Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

A PLEDGE TO
PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

Two Heads—and Hearts—Are Better Than One

Democracy Needs Virtue—Democracy Needs You

YEARS AGO WHEN I WAS TEACHING FIFTH GRADERS about salvation history I learned something about **the gift of conscience** that I never knew before. Salvation history traces the history of **God's faithful and generous love for all people**, through all times. A love that the People of God—the Church—are called to proclaim “to the ends of the Earth” and “until the end of time”. This kind of love is possible and promising because it's rooted in **the covenant** between God and the People—**deep, mutual love for each other**. Even before fifth grade children know how to love like this. So our text book proposed that we use these **words** to **look for salvation history** today and to **learn how to make it happen** more often.

THINK

Why am I here?

What needs to be done?

REMEMBER

What has experience taught me?

What better choices do I have?

CHOOSE

What different decision can I make?

How long do I have to decide?

ACT

What am I going to do? When?

Who can help me?

After a few weeks of applying these questions in their everyday lives, one of my students asked, “**Father, what's your conscience?**” Now I had never used the word in class. It was not in their textbooks or even the teacher's guide. But as soon as I heard the word, I knew that this was what we'd been talking about all these weeks.

In that class we talked a lot about this student's insight and what it meant for us and for the future. I felt some sadness that as a child I'd mostly been taught about “**conscience**” as something inside us all that “**keeps us out of trouble**”. This student help me to remember—even finally learn—that “**conscience**” is “**a positive, God-given creative power for creating and re-creating our own lives and our world**”.

The following year, with a new class of children, another student said, “**Father, we have to add another word to the list!**” Turning the class over to her, she explained that “**after doing all these things we have to**”

WAIT

What happened?

What can or should I do different?

I often wonder what our world would look like today if I could have kept those two very insightful classes of fifth graders together for the past 30 years!?

Conscience is a part of every election cycle—not simply as an exercise of **individual judgment**, but as a practice of **decision-making within and by a community**.

*“Democracy needs virtue ...
Democracy stands or falls with
the truths and values
which it embodies and promotes.
Democracy serves what is true
and right when it safeguards
the dignity of every human person,
when it respects inviolable and
inalienable human rights,
when it makes the common good
the end and criteria regulating
all public and social life.”*

*Pope John Paul II
1995 Visit to the United States*

Our **constitution** extends to churches and other religious organizations no less than to secular institutions and private citizens **the right to participate in the political process** as a **fundamental liberty**. For more information about our civil rights and responsibilities review the election guide of the Missouri Catholic Conference at their web site—

It is That Time of Year Again

Your commitment to Mass is a sign of the vitality of our parish. However, for the health of our whole community, if you are not feeling well, be attentive to these recommendations:

Don't Come to Church:

- With a fever-be fever free for 24hrs
- When you're not feeling well-achy, tired, sore throat, no energy
- When you're coughing and sneezing a lot with a runny nose or headache

When You Do Come To Church:

- Use hand sanitizer at church entrances
- With slight symptoms of or flu-
 - *Don't take communion from the cup
 - *Offer the sign of peace with a friendly wave or simple bow

Thank you for your cooperation in taking responsibility for the health of our community. Remember, it's sad to miss Mass when you're sick or taking care of someone who's sick, but **not sinful.**

Teachers Instructions

All Saints Day

Many people celebrate Halloween on October 31. However, the church celebrates All Saints Day on November 1st.

To prepare, as we do for Halloween, try to find the answers to these questions:

Am I named after a saint?
What is a saint?
Can I name any saints?

If you do not know any of these answers, ask your parents.

If your family has a Saint Joseph Edition of the Holy Bible, look in the front and you can read about Saint Joseph.

A LITTLE SALT

WON'T HURT

The average American consumes about 1-3 teaspoons of salt a day. Your body needs sodium for many functions; however, healthy adults should limit their sodium to about 1/4 teaspoon of salt per day. Reducing the amount of sodium you consume may help to reduce or avoid high blood pressure. That's important because those with high blood pressure are more likely to develop heart disease and have a stroke.

Most foods in their natural state contain sodium. But most sodium in our diet is added to food while it is being commercially processed or prepared at home.

When buying prepared and packaged foods, read the labels. Watch for the words "soda" and "sodium" and the symbol "Na" on labels.

Controlling your sodium intake doesn't need to spoil the pleasure of a restaurant meal, but order selectively. Consider these tips for meals:

- Don't use the salt shaker. Use the pepper shaker.
- Be familiar with lower sodium foods.
- Try adding fresh lemon to fish and vegetables.

Foods in their "natural" setting are very tasty. So, give your heart, your pressure and most of all your general health a treat by going easy on the salt shaker.

Hope you are enjoying the beautiful leaves of Autumn and hope to see you at the walk on Oct. 30th.

WANTED: PHOTOGRAPHS OF FAMILY AND FRIENDS WHO HAVE DIED

The month of November has traditionally been a time when the Church celebrated the Communion of Saints, prays for those who have died, and prepares to welcome the one St. Francis called "Sister Death". In keeping with this tradition, we will be creating a devotional area, which will honor loved ones who have died. We are asking families who have lost a loved one to share with us a photograph (in a frame if possible) of that person. In order to design the devotional space, we ask that all photographs be turned into the Parish Office or brought to the sacristy in the church by October 29.
