**Sacrament of Marriage**

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

**Anointing of the Sick**

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

**A PLEDGE TO  
PARISH LIFE**

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am.

Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

### Responding to the Invitation of Jesus to "Come" Stepping Out of the Boat

For many years I have believed that what God has in mind for the work of our lives begins on the day we're born, but even more on the day of our baptism. For all of us **baptism permanently and perfectly connects us with God** through Jesus and **with a faith community** that will help us understand this connection and our place and purpose in the world. When these **connections are well in place** we experience the reign of God in our lives now - no matter our vocation or occupation. We know that everyone's life is a part of God's redemptive plan for all the world. We like Peter will actually ask Jesus to tell us to "*get out of the boat*" - never hesitating to cry out for his hand when we're afraid.

Today I'm happy to announce that a member of our parish, **Bill Krenn**, has been accepted as **Candidate** for the **Permanent Diaconate** in service to the Archdiocese of St. Louis. This fall he begins his Application Year, a time of informal association with the deacon program that provides more information, supports his discernment, and begins the earliest stages of formation.

Bill was born, baptized, and raised in Holy Family Parish (South St. Louis). Since then his life of faith and call to marriage have been nurtured through an active membership in the Newman Center of the University of Missouri St. Louis as well as several other parishes. Bill and his wife, Judy, who serves as our Youth Ministry Coordinator, have been married for 31 years. They have 4 adult children and several grandchildren. Bill now serves as chairperson for our Parish Finance Committee and is active in the work of our St. Vincent de Paul Society. Please keep Bill and Judy in your prayers as they continue to explore this calling in his life. For him and for all of us "*stepping out of the boat*" requires continuing faith in God.

#### The Ministry of the Deacon

The diaconate was established in the 1st century when the early Church recognized the great need for more teachers in the ways of faith and more ministers to serve the needs of others. This ministry flourished in our Church for more than 400 years before its decline, becoming eventually little more

than a transitional step to priesthood. All deacons share with bishops and priests in the sacrament of Holy Orders.

Our 2nd Vatican Council (1962-1965) proposed the restoration of the permanent diaconate which then occurred under the leadership of Pope Paul VI in 1976. In 1977 our Archdiocese began calling permanent deacons serve the Church of St. Louis. A two-year discernment and formation program was developed and put in place. Over the years based on the needs of candidates and of the Church deacons now have a five year program of preparation for their ministry.

*"Service to the poor  
and service to our parish  
have fed my spirit and allowed  
the Spirit and Word of Jesus  
to break through in my life.  
I have taken as my life theme -  
building the Kingdom of God  
step-by-step in the world  
around me."*

*Bill Krenn*

*Candidate for the Permanent Diaconate*

#### Liturgical Ministry

The deacon is called to assist the priest at Mass, administer the sacrament of Baptism, witness and bless marriages, officiate at funerals and burial services, preside at Communion liturgies where a priest is not present. This service at the altar is a sign and symbol of our Church's commitment to parishes and communities.

#### Ministry of the Word

Deacons also proclaim the Gospel and may receive preparation and the authorization of the bishop to preach. Every deacon should endeavor to turn the Word into deed in his daily life.

#### Ministry of Charity and Service

Most importantly the ministry of love and justice is the heart of the diaconate. In St. Louis deacons serve in parishes and as hospital and prison chaplains, assist the homeless, minister to the divorced and widowed. In general, they counsel and serve those who are at the margins of our society. Their calling is not to move away from the world, but to become more involved in it.

**CONTINUING THROUGHOUT THE SUMMER** you will find in the back of church a **display of the architectural drawings** that have been proposed for the renovation of our church and community center. You will also find **information concerning the benefits and probable costs** of these proposals. This display will be available for viewing through early September. I encourage everyone to spend some time reviewing it. Think and pray about the proposals and our need for such improvements. Talk with other parish members. Most importantly **talk with parish leaders about what you think and why**. You can find a complete list of who to contact in the back of church. **In late September this group will meet again to decide what we want to do**—the whole project, part of the project, nothing at all. Only then will we begin to discuss **how and when** we to begin.

### **YOU ARE INVITED!**

Do you find yourself wondering how to live your faith in today's complex world. Responding to the world's needs takes reflection, study, prayer and community. All of these are offered through Just-Faith Ministries which has programs for adults, high school and college students. St. Ferdinand is pleased to host an informational meeting regarding JustFaith Ministry programs on Tuesday, August 23 at 7pm in the Duchesne Center at 1765 Charbonier in Florissant. We extend this invitation to all parishioners within the Northeast Deanery. Greg Rodhe from Catholic Charities will be with us to answer questions as will recent JustFaith graduates. Please join us. If you have questions or need additional information, please call Marianne Marxkors at 918-5118

### **COOKIES AND STEWARDSHIP**

Nothing goes better with Stewardship than cookies. Please come and meet the member of our parish's Stewardship Team after the 5:00 p.m. Mass on Saturday, August 13, 2011 and after the 8:00 a.m. and 10:30 a.m. Masses on Sunday, August 14, 2011. There will be plenty of cookies and smiling faces in our Community Center so stop by and join in the fun. See you there!

### **Stewardship Corner**

*“Why do you stand idle?...You too go into my vineyard.” Matthew 20:6, 7*

So much work and so little time; each of us is given 24 hours to do all that we have to do and many of us look at those 24 hours as not being enough time. Break those hours down and see how much time we waste on the small things. The small things being things like idle chatter about things that are not really of importance, wondering what to cook for dinner, what to wear, and what to watch on television.

Many of us are blessed with the luxury of having that time to waste yet there are those who do not. They wonder where their next meal is coming from and where they are going to sleep at the end of their day. These persons do not waste their time, they tend to pray each and every waking moment for the things we take for granted.

### **Covenant Network**

The Journey Home is one of many programs of conversion, inspiration and hope that can be heard on **AM 1460 KHOJ, Catholic Radio**. You will also hear shows such as Catholic Answers Live, Life on the Rock, and Faith and Family. Plus, the daily Holy Mass, the Rosary and the Divine Mercy Chaplet. For a program schedule and a free CD, please call toll-free (877)305-1234.

Northeast County Senior Ministry is now partnering with local church youth to offer a Lawn Mowing Service, where we will match youth to homeowners in need of grass cutting. To cover the cost of gas and transportation, our mowers are asking for \$10 to \$15 depending on the size of the yard. We hope this service will help senior homeowners maintain their yards and get youth a chance to meet others in their community as well as some meaningful work to do. Any interested homeowners or youth should contact Brion Abel at 664-9700 or [brion.abel@sgsmnetwork.org](mailto:brion.abel@sgsmnetwork.org).

Saint Ignatius Loyola (1491-1556) wrote the Spiritual Exercises to help Christians learn a fruitful method of daily contemplative prayer. For some, the Exercises help them make reliably Spirit-guided decisions at times of serious change in their lives. You can make the Spiritual Exercises over nine months of weekly meetings with a trained spiritual director and a daily hour of guided prayer.

Throughout the Saint Louis area, the Bridges Foundation makes the Exercises available every year. One upcoming opportunity is at Webster Groves Christian Church, 1320 W. Lockwood. The session runs September – May. There will be an information session at WGCC on Wednesday August 17, 7:00 PM.

## 10 VITAL THINGS TO LOOK FOR IN A STROKE CENTER

Do you have a parent that is at risk for a stroke, perhaps they have already had one or there is a strong family history. Or maybe a sibling or neighbor that have many risk factors for having a stroke, or even a member of our congregation. Regardless of who we know that may be at risk for a stroke or why they may be at risk, the most important thing is to be prepared for a stroke emergency. One element of preparation is determining in advance where your loved one will be taken if he/she is having a stroke.

The best treatment a person having a stroke can receive is at a primary stroke center, a hospital that has been certified by Joint Commission, a special committee for hospitals, as meeting the recommendations for primary stroke centers. To find a primary stroke center near you or your loved ones house, visit [www.jointcommission.org](http://www.jointcommission.org) or ask your physician.

To determine which of your local hospitals meet the important criteria, use these questions as a guideline.

### Stroke Center Questions

- Does the hospital have a stroke response team available 24 hours a day, seven days a week?
- Are the hospital's emergency physicians specifically trained to diagnose and treat acute stroke?
- Are the emergency physicians capable of treating acute ischemic stroke patients with intravenous tPA within one hour of arrival to hospital?
- Is the tPA treatment available 24 hours a day, 7 days a week?
- Does the hospital offer coordinated stroke care beyond the evaluation in the emergency room?
- Is a neurosurgeon on call 24 hours a day, 7 days a week?
- Does the hospital have on staff someone who can perform and interpret brain imaging (CT scan or MRI) 24 hours a day, 7 days a week.
- Is the hospital laboratory open 24 hours a day, 7 days a week.
- Does the hospital measure and track patient outcomes, conduct regular evaluations and improve programs accordingly?
- Does the hospital staff responsible for treating stroke patients receive at least 8 hours of continuing medical education each year?

If distance is not on your side, then get them to the nearest hospital. When it comes to strokes, time is critical.

## Archdiocesan Guidelines for the Use of Beverage Alcohol

These *Guidelines* were developed for all parishes, parish organizations, and agencies of the Archdiocese. There are occasions when it is appropriate to include alcohol as part of parish functions, always in accordance with legal requirements.

*A vibrant parish community is welcoming and hospitable without ignoring or minimizing the moral values at the heart of our Catholic faith.*

However, parish leaders also have a serious responsibility to promote strong moral values and to protect those who are most vulnerable, especially our children and youth.

1. All federal, state and local laws and ordinances must be observed. This includes regulations required for the sale of alcohol, prohibiting the distribution of alcohol to minors and not serving alcohol to intoxicated persons.
2. The group or organization sponsoring an activity or event at which alcoholic beverages are to be served must have permission from the pastor of the parish or the director of the agency that hosts the event or activity.
3. Alcoholic beverages and food containing alcohol must be clearly labeled or identified as such.
4. Alcoholic beverages that are designed to facilitate rapid alcohol consumption, including grain alcohol and shots, are prohibited.
5. Whenever alcohol is served, non-alcoholic alternatives must always be offered with equal accessibility.
6. The serving or use of alcoholic beverages at events should not be “actively marketed” during the event.
7. It is preferable that alcohol not to be served to anyone or brought in by someone, including adults, at any event directed primarily to and for minors. This includes elementary and high school events, CYC events, Scouting activities, etc.
8. All adults should be mindful of their Christian responsibility to drink in moderation and to give a good example to our youth.

*“Clergy, employees and volunteers should never be involved with the illegal possession and/or illegal use of drugs and/or alcohol. They must never supply such substances to minors nor may they consume alcohol while functioning in an official capacity with minors. This includes those who are involved with children as coaches or managers of sports teams.”*

*Code of Ethical Conduct for  
Clergy, Employees and Volunteers Working with Minors § 4.5*

Today is our annual collection for the Latin America Apostolate. This collection supports our 3 Missionary Priests and Bishop Casey in their missionary work. Bolivia is among the poorest countries in our hemisphere. Your prayers and support are needed so that our Missionaries can continue to make Missionary Disciples of Our Lord. Bishop Casey, Fr. Pat Hayden, Fr. Bob Menner and Fr. Jim Michler thank you for your support. Make your donation payable to: The Latin American Apostolate.

### CHRIST LIGHT OF THE NATIONS SCHOOL BEGINS IN A FEW WEEKS

Are your children registered for the 2011-12 school Year yet? Christ Light of the Nations Catholic School is looking for families interested in a Catholic Elementary education for their children in a safe, secure Christ-centered environment our parish community, parents, teachers and students partner in the educational process. We, at Christ Light are committed to providing an academic foundation that spiritually, intellectually, and physically empowers our students to achieve their greatest potential. If you are looking for a 21st century Catholic education for your children—come and see what our school has to offer. We have small class sizes, a student friendly environment, religious education, prayer and experiences to help the students discover their own spirituality. Our teachers and students use technology every Day.

**Christ, Light of the Nations Athletic Association** is hosting our 13<sup>th</sup> Annual Golf Tournament on Saturday, September 17, 2011. The proceeds from this tournament will help supply our Catholic elementary school children with uniforms and equipment, as well as help the costs of league and field fees. Our association allows children who love to play baseball, softball, soccer, basketball, volleyball, golf, and track to play on our all inclusive (non select) CYC teams.

We are asking for donations, large or small, to help our event. We expect 144 golfers in our tournament. If you could supply small items for our “goody bags”, larger items to be raffled off, or items that can be given as attendance prizes, we would very much appreciate it. Along with your donation would be the advertisement advantage for you as your name and logos would be displayed for all throughout the tournament.

We also have hole sponsorships for \$100.00. Your name/ company name will be displayed at one of the tournament tee boxes for all to see. Just simply supply your company logo or name.

Thank you for your consideration on either choice. Items can be mailed to the address below or you may call and we would be more than willing to pick up.

Thank you again,

**A message from Archbishop Carlson**

Many of us know acquaintances, friends and even family members who have drifted away from or actively left the Catholic Church. It pains us when we reflect on their separation from the Church. We wish them the joy we have found in loving Jesus Christ and His Church through our participation in the sacraments, the liturgy and our Roman Catholic way of life.

Can you identify members of your family, friends or fellow parishioners who no longer practice their faith? Are you praying for them? Have you invited them to come to Mass with you? If they came back, would they feel welcome? Is there more that we can do to encourage our absent sisters and brothers to come home?

Beginning in Advent of 2011, the Catholic Church in the 11 counties that are served by the Archdiocese of St. Louis will undertake a dramatic new initiative to welcome back our brothers and sisters who have been away from the Church. Catholics Come Home is a collaborative effort of parish initiatives coupled with a regional media campaign of television commercials. The commercials have been specially developed to encourage people to come back to the Catholic Church or to learn about our Church for the first time. During their run in Advent and Christmas (mid-December through late January) millions of people will see these ads—most will see them multiple times!

This is an extraordinary undertaking, and I am very excited about touching people's lives and bringing them closer to Christ. Other archdioceses like Atlanta, Seattle and Chicago have implemented the Catholics Come Home initiative recently and have seen Mass attendance increase by 12 to 18 percent. What a great blessing for those individuals and for the Church!

This new initiative will be led by Reverend Monsignor Mark S. Rivituso, J.C.L. Vicar General for the Archdiocese of St. Louis. Catholics Come Home will complement our Mission Advancement Initiative for Catholic Education, which has identified "evangelization" as one of the priorities in our efforts to grow the Catholic identity, enrollment and financial stability of our Catholic schools and other faith formation ministries. The funding for Catholics Come Home St. Louis will come from several sources including my personal funding requests and a second collection in parishes one weekend in October.

I am excited that the Archdiocese of St. Louis is embracing this initiative. We hope that many people will come back to the sacraments and to a deeper relationship with our Lord Jesus Christ and His Church. Please join me in praying for the success of this special effort.

Archbishop of St. Louis
