Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it

is. It will be friendly, if I am.

Its pews will be filled, if I help fill them.

It will do great work, if I work.

It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community,

if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith,

and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task

of being all the things that I want my parish to be.

Help for Tornado Victims

The tornados that touched down in St. Louis on New Year's Eve destroyed the rectory and parish offices at St. Paul Parish in Fenton, caused damage to the church roof and school windows, destroyed 13 homes in St. Justin Parish and caused serious damage in other parts of our Archdiocese. We thank God that no one was seriously injured or killed. The Archdiocese of St. Louis believes that insurance will cover most of the expenses at St. Paul Parish. However, some families may not be as fortunate. Immediate needs for food, clothing and housing are a burden for many. If you would like to help you may send your contributions to: Catholic Charities, 4532 Lindell Boulevard, St. Louis, Mo 63108 or The Archdiocese of St. Louis, ATTN: Finance Office, 20 Archbishop May Drive, St. Louis, MO. 63119. Be sure to indicate that your gift is to assist tornado victims.

Teachers Instructions

Go Fish!

You will need a deck of cards and at least one other player.

1. Give each player 5 cards face down. Put the rest of the cards face down on the table and smear them around.
2. Players look at their cards as they hold them.
3. Player #1 asks Player #2 if s/he has any ___ (name of a card that Player #1 already has).
4. If Player #2 has any cards that were asked for, s/he must give them to Player #1. It remains Player #1's turn to ask again for a different card.
5. If Player #2 does not have the card asked for then Player #1 must "Go Fish" from the pile in the middle and it becomes Player #2's turn to ask.
6. The object of the game is to get a set of all four of the same card. Example: Collect all four kings or 8's. The player with the most sets wins the game.
7. When a player collects all four of the same card, s/he may place that set down on the table. Then go to the pile and take as many cards as needed to keep 5 cards at all times. If a player has more than 5 cards s/he does not take any cards out of the middle.
8. Keep up the game until all cards are out of the middle and placed on the table in sets.

HOW DO WE HEAL?

How many of you were able to read the editorial in the “St. Louis Review” last week about dealing with issues of violence and mental illness as Christians. If you hadn’t read it, and the paper is on it’s way to be recycled, here is a recap.

When tragedy hits a family or a community or even a nation, many of us pause and consider if we are living properly. Are we living according to Gods will, or are we merely going through the motions and living the way our secular society expects us to.

After the first 2-3 days of reporting cleared after the recent Tucson, AR. shootings, the facts began to surface about the alleged gunman’s mental instability. The heated debates that will come about from this incident may go on for many years. But , will these debates result in charity toward humans, especially those suffering from some incomprehensible force that causes them to inflict such violence.

Many people who are inflicted with mental illness are not violent and pose very little threat to themselves or others. For most people with mental illness, the issues are more subtle, such as hidden in embarrassment or even ignored by ignorance. Those with mental illness are not deranged lunatics who should be separated from the rest of society. They are human beings with genuine need for help, both medical and spiritual. They are God’s children. They are our brothers or sisters, or mothers or fathers, or spouses or friends.

To help all those affected by this recent tragedy, and all those tragedies that will follow, we must recognize the need to take mental illness seriously. We can no longer dismiss warning signs and unusual behavior. There is no simple solution to addressing all the complex issues of mental illness. But, acting on our good Christian values is a great place to start. A deacon, who is also a therapist and author, responded when asked about those with mental illness, Catholics should “do what we always do——look to Jesus... ..He healed the mind and the body.”

Please join fellow parishioners on February 5th for a “Mental Health Seminar.” **LET’S GET EDUCATED TOGETHER!** This is the first step in helping our fellow man with mental illness and doing what Jesus would do. Please see further information regarding the seminar in the bulletin and there are flyers at all entrances of church.

MENTAL HEALTH SEMINAR

Holy Name of Jesus and NAMI or National Alliance on Mental Illness will be happy to speak on the subject of mental health. Please join us on **Saturday, February 5th, 2011 at 10am in the HNJ Community Center.** The title of the seminar is "Mental Health-An Issue Often Avoided". The seminar will focus on mental illness definitions, myths about mental illness, the different diagnoses of mental illness, affects on a person with mental illness and their family and programs and support available to those affected by mental illness.

This seminar is not just for those diagnosed with mental illness, but for anyone who is touched by it in some way. Maybe one of your parents, or your son or daughter, or a grandchild or close friend, or even a neighbor has been diagnosed with mental illness. Being knowledgeable of a condition provides us with understanding and compassion. Knowing facts and myths gives us a drive to educate others. And with regards to mental health, the more people that are educated, the more open they can be in the future.

Watch for flyers posted at entrances to church. Invite family, neighbors and friends. The seminar will be 30-60 minutes with an opportunity for questions, and a continental breakfast will be provided.

3rd Sunday in Ordinary Time

“Come after me...” Matthew 4:19

In our crazy, success-driven, materialist world we all get caught up in chasing after many dreams, wants and ambitions. Yet, with three simple words, Jesus tells us clearly that the only one we should be following after is Him. “Come after me,” is not just an invitation that Jesus extended to the first apostles. It is an invitation that He extends to each of us every day of our lives.

2010 ANNUAL CONTRIBUTION STATEMENTS

As we announced in December a technician of the company we use for computer services erased the hard-drive of our secretary's computer. The record of Sunday contribution from parishioners was part of the information lost by this mistake. We also discovered that our back-up system was not recording information and we were not successful in recovering this data. Every possible effort was made to rebuild our records.

Our defective hardware has been replaced and proper back-up procedures reestablished. We have also been advised to provide you with the following **information concerning the proper documentation you may need for filing your annual income tax return.**

To claim donations to our parish as charitable deductions –

Upon request we will be able to provide you with a record of your contributions for the period of October 31st, 2010 through December 31, 2010. We will resume providing full contribution statements again in 2011.

Prior to October 31st your cancelled checks for Sunday contributions, Holy Days, or special collections will serve as your record. Regrettably prior to this date we will not be able to substantiate your cash contributions made using your parish envelopes.

Finally, we will substantiate with an acknowledgement letter every single contribution of \$250 or more when you provide us with a copy of your cancelled check(s).

Finally, we will substantiate with an acknowledgement letter every **single** contribution of \$250 or more (which must be on one check) when you provide us with a copy of your cancelled check(s).
