## Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

## Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

## Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

## A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

## A Calling to a More Honorable Way of Living The Trouble With Being Christian ...

**EVERYTHING DEPENDS ON GOD!** It seems almost by definition that our hopes are out of reach - unattainable to one degree or another. Yet, today's readings remind us that "counting our blessings" means "identifying ourselves as God's primary blessing in the world today." Instead of thinking only of our blessing in terms of winning, owning, or having, Jesus calls us to **reverse our normal expectations** of what will make us happy (blessed). It's not what we have, but who we are, how we live, and how we relate to others that leads to ultimate satisfaction.

One of the great paradoxes - and challenges - of our faith is that we believe in a **God** who is both **predictable** and who **loves reversals** - who seems to enjoy turning the world up-side-down.

The remnant of an underdog nation is to be the light of the world. The poor and humble inherit the Earth and eternal life. The crucified one is raised, sanctifying our unselfish love with power we sometimes find hard to imagine or explore.

Hopefully long before we die we will all come to experience this **liberating sureness** that everything depends on God and that God can be trusted. God has the power to do anything, even in unexpected ways!

*God our Father, open our eyes  
to see **your hand at work**  
in the **beauty of human life**.  
Touched by your hand  
**our world is holy**.*

*Help us to **cherish the gifts**  
that surround us,  
to **share your blessings**  
with our brothers and sisters,  
and to **experience the joy of life**  
in your presence.*

*Opening Prayer, 17th Sunday in Ordinary Time*

*A Spiritual Exercise*

### Remnant Ways of Thinking

**CONSIDER FOR A MOMENT** a time when you've been on the receiving end of someone's unconditional love.

A time and story of someone sacrificing or going the extra mile for you. Were you surprised or

taken off guard by what happened? Did it seem unreasonable or foolish for someone to act this way toward you? Were you speechless to explain "Why"? Describe the effect this person/situation had on you.

*"God chose the foolish  
of the world to shame the wise,  
and God chose the weak of the  
world to shame the strong, and  
God chose the lowly and  
despised of the world, those who  
count for nothing, to reduce  
to nothing those who are  
something, so that no human  
being might boast before God."*

*St. Paul's 1st Letter to the Corinthians 1: 27-29*

I recently discovered something about **the beatitudes** I never knew. Matthew has 8 beatitudes, Luke has 3, and if you scanned the whole of the Bible you'd find over 80 beatitudes. Clearly there's **no fixed number!** Which might also mean **each of us could or should be writing our own set of beatitudes.** Try this formula to complete this exercise.

**"Blessed are the \_\_\_(A)\_\_\_ ,  
for they will \_\_\_(B)\_\_\_."**

**(A)** Describe here the kind of person you **were** in the love story or stories you remembered above.

**(B)** Describe here the kind of person you **are now** because of another's love.

Would you attribute this **reversal** to God? If so, you've written a promising beatitude for everyone.

**Health Advisory  
It is That Time of Year Again**

Your commitment to Mass is a sign of the vitality of our parish. However, for the health of our whole community, if you are not feeling well, be attentive to these recommendations:

**Don't Come to Church:**

Where would the funds come from? Who would pay for this stay? These are the questions that can be answered at this presentation. Please plan to attend. The parishioners who attended in December commented that the presentation was **“{very informative and helpful.”**

This presentation was scheduled for January 24th and had been cancelled. We are going to reschedule the talk. If you would still like to register, please do so by calling Buffy Modde, the parish nurse @868-2310, ext 11. **You must call and register if you would like dinner.** Walk-ins are welcome.

### MENTAL HEALTH SEMINAR

Holy Name of Jesus and NAMI or National Alliance on Mental Illness will be happy to speak on the subject of mental health. Please join us on **Saturday, February 5th, 2011 at 10am in the HNJ Community Center.** The title of the seminar is "Mental Health-An Issue Often Avoided". The seminar will focus on mental illness definitions, myths about mental illness, the different diagnoses of mental illness, affects on a person with mental illness and their family and programs and support available to those affected by mental illness.

This seminar is not just for those diagnosed with mental illness, but for anyone who is touched by it in some way. Maybe one of your parents, or your son or daughter, or a grandchild or close friend, or even a neighbor has been diagnosed with mental illness. Being knowledgeable of a condition provides us with understanding and compassion. Knowing facts and myths gives us a drive to educate others. And with regards to mental health, the more people that are educated, the more open they can be in the future.

Watch for flyers posted at entrances to church. Invite family, neighbors and friends. The seminar will be 30-60 minutes with an opportunity for questions, and a continental breakfast will be provided.

### 4th Sunday in Ordinary Time

*"Consider your own calling, brothers and sisters."  
 1 Corinthians 1:26*

In his letter to the Corinthians, St. Paul reminds us that all of us are called to participate in the work of the Church. There can be no excuses. We cannot say that we are not wise enough, powerful enough or smart enough. We cannot say that we do not have the time, the talents or the skills. God can use each of us. All we have to do is offer our humble lives to Him and then be willing to follow where He leads.

### 2010 ANNUAL CONTRIBUTION STATEMENTS

As we announced in December a technician of the company we use for computer services erased the hard-drive of our secretary's computer. The record of Sunday contribution from parishioners was part of the information lost by this mistake. We also discovered that our back-up system was not recording information and we were not successful in recovering this data. Every possible effort was made to rebuild our records. Our defective hardware has been replaced and proper back-up procedures reestablished. We have also been advised to provide you with the following **information concerning the proper documentation you may need for filing your annual income tax return.**

To claim donations to our parish as charitable deductions –

Upon request we will be able to provide you with a record of your contributions for the period of October 31<sup>st</sup>, 2010 through December 31, 2010. We will resume providing full contribution statements again in 2011.

Prior to October 31<sup>st</sup> your cancelled checks for Sunday contributions, Holy Days, or special collections will serve as your record. Regrettably prior to this date we will not be able to substantiate your cash contributions made using your parish envelopes.

Finally, we will substantiate with an acknowledgement letter every single contribution of \$250 or more when you provide us with a copy of your cancelled check(s).

Finally, we will substantiate with an acknowledgement letter every **single** contribution of \$250 or more (which must be on one check) when you provide us with a copy of your cancelled check(s).
