Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

**A PLEDGE TO
PARISH LIFE**

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

Celebrating Our Call to Conversion and Discipleship

A Reputation for Mission

OUR SCRIPTURES FOR MASS DURING ORDINARY TIME

Explore the mission and ministry of Jesus. A few days ago at Mass I asked everyone this question, “*What was the greatest challenge Jesus had to face during his years of ministry?*” I gave everyone a little time to think about it, but still no one got the right answer. “**Success!**” Not that he didn’t enjoy

or find encouragement in success.

He did! But Jesus was also tempted by success, mostly from people who didn’t want him to keep moving on to other towns, to other peoples’ needs, even on to Jerusalem.

Certainly Jesus and his disciples needed rest. The practice of “**sabbath**” is essential to practicing our faith. But “**settling down**” is not! Success always tempts us to settle down.

Take some time this week to think about this—to pray about it—yourself. **To be baptized is to be on mission.** Being on mission is also one of the best ways other people have for recognizing that you are a Christian and a Catholic. Our **works of service** within and outside of the community of the Church are a **witness to faith.**

This week **talk about and pray—**

- that more children will volunteer to be **Altar Servers** for our parish liturgies and will have the support and encouragement of family and friends
- that the presence of our **Youth Group** in Washington DC for the Pro-Life March will strengthen our nation to value the gift of life more than anything else
- that our remembering the life of **Dr. Martin Luther King Jr.** will renew our conviction to protect the civil rights of every person in our nation.

I WILL BE AWAY THIS

WEEK continuing my participation in the **Good Leaders Good Shepherds** program for pastors in our Archdiocese—a two-year formation program designed to help Catholic priests meet the challenges of a diminishing

number of clergy and the more complex circumstances of priestly ministry today. There are 29 priests participating in this second group now going through the program. The **goals** of this program are to help priests learn to minimize the frustration and energy spent on their administrative roles and to maximize the joy and time spent on the pastoral duties for which they were uniquely ordained. This week Redemptorist **Father David Polek** will celebrate Mass at **8:00am** (Tuesday-Friday). Since Monday is a civil holiday, Mass will be at **9:00am**. Please pray for the personal and professional growth of all the priests participating in this program, and for their many years of future service in our Church.

*Lord, you bless us
with witnesses to faith,
men and women in all times
from whom we draw inspiration,
guidance, and courage.*

*We give you thanks
for their imagination,
for through their dreams
we are more hopeful.*

*We praise you for
their openness to your Word,
for through their obedience
we are less fearful of our own
callings and conversions.*

*We rejoice in their willingness
to leave behind the securities and
satisfactions of our world,
for through their unselfish love
we are more convinced
that God can be trusted
with our lives too.*

Amen.

It is That Time of Year Again**

Your commitment to Mass is a sign of the vitality of our parish. However, for the health of our whole community, if you are not feeling well, be attentive to these recommendations:

AMAZING

BANANA

Have you ever felt like “going bananas”? Did you know it came about because of its effect on the brain?

Here are some great facts:

- A banana contains sucrose, fructose and glucose combined with fiber. It is an instant source of energy.
- Because it contains tryptophan which converts to serotonin, a banana can help you relax, improve your mood and generally make you feel happier.
- Bananas are high in iron which helps to prevent anemia.
- Want to reduce the risk of high blood pressure and stroke? Eat a banana which is high in potassium.
- Because it is high in fiber, a banana can help with elimination problems.
- Research has shown that students who eat a banana at breakfast, break, and lunch were more alert.
- Drink too much....A banana can calm the stomach and help to re-hydrate the body.
- Bananas have a natural antacid effect in body, so, it will help relieve heartburn.
- Have a mosquito bite? Try rubbing the affected area with the inside of a banana skin.
- The banana is used as the dietary food against against intestinal disorders because of its soft texture and smoothness.

So, a banana really is a natural remedy for many ills. Maybe the saying should read, “A banana a day keeps the doctor away!”

By the way, Here is another fun idea...

Want a quick shine on your shoes? Take the inside of the banana skin, and rub directly on the shoe...polish with dry cloth.

Bet you will never look at a banana the same way again.

Have a Blessed Week,
S. Rose, SSND, Rn.

MENTAL HEALTH SEMINAR

Holy Name of Jesus and NAMI or National Alliance on Mental Illness will be happy to speak on the subject of mental health. Please join us on **Saturday, February 5th, 2011 at 10am in the HNJ Community Center.** The title of the seminar is "Mental Health-An Issue Often Avoided". The seminar will focus on mental illness definitions, myths about mental illness, the different diagnoses of mental illness, affects on a person with mental illness and their family and programs and support available to those affected by mental illness.

This seminar is not just for those diagnosed with mental illness, but for anyone who is touched by it in some way. Maybe one of your parents, or your son or daughter, or a grandchild or close friend, or even a neighbor has been diagnosed with mental illness. Being knowledgeable of a condition provides us with understanding and compassion. Knowing facts and myths gives us a drive to educate others. And with regards to mental health, the more people that are educated, the more open they can be in the future.

Watch for flyers posted at entrances to church. Invite family, neighbors and friends. The seminar will be 30-60 minutes with an opportunity for questions, and a continental breakfast will be provided.

2010 ANNUAL CONTRIBUTION STATEMENTS

As we announced in December a technician of the company we use for computer services erased the hard-drive of our secretary's computer. The record of Sunday contribution from parishioners was part of the information lost by this mistake. We also discovered that our back-up system was not recording information and we were not successful in recovering this data. Every possible effort was made to rebuild our records.

Our defective hardware has been replaced and proper back-up procedures reestablished. We have also been advised to provide you with the following **information concerning the proper documentation you may need for filing your annual income tax return.**

To claim donations to our parish as charitable deductions –

Upon request we will be able to provide you with a record of your contributions for the period of October 31st, 2010 through December 31, 2010. We will resume providing full contribution statements again in 2011.

Prior to October 31st your cancelled checks for Sunday contributions, Holy Days, or special collections will serve as your record. Regrettably prior to this date we will not be able to substantiate your cash contributions made using your parish envelopes.

Finally, we will substantiate with an acknowledgement letter every single contribution of \$250 or more when you provide us with a copy of your cancelled check(s).
