Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding.

Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

Keys to a Faith-Filled Future

LAST SPRING ARCHBISHOP CARLSON began speaking with the priests of the Archdiocese about **how best to utilize their services** in the mission and work of the Church in St. Louis. He is looking for new and creative options. He also wants to **form and educate the laity** for their roles of service in the Church and to encourage **more collaborative ministry**.

During the summer he set up a **special committee of priests** to study our present and future needs as well as to make recommendations on the use of our priests. This month a **special Archdiocesan assembly of laity**—two representatives from every parish—will meet with the Archbishop to talk about a **vision for evangelization and planning for a faith-filled future**. Greg Warnusz and Mary Ann Harris will be attending from and reporting back to our parish.

I encourage you to take some time to **pray and talk about how our Church has changed** during the past 50 years. The numbers below are just meant to get you started. Also, consider what a gift it's been that we've seen such an **expansion of the roles of laity** in the Church over these years.

***"Pray to God in the storm,
but keep on rowing!"***

Danish Proverb

One **assumption** the Archbishop's already made is this: *Authentic, credentialed lay ministry in leadership positions in parishes is not an option, but a truth about our times.* He also assumes that *priests and deacons are at the service of vibrant, catholic faith communities.*

***"Spin carefully,
spin prayerfully,
leaving the tread with God."***

Mahatma Gandhi

During our September **Convocation** he noted that when it comes to planning for the future neither the vitality of a parish (simply an ability to pay its bills) nor the size of a parish (number of people) matter as much as **the vibrancy of a parish** which he then went on to say would be marked by the following **characteristics**:

- A strong sacramental life—including preparation for the sacraments and planning for their celebration
- Serious attention given to prayer and spirituality
- Good catechesis and adult formation
- Programs of charity and justice—awareness and attention the needs of the community where the parish exists
- Evidence of evangelization
- Strong governance, including regular consultation
- Responsible stewardship, including vocation recruitment

Our brief 5 year history as a parish has been **clearly vibrant**. As we continue these conversations with our Archbishop let's renew our commitment to the future and to the mission of the Church here.

Health Advisory

It is That Time of Year Again

Your commitment to Mass is a sign of the vitality of our parish. However, for the health of our whole community, if you are not feeling well, be attentive to these recommendations:

Don't Come to Church:

- With a fever-be fever free for 24hrs
- When you're not feeling well-achy, tired, sore throat, no energy
- When you're coughing and sneezing a lot with a runny nose or headache

When You Do Come To Church:

- Use hand sanitizer at church entrances
- With slight symptoms of or flu-
 - *Don't take communion from the cup
 - *Offer the sign of peace with a friendly wave or simple bow

Thank you for your cooperation in taking responsibility for the health of our community.

Remember, it's sad to miss Mass when you're sick or taking care of someone who's sick, but **not sinful**.

Praying Mobile

Often times we pray for ourselves, for things we want or things we want to happen to us.

You will need:

hanger	yarn	pencil/crayons
scissors	paper	magazines/newspapers

1. On separate pieces of paper, draw a picture of each person in your family.
2. Look through magazines/newspapers for pictures that will remind you of what you want to pray for. Example: A picture of a baby to remind you to pray for an end to abortion.
3. Cut out each person leaving room at the top for a hole.
4. Poke a hole at the top of each paper.
5. Cut different sized pieces of yarn and tie one end to the hanger and one through the hole in the paper.
6. Hang it in your room to remind you to pray for these people/things.

HEALTHY SNIP-ITS!

Timely Wellness News & Ideas

Walking lowers stroke risk

Nearly all types of physical activity can benefit your health, but walking in particular may lower the risk of stroke for women. A 12-year Women's Health Study found that women who regularly walked at a brisk pace were 37% less likely to have any type of stroke and had a 68% lower risk of hemorrhagic stroke. *Source: Stroke, Vol 41, pg. 1243*

A heart doctor's guide to fats

Polyunsaturated and monounsaturated fats are rich in antioxidants that can help lower your risk for heart disease. Easy ways to include these "heart-healthy fats" in meals include:

- Top salads with avocados, olives and walnuts.
- Use olive, canola, or flaxseed oils in salad dressings and cooking.
- Eat salmon or other fatty fish high in omega-3 oils twice a week.
- Snack on sunflower seeds and nuts like almonds.

Aim to keep total fat calories to no more than 30% of all calories you eat, and limit saturated fats like those found in red meat, butter, and whole fat dairy products. *Sources: The Michigan Health System; American Heart Association*

Sleep and weight control

In addition to helping you stay alert, getting the right amount of sleep may help fight fat around your mid-section. In one study, adults under 40 who averaged five hours or less of sleep a night had higher amounts of deep abdominal fat, the type that can increase your risk for high blood pressure, heart disease, and diabetes. Adults who averaged more than eight hours of sleep also had increased internal fat, although not as much as those who averaged less than five hours. Lack of sleep may also spur you to eat more to maintain energy. Sleep experts believe that at least seven to eight hours of sleep is the optimum amount for adults. *Sources: The Journal SLEEP, Vol. 33(3), pg. 289; <http://helpguide.org/life/sleeping.htm>*

Parish Nurse side note: Last week on Oct. 6th, we held our annual health fair and flu shots. I would like to thank all who attended and hope that you left the fair with at least one thing that was beneficial. While I had hoped for a better turn out, we had a fair number of parishioners who took advantage of this service. When we put the health fair together, Sister Rose and myself and the Health and Wellness Committee keep you, our fellow parishioners, in mind when we decide which vendors to have attend. I would like to share a comment regarding the health fair from a parishioner who attended.

"I went to the health fair last Wednesday to get a flu shot. I found it a very pleasant and informative experience! There were no lines at any of the stations and the experts there took all the time people needed to get the information they needed. Thank you!" D. Levy

Dear Brothers and Sisters in Christ,

We will celebrate World Mission Sunday on October 24th. This is the one Sunday of the year when Catholics worldwide pray and sacrifice for Missionaries in over 1,150 mission territories who depend on this support in order to share the message of the Gospel.

In his message for World Mission Sunday, Pope Benedict observes: *“Like the Greek pilgrims of two thousand years ago, the people of our time too, ask believers not only to ‘speak’ of Jesus, but to ‘make Jesus seen’”*.

Missionaries worldwide make Jesus seen in striking ways. Here are some examples:

- * The Little Sisters of Jesus delivered food to local families in Haiti after the earthquake.
- * Sister Julie of the Sisters of St. Joseph in Karachi, Pakistan helps educate the little children on the roads of Pakistan so that they can earn their living instead of begging.
- * A native Priest of Bluefields, Nicaragua said: “I was inspired by the missionaries I met when I was growing up. Now I am a missionary in my own country.”

Please be generous to the special collection for World Mission Sunday on October 24th. May our prayers and support enable Missionaries *“not only to speak of Jesus, but to make Jesus seen.”* May God reward you for having a missionary heart!

Sincerely yours in Christ,

Most Reverend Robert J. Carlson,
Archbishop of St. Louis

**ARCHBISHOP CARLSON
HOLDS LISTENING SESSION
ON CATHOLIC EDUCATION**

On Tuesday, October 5, there was a listening session held at Trinity High School with Archbishop Carlson in attendance. Every parish in the Northeast Deanery was represented.

Parishioners chose one of three topics to discuss :finance, enrollment or Catholic Identity. The questions that were discussed were:

1. How can we strengthen our school's Catholic Identity?
2. How can we increase the number of students in our schools?
3. How can we make our school financially sound and, at the same time, help those who otherwise could not afford a Catholic school education?

After table discussion around these questions each group was asked to share two ideas that came from the discussion with the whole group and the Archbishop.. After hearing the ideas of each group an open mike session was held with the parishioners asking questions of the Archbishop.

Archbishop Carlson's vision for Catholic schools is that they truly be "Alive In Christ". He believes for this to happen three important things must be present. (1) Schools must have a vibrant Catholic Identity; (2) Schools enrollment must be growing; and (3) Schools must be financially sound, and at the same time, provide assistance to those who cannot afford a Catholic School education. Through this meeting the Archbishop was inviting lay parish representatives to share their best advice on how best to achieve his three priorities for Catholic schools. He will be taking what was suggested at these meeting back to a education commission he established to keep our schools "Alive in Christ

If you have any Campbell labels or box tops please bring them to church and place in the box in the vestibule of church. We will be sending them in very soon.

29th Sunday in Ordinary Time

"...be persistent whether it is convenient or inconvenient..." 2 TIMOTHY 4:2

It is not always convenient to be a good steward, especially when all the temptations of our busy and materialistic world get in the way. Yet, we must be persistent even when it is inconvenient. This persistence marks the true follower of Christ.

WANTED: PHOTOGRAPHS OF FAMILY AND FRIENDS WHO HAVE DIED

The month of November has traditionally been a time when the Church celebrated the Communion of Saints, prays for those who have died, and prepares to welcome the one St. Francis called "Sister Death". In keeping with this tradition, we will be creating a devotional area, which will honor loved ones who have died. We are asking families who have lost a loved one to share with us a photograph (in a frame if possible) of that person. In order to design the devotional space, we ask that all photographs be turned into the Parish Office or brought to the sacristy in the church by October 29.
