offering the following **free information sessions** for **interested parishioners** and **parish leaders**. You can attend any one, several, or all the sessions. I encourage everyone to think and pray about **the value** this might have **for you personally** or **for our parish**. If you would like to talk more about this or have any questions, let me know. 11th Sunday in Ordinary Time

"When I entered your house, you did not give me water for my feet." LUKE 7:44

Today's Gospel calls us to consider how we serve God. Do we consider how we serve God. Do we consume like the Pharisee who simply reclines at the table and expects to be served? Or do we contribute like the woman who kneels before Jesus and washes His feet? Every day we must make a choice., Take or give? Consume or contribute? Recline or serve?.

Attention Men of Holy Name of Jesus Are you ready for more life? Searching for a greater depth in life? Gather with other searchers and seekers on a White House Retreat, the Jesuit retreat house overlooking the Mississippi River. The retreat begins at 6:00pm on Thursday June 24 and ends at 2:00pm on Sunday, June 27. The Lord invites each person He loves to "come aside and rest a while."
