Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a **wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage** has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

A PLEDGE TO
PARISH LIFE

My parish is composed of people like me. I help make it what it

is. It will be **friendly, if I am.**

Its pews will be **filled,**

if I help fill them.

It will do **great work, if I work.**

It will make **generous** gifts to causes, **if I am a generous giver.**

It will **bring other people** into its community,

if I invite and bring them.

It will be a parish of **loyalty and love,**

of **fearlessness and faith,**

and a parish with a **noble spirit,**

if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall **dedicate myself** to the task

of **being all the things**

that I want my parish to be.

On the Life and Welfare and Future of Our Parish

Images of Birds and Flowers—A Way of Life

LIVING HAND TO MOUTH the poor do not often have the luxury of planning ahead. Totally absorbed in the challenge of living, **survival** is the one and only thing occupying their attention. In today's Gospel Jesus may appear to be insensitive to their needs. However, he's actually proposing **an imaginative spiritual exercise** that many of them would have found both interesting and most helpful.

In their 1st century Mediterranean world **"happiness"**—including survival—had everything to do with **"attachment"**. Everything was practical and down to Earth. "Love" means attachment. "Hate" means dis-attachment or separation. Using images of birds and flowers Jesus invites us all to **remember and recommit** ourselves to love of neighbor (attachment to each other) and love of God (attachment to God—focusing on God, trusting God, being deeply concerned with serving God single-mindedly).

If you—or we as a parish—want to know **what rules our lives** (attachments we have), we need only **examine how we spend our time and money**. Jesus pushes us beyond everyday worries to **reflect on the priorities that lead to ultimate happiness and security**—fullness of life in the reign of God. We are and will be happiest—whether poor or rich—when we give ourselves over to God's care for us and share that same care with others.

*Father, form us in the likeness of Jesus your Son
and deepen His life within us.*

Send us as witnesses of Gospel joy

into a world of fragile peace and broken promises.

Touch the hearts of all with your love that they may love one another.

Opening Prayer, 8th Sunday in Ordinary Time

WE ARE PUBLISHING A MONTHLY FINANCIAL REPORT in order to keep you informed about the income and expenses of our parish. I especially thank you for your continuing and generous support during these hard times. Thank you for the extra amount many are giving to support the work of our **St. Vincent de Paul Society** and to provide tuition assistance funds for our school families at **Christ Light of the Nations**. I assure you that our **Finance Committee** is committed to reducing our expenses without weakening our commitment to the life and welfare of our parish. Our newly formed **Stewardship Team** is also committed to developing interest and participation in parish life and to encouraging financial support for our parish. Even a small gift or increase in your **Sunday offering** will make a big difference. We need to do all that we can to reduce the amount are spending each month from our **parish savings** while continuing to serve the needs of our parish members and to help those in need living in our community.

Special thanks to Barb **Dallen**, Gina **Walsh**, Will **Huhmann**, Mary A. **Harris**, and Regina **Anderson** who have volunteered to work with Juanita **Blackshear**, our Director of Administration, to develop our Stewardship Team. I would encourage many more to seriously think and pray about joining this Team effort. If you have an **interest in the vitality of our parish now** and want to be a part of **ensuring our future in this community**, let me know or call Juanita (314-868-2310 x12) this week or anytime. One might draw the conclusion from Matthew's Gospel that **focusing on survival** may be necessary but it's not enough. Instead, **focusing on God** must be our first concern. If so, we will not only survive, we will thrive.

DIRTY**FACTS**

Since 1980 the generation of trash has grown by 60%. In the year 2005, we discarded nearly 246 million tons of trash of which 35% is paper and cardboard. The good news is that in 1980 only 10% of the population recycled while in 2005 it was up to 32% and rising. About 84% of all household waste can be recycled. Here are some facts on recycling:

- The average person makes 4.5 pounds of trash a day.
- More than 1 billion trees are used to make disposable diapers every year
- Every ton of paper that is recycled saves 17 trees.
- Burying 15,000 tons of trash creates one job while recycling the same trash would create 9 jobs.
- It takes 40% less energy to recycle aluminum cans than it takes to make new ones.
- Enough energy is saved by recycling one aluminum can to run a TV set for 3 hours.
- If every American household recycled just one out of every ten plastic bottles they use it would keep 200 million pounds of plastic out of the landfills every year.

These are just a few facts that may be interesting. For more information go to :

Have a wonderful week.

MEDICARE/MEDICAID TALK NEW DATE

Please join us for a special forum on Medicare and Medicaid. The presenters will talk about necessary steps and protocol regarding **Medicare and Medicaid** and **long term care**. Have you ever thought about what would happen if you had a sudden, extended hospital stay that may require some rehabilitation prior to you returning home, or if a loved one or your spouse needed to go into a nursing home temporarily. Where would the funds come from? Who would pay for this stay? These are the questions that can be answered at this presentation. Please plan to attend. The parishioners who attended in December commented that the presentation was **“very informative and helpful.”**

This presentation has been rescheduled for **Wednesday, March 30th**, at 5:30pm. **For all of you that are already on my list, I will call you and confirm that you are still available for the new date.** If you would still like to register, please do so by calling Buffy Modde, the parish nurse @ 868-2310, ext 11. **You must call and register if you would like dinner.** Walk-ins are welcome.

8th Sunday in Ordinary Time

“Do not worry about tomorrow; tomorrow will take care of itself.” MATTHEW 6:34

Jesus tells us that we cannot serve two masters. In many ways, worry is the other master in our lives. We worry about our job, our house, our family and our health. We worry about our future plans, our dreams and our goals. We worry about measuring up, meeting expectations and keeping up with the neighbors. Today, God gives us a very soothing message. Do not let worry rule your life. Put God first and He will take care of everything else.
