Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding.

Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

THIS WEEKEND PLEASE WELCOME TO OUR PARISH

Father John Hansen, SMP, a member of the Society of Our Mother of Peace. Each year our parish participates in the **Missionary Cooperation Appeal Plan** of the Society for the Propagation of the Faith, serving the needs of parishes in the United States and around the world. Father John will be preaching at all Masses on behalf of the **Society of Our Mother of Peace** founded in 1966, serving in the Philippines, Nigeria, and our own country. The apostolic work of the Society includes door-to-door evangelization as well as helping others deepen their awareness of God through retreats, spiritual direction, and involvement in the Society's mission. In solidarity with the missionary work of our Church throughout the world, there will be a second collection in support of Father Hansen's community.

Daily Mass this week will be at 8:00am, Monday thru Friday. The presider will be Father David Polek, CSSR.

Christ Light of the Nations Preschool is enrolling for the 3 and 4 year old programs. Full and half days are available. Before and aftercare is also available. Please contact the school office for more details @ 741-0400.

Dear Parishioners,

As we begin a new school year on Monday, we would like to thank all of you once again for your support of Christ, Light of the Nations. I am humbled as I see your generosity reflected in the "red envelopes", the many people recycling newspapers before and after weekend Masses instead of just recycling them at home, and the countless other ways that you have continued to support us throughout the summer. You are truly an important part of our school community. On Wednesday, August 25, at 11:15 am, we will celebrate our beginning of the school year prayer service. We invite all of you to join with us as we celebrate a new year and our new theme "Ignite the Light".

Please continue to pray for us, as we continue to pray for each of you!

Sincerely, in Christ, our Light,

Karen Dafflitto, CRE

The Christ Light of the Nation music room is in need of some usable musical instruments. Anyone having any guitars, trumpets, drums etc they are no longer using and would like to donate them, please call the school office at 741-0400. Any instrument would greatly be appreciated.

DEPRESSION VS SADNESS

When is blue too blue?

It's normal to feel sadness or grief when a loved one dies or you go through a divorce, an economic setback, or even the death of a pet. Even our own declining health or that of a loved one can cause sadness and grief. One way we often describe this feeling is we say we are feeling **"blue."**

But when an occasional bad day stretches into two weeks or longer, however, clinical depression may be the cause. Unlike grief, which can be healing, depression is destructive. So, what is **depression**?

Major depression is a serious medical illness that affects approximately 5-8% of the adult population in a given year. Unlike normal emotional experiences of sadness, loss or passing mood states, major depression is persistent and can significantly interfere with an individual's thoughts, behavior, mood, activity and physical health. Among all medical illnesses, major depression is the leading cause of disability in the United States and many other developed countries.

Depression occurs twice as frequently in women as in men, for reasons that are not fully understood. More than one-half of those who experience a single episode of depression will continue to have episodes that occur as frequently as once or even twice a year. The frequency of depressive illness as well as the severity of symptoms tends to increase over time. Depression can interfere with day-to-day living and can include lack of energy, problems in thinking and an overall feeling of despair and hopelessness. When symptoms of depression are severe and ongoing, see your doctor and talk with them regarding treatment.

Blessed is she who believed that the Lord's word to her would be fulfilled: come, let us praise God, alleluia!

21st Sunday in Ordinary Time

"For behold, some are last who will be first and some are first who will be last." LUKE 13:30

Our standards in our society are so different from God's standards. We often rate or rank people by what they have, how powerful they are, or how successful they are. Jesus reminds us that God will not judge us by the same earthly standards.
