### Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

### Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

### Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

### A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

### Working Together To Know What God Wants - Discerning Our Next Steps Church Renovation Project Report

**ON SEPTEMBER 26TH** about 40 parish members serving on 6 different parish leadership groups meet to **decide what we want to do** concerning the renovation of our parish church. Their recommendations represent their careful consideration of the **core values** they identified earlier this year and their **honest attention to the expressed ideas and feelings of parish members** concerning these values and the proposed designs. The conversations of this evening were rooted in faith and prayer. They were also open, honest, and respectful. All of which has given me the confidence I needed to **accept their recommendations** and to **continue moving forward** with this project.

I am grateful for the leadership of **Peg Warnusz**, Chairperson of our Renovation Committee, and **Sister Rosemary Hufker**, SSND, who served as our meeting facilitator. Our meeting resulted in the following **Statements of Agreement**. I encourage you to read them carefully. Pray about them and pray for those who will continue working on this project as recommended below.

### Statements of Agreement

#### Statement #1

We agree that the values to pursue strongly are: accessibility and outreach to our community. So let us enhance the church and community center with a redesigned connecting structure that enhances accessibility and makes the community center more serviceable to the community.

#### Statement #2

Abandoning the idea of the complete renovation (as suggested by the parishioners) but rather focusing on more practical changes as needs demand, e.g., restrooms, community center, narthex & choir area.

#### Statement #3

We recommend that part of the renovation be completed to include: restrooms, church lighting, sound system, accessibility of sanctuary, access to church & community center, kitchen while being fiscally responsible.

#### Statement #4

We want to strive to strengthen our Catholic presence in the community by focusing our resources on improving the community center for our own needs and outreach to the larger community.

#### Statement #5

Repair infrastructure to keep our parish structurally sound. Update for handicapped accessibility - ramps & bathrooms. Present a financially sound plan to support the above.

#### Statement #6

The overall parish consensus seems to be to avoid executing a grand project but make smaller improvements, perhaps over time. Parishioners like the basic layout of the church but recognize that accessibility in the restrooms could use improvements and seem willing to consider other changes enhancing accessibility in others areas, for example: access to the community center and improvements to lighting & sound system in the church.

### Recommendations from Parish Leaders

♦ One person from each of the six leadership groups should meet with Father Mike to **write a single statement of agreement** that will be approved by all six groups. This group includes Bob **Stolte** (Pastoral Council), Theresa **McWilliams** (Pastoral Leadership Team), Ken **Maue** (Capital Improvements), and Peg **Warnusz** (Church Renovation Committee). Representatives from the Finance and Liturgy Committees will be added in the near future.

♦ Father Mike will then present this Consensus Statement to our **Parish Pastoral Council** for **recommendations concerning the scope and feasibility** of the project.

♦ In addition, I have decided that I will also present to our Council for their approval **a set of protocols** to be use by our Capital Improvement Committee and Finance Committee **for the implementation of the Council's recommendations**. I will consult with our Pastoral Leadership Team regarding these protocols which will respect and support the consensus agreement of our parish leaders.

**Liturgy of the Hours  
Or  
Christian Prayer**

The Liturgy of the Hours is prayed every Monday, Wednesday and Friday morning at 7:35am at Holy Name of Jesus Parish. No special knowledge is necessary to enter fully into this prayer. A leader will start and end the prayers and direct us to the correct pages. Come and join us. For more information call Bernie @867-8301 or Betty @868-0176.

**WELCOME TO OUR FAITH  
COMMUNITY**

Congratulations to Mackenzie Taylor Rose, daughter of Justin Fank and Krista Rose, who was baptized in water and the Holy Spirit on October 16th. May God continue to guide and protect her as she grows in wisdom, strength and holiness.

**DO YOU HAVE A PASSION FOR  
HELPING OTHERS?**

Holy Name of Jesus and Mississippi Valley Regional Blood Center are teaming up to hold a blood drive on **SATURDAY, NOVEMBER 19TH**, from 9am to 1pm @ **OUT LADY OF THE ROSARY PARISH CENTER**. All donated blood is distributed locally, that is, within the city and county of St. Louis, unless other circumstances warrant it to go elsewhere. Here is one thing I would like you to think about; Blood cannot be manufactured. People are the only source. Please consider donating and possibly saving someone's life. You must have a picture ID to donate blood, unless you have already donated with MVRBC.

We received many rave reviews about MVRBC and their process. Donors were finished from start to finish within 45min or less. Won't you give them a try? If you have questions regarding blood donation, please call Buffy Modde, Parish Nurse @868-2310 ext 11.

We are also holding a children's mental health workshop that day in Christ, Light of the Nations' cafeteria. **If you know anyone who may benefit from this workshop, please pass this information on to them.**

**GO CARDS!**

### **WANTED: Photographs of Family and Friends Who Have Died**

The month of November has traditionally been a time when the Church celebrates the Communion of Saints, prays for those who have died, and prepares to welcome the one St. Francis called "Sister Death". In keeping with this tradition, we will once again be creating a devotional, which will honor those who have gone before us in faith. We are asking families who have lost a loved one to share with us a photograph (in a frame if possible) of that person. We will display these along with relics of several Saints. In order to design the devotional space, we ask that all photographs be turned into the Parish Office or brought to the sacristy in the church by October 28.

All photos will be returned in December.

If you or a family member or friend are admitted to the hospital, please call the office at 868-2310 and give us that information. We would love to visit you and have the community pray for you. Because of HIPA, the hospitals will not let us know you are there.

### **TRIVIA NIGHT**

The Little Sisters of the Poor-St. Louis Residence proudly present their 6<sup>th</sup> Annual Trivia Night/Silent Auction on Friday, November 4. Join us at Carpenter's Hall on Hampton Avenue. Doors open at 6:00 pm; play begins at 7:00 pm. Cash prizes, silent auction, 50/50, Mulligans; games. Snacks, beer and soda provided. Bring your own food recommended. \$200 for a table of up to 10 players. Advance registration recommended. Registration/more info, call: 314-421-6022.

### **PRAYER CHAIN**

If you or someone you know is in need of prayer, please call either Betty Kondracki @ 868-0176 or Pat Edgar @ 868-4143

We will be celebrating a Solemn Evening Prayer, on Tuesday, November 2, Feast of All Souls, remembering those who have died. We will remember in a special way those who have been buried from our parish over the past year. We will begin with a time of light refreshments and fellowship at 6:45pm in the vestibule of the church. Solemn Evening Prayer will begin at 7:30pm. Please join us as we pray with and for all those who have gone before us in faith.

We were able to send 38 containers of frozen soup, stew, and chili to Our Lady of Perpetual Help Food Pantry which they so desperately need. This was the first collection for this season. Hopefully, next month we can increase the number of containers. Thank you for your generosity for the ministry.

## **Rest in Peace**

In your charity please pray for the repose of all who have died this week. We pray that they may now enjoy the great blessings of eternal life and that their family and friends may find peace in the promises of Christ.

## FACTS FOR MEN

Have you had your prostate checked lately? Prostate enlargement happens to most men as they get older. As it grows it presses on the urethra and causes difficulty with urination and bladder problems. An enlarged prostate is called Benign prostatic hyperplasia (BPH). An enlarged prostate does not mean you have cancer or increase your risk of cancer. However, it is a good idea to have this checked. Talk to your physician about it.

Some signs of BPH are:

- Slowed or delayed start of the urinary stream
- Weak urine stream
- Dribbling after urination
- Straining to urinate
- Strong and sudden urge to urinate
- Incomplete emptying of the bladder
- Needing to urinate 2 or more times per night
- Urinary retention (complete inability to urinate)
- Incontinence
- Pain with urination or bloody urine.

Again, these do not necessarily mean that you have cancer. But if you do have any of these symptoms, over a period of more than 2 weeks, your physician should be contacted.

Have a wonderful week. Let us remember all of the saints who have gone before us, and who are supporting us from their eternal reward.

Peace,  
S.Rose, SSND, RN

## IMPORTANT HOSPITAL NEWS

So, PLEASE, be sure to let us know if you are a friend, relative, neighbor, etc. are being admitted to a hospital. We want to support you in your illness. Just call the Parish Office and give us your information.**

Are you anticipating buying or receiving a new set of luggage.?

Do you have extra luggage whose traveling days are over? We, Diana Goodwin and S.Rose, have a need for soft sided luggage. It should be 26-30 inches, have wheels and a handle to pull it. This luggage will be used to carry much needed equipment to Guatemala and Belize. It will not be returned.

If you do have such luggage, please bring it to the Parish Office.

Thank you so much....

Diana Goodwin for Guatemala

S. Rose for Belize

## TEACHERS CONTINUE PLT PARTICIPATION

Teachers from all of the Federation schools continue to participate in their Professional Learning Teams (PLT) as part of their ongoing professional development. The PLTs meet on their own once per month, and all of the groups come together for a joint workshop on a quarterly basis, as they did on October 7th at St. Norbert School.

At the beginning of the year, teachers chose which PLT to participate in. There are grade-level PLTs for preschool, kindergarten and primary grades, and subject area groups

(i.e. Math, Language Arts, Music, Art etc.) for the middle school level. In addition to sharing ideas and reviewing best practices, teachers use their PLTs to discuss ways to best serve the students in the Northeast Deanery. For example, the Learning Consultants PLT is planning to expand the Summer Academy program in 2012, and they are exploring the possibility of conducting workshops for parents on topics such as fostering good study skills in their children. For more information about the PLT programs, visit [www.FederationofCatholicSchools.org](http://www.FederationofCatholicSchools.org).

### Faith-Sharing for Adults With Disabilities

If you or someone you know has a developmental disability, we offer a faith-sharing and Bible-study gathering each Saturday from 9:00 until 10:30am at Sacred Heart Parish in Florissant. For more information, please call Mary Beth Schulte at 439-5865 or Sue Eckhoff at 838-0736. We'd love to have you join us!

### EYES OF FAITH

Within our community here at Holy Name we have lots of ordinary, yet EXTRA ordinary people who are living their faith each day without calling attention to themselves or asking for any recognition for their efforts. These parishioners serve out of a desire to do what God calls them to do. They don't think of themselves as something special and yet without their witness and service, our parish would be very poor. They see their world with EYES OF FAITH and that faith directs the way they live each day. We hope to share some of their stories in this column so that we can grow closer to each other and celebrate who we are here at Holy Name of Jesus!

This is our first installment for the EYES OF FAITH.

### Shirley Loy

Shirley and her husband Henry moved to St Pius and Glasgow Village in 1964 with four children. After moving there Shirley and her husband, who is a convert to the Catholic faith, were blessed with a daughter and then a son eight years later. That son, Brian (also a parishioner with his wife Angie) was a surprise but he has been a great joy, as well. Shirley and Henry have been married for fifty-seven years!
