### Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

### Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

### Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

### A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it

is. It will be friendly, if I am.

Its pews will be filled, if I help fill them.

It will do great work, if I work.

It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community,

if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith,

and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task

of being all the things that I want my parish to be.

## If You See Something Say Something

### Being Faithful Means 'Staying With The Conversation'

**ON THE REAL-LIFE JOURNEY OF FAITH** asking questions and sharing insights is always what keeps us going and growing. Personal conversations and the talk of a whole community is a kind of "holy communion". It's another way in which the real and powerful sacramental presence of Jesus is revealed and makes an incredible difference.

*Every sacrifice should be made to assist parents in the Catholic upbringing of their children that they might be strong members of the Church and good citizens.* Pastoral Plan for Reorganization of the Northeast Deanery

**SCHOOL BOARD NOMINATIONS ARE A SIGN** of your support for Catholic education in our community. Since 2005 the time and expertise of dedicated parents and parishioners has been a tremendous benefit to our school. The support of our School Board and parish leaders was especially helpful last year when we developed a three year strategic plan for our school. This plan gave us a clear understanding of our needs for the future. It is the plan we are now using to evaluate and address our enrollment and revenue needs for the future.

I encourage every parish member to **read the information in today's bulletin** on School Board nominations. This year **we need four new School Board members**. I urge you to let me know of at least **two people** you know who have the qualities we are looking for. Father Tom Haley, Sister Mary Lawrence, and I depend on the leadership of our Board as we continue to plan for the future. We share Archbishop Carlson's desire of making sure that young Catholics know their faith and practice their faith in their daily lives. We also share his desire of helping poor children break the cycle of poverty through education and reach their God-given potential. But none of this can happen without your help.

*All ACA contributions are designated and restricted for Educational, Pastoral Programs, and Charitable Services and Ministries that assist our parish and people throughout the community.*

**COMING TOGETHER IN CHRIST**—the calling and conviction of our Church from the beginning—ensures that no individual and no single parish will ever have to go through hardship alone. This weekend I am happy to welcome to our parish **Ms. Peggy O'Brien**, the Principal of Our Lady of Guadalupe School, together with faculty members, **Kathy Long**, **Anne Cook**, and **Jessie Joiner**. They will speak to our parish about the vital importance of the Appeal in support of Catholic education.

In 2010 our school families and faculty received \$6,650 in support of tuition assistance needs and continuing education programs. The Appeal also funds the Right Start Student and Parent classes in our school; marriage preparation classes for couples in our parish; and the *Good Leaders, Good Shepherds* pastor training program that I am participating in through next year.

I encourage you to make your gift or pledge in the Community Center before or after Mass on Saturday or Sunday this weekend. Parish workers will also be available next weekend. Making your gift or pledge when you come to Mass is a great help to our volunteers who will soon be calling or visiting those who have not yet had an opportunity to participate in this year's Appeal.

The goals for the Appeal in our parish this year are to —

- Raise **\$52,979** in gifts and pledges
- Increase participation by **48 new donors** who have never given to the Appeal or did not contribute last year
- Maintain if not increase the **amount given last year** by each family or individual parish member

**A TRIBUTE TO WOMEN**

This is a tribute to our mothers, grandmothers and sisters or the women who have come and gone throughout centuries and the women who are here today taking their place; women like you and me. This is a tribute to women from all walks of life. No matter where they come from or what position or status they held. These are the women who worked for hours, day, even years, pouring their heart into what they felt needed to be done.

Throughout time these women have done their share of the work often quietly, and sometimes not so quietly. But in the end they did the work because they knew if they didn't, no one else would.

Though these women come from all races, religions, sects and cultures, we are able to relate to them as our own mothers, sisters, aunts and grandmothers. This strong kinship always existed among women. No matter from what part of the world we come, whenever we hear, for example, about another woman who may be lost her life to cancer, we let out a deep sigh of despair for we only know too well of the pain that finally took her precious life.

In the same way, when we hear of a wonderful experience of another woman, we rejoice and are glad.

So let us come together, pay tribute and celebrate the lives of these women through celebrating our own precious lives. Let us celebrate our own talents and unique qualities and give ourselves the acknowledgement and the recognition due for our efforts and hard work however big or small. Let us recognize and honor the mother, the sister, the aunt and the grandmother within ourselves and within each other and remember that like a burning candle that illuminated the dark, we too need to honor and cherish the light within ourselves and each other for giving light to the world around us.

HAPPY MOTHER'S DAY TO ALL.
