The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

### Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

### Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

### A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

### Taking the Risk of "Cleverness"

### We are Baptized "Apprentices of the Master"

**IN THE MIDDLE AGES** there was a unique relationship between a master and an apprentice. Whatever the commission or project **the master always took responsibility for the mistakes of the apprentice.** In turn, the general public only knew - and history would only remember - the name of the master. Such trust often - if not always - brought the best out of an apprentice. Each of us should spend some time letting this really sink into our minds and hearts. Such an attitude on the part of our Master should truly liberate us to be good and even more to explore the limits of being better and best in living out our faith.

St. Matthew's parable reminds us of an important belief of the early Church: **God judges us** not by how much or little we have but **by how faithful we are in using what we have to build up God's kingdom.** Failure is not this issue. Fear that keeps us from acting is! In particular for those who have been "apprenticed" to Jesus the Master by baptism, the risk of "cleverness" is always preferable to "playing it safe".

**LATE THIS SUMMER** we discovered several leaks in the roof of our Parish Community Center, the largest building of our parish complex. A careful inspection of the roof identified about two dozen cracks or breakdowns in the roofing material. Temporary patches were immediately put in place. **Steve Jones**, our Maintenance Coordinator, and **Mike Petroff**, Chairperson of our Capital Improvements Committee, also determined that the roof is about 20 years old and that all warranties on materials and installation had expired. From previous assessments we also knew that this roof would possibly need to be replaced within the next 2-3 years, and some planning for this was already underway.

Over the past two months the CIC received and discussed three bids on replacing the roof and at the end of October made their recommendation to the Parish Finance Committee which approved their work. As an ordinary matter of due diligence these bids and our financing proposal were reviewed by the Archdiocesan Office of Building and Real Estate as well as the Archdiocesan Finance Office. With their support a contract for the replacement of this roof was signed this week.

We have chosen **Allied Roofing and Exteriors Inc.** for this project at a cost of **\$81,480.** The work will begin within the next several weeks and will take about three weeks to complete. This project is an unexpected expense for our parish this year and will be paid for from our parish reserve funds (savings). During the coming weeks I would ask that you pray for good weather and for the safety of the workers on this project. Thank God as well for their skills and experience. Pray that they experience pride and satisfaction in their work - a blessing in their lives as well as on us. If you have any **questions about this project**, please speak with either Mike Petroff, or **concerning its financing**, with Bill Krenn, Chairperson of our Finance Committee.

### For the Mission of Christ in the Communities Served by Our Parish Parish Reserve Funds

**OUR PARISH SAVINGS** are the result of the 2005-2006 consolidation of parish assets and sale of parish properties. Since 2005 we have also received several bequests and estate gifts that have added to our savings.

As of the end of October our parish has \$ 3,802,840 on deposit in the St. Louis Archdiocesan Fund. These funds are kept in demand and money market accounts as well as certificates of deposit, and are overseen by our Parish Finance Committee.

Every year in addition to your Sunday offerings we need to use our savings to help pay for the services received by our parish members and the operation of our parish facilities. In addition, since 2005 we have used our savings for all capital improvement needs. The **present and future vitality of our parish** depends not only on the **wise use of these funds**, but also on the **continuing generosity of our parish members** each week and at times their extraordinary giving. This will enable us to conserve and add to our savings. Daily I thank God for each of you and pray that all the ways of our giving will be a blessing on us and many others.

### GIVING TREE

Once again, the Giving Trees are an opportunity to share Christmas with families served by St. Vincent de Paul and Room and the Inn. There are ornaments for toys, gift cards, personal care items and other necessities.

The toy ornaments are especially important. There is one ornament per child. Your toy gift may be

the only toy a child receives and is so appreciated by our families.

Choose quality toys that are age appropriate, avoid toys with small pieces that are easily lost or broken.

Toys for children age three and under should not present a choking hazard. When in doubt, let a child help select the toys.

Clothing is welcome, but not as an ornament gift.

We don't know individual child sizes. A clothing table is available when parents pick up their gifts.

The ornaments must be securely attached to the unwrapped gifts. Checks, cash and gift cards should be in a sealed envelope marked "Giving Tree".

Place them in the collection basket or drop them off at the parish office.

All gifts must be returned by the weekend of December 3rd and 4th. Thank you for your generosity and have a blessed holiday season.

*Well done,  
faithful  
servant*

This retreat begins with 5:30pm supper on Friday and closes at 5:00pm on Saturday.

### *DO YOU HAVE A PASSION FOR HELPING OTHERS?*

Holy Name of Jesus and Mississippi Valley Regional Blood Center are teaming up to hold a blood drive on SATURDAY, NOVEMBER 19th, FROM 9am-1pm @ OUR LADY OF THE ROSARY PARISH CENTER. All donated blood is distributed locally, that is, within the city and county of St. Louis, unless other circumstances warrant it to go elsewhere. Here is one thing I would like to think about; Blood cannot be manufactured. People are the only source. Please consider donating and possibly saving someone's life. You must have a picture ID to donate blood, unless you have already donated with MVRBC.

We received many rave reviews about MVRBC and their process. Donors were finished from start to finish within 45 min. or less. Won't you give them a try? If you have questions regarding blood donation, please call Buffy Modde, Parish Nurse @ 868-2310 ext. 11.

We are also holding a children's mental health workshop that day in Christ, Light of the Nations' cafeteria. **If you know anyone who may benefit from this workshop, please pass this information on to them.**

If you or a family member or friend are admitted to the hospital, please call the office at 868-2310 and give us that information. We would love to visit you and have the community pray for you. Because of HIPA, the hospitals will not let us know you are there.

### **PRAYER CHAIN**

If you or someone you know is in need of prayer, please call either Betty Kondracki @ 868-0176 or Pat Edgar @ 868-4143

## **Rest in Peace**

## CARE FOR THE CAREGIVER

### 10 RESOURCES FOR IN-HOME CARE HELP

I know we have talked about this before, but we are all caregivers now or will be at some point in our life. Many of us, when we are asked to be a caregiver, tend to learn as we go along. We are not given a manual that gets us through our days of care giving. Many times we need help and don't always know where to go for that help. Here are 10 resources that can help you meet your responsibilities and make you feel less alone.

- **Companion care services**

These companies provide companions for shut-ins who are frail or have a dementia-like illness or live alone.

- **Personal care assistants**

In addition to providing companion care, personal care assistants offer assistance with activities of daily living.

- **Adult day services**

Also called adult day health services, adult daycare, or respite care, these services provide care and supervision outside the home for older adults with physical and mental limitations.

- **Home health agencies**

These companies are the go to source when your loved one needs a higher level of care, including minor medical care.

- **Local Area Agency on Aging**

This is a government-mandated clearinghouse for general information about nearby eldercare services. For many caregivers, this would be your first call for information on eldercare in your area.

I will list the remaining 5 resources in my next article. You have two great resources here in your parish, Sister Rose and Buffy. Please call for help when you are feeling overwhelmed as a caregiver, and we will guide you in the right direction.

*Have a blessed week!*

*Buffy Modde, Parish Nurse @ HNOJ*

## IMPORTANT HOSPITAL NEWS

Hospitals, because they are going paperless, are no longer listing the parishes of patients. So, PLEASE, be sure to let us know if you are a friend, relative, neighbor, etc. are being admitted to a hospital. We want to support you in your illness. Just call the Parish Office and give us your information.

### FYI

Did you know that there is a candlelight vigil every Sunday evening from 7:00pm to 7:30pm at the College Church?! This vigil is for **peace and social justice** and has been ongoing for the past 10 years. If you would like more information please call Bob Stolte at 869-8147. Peace

## ST. PATRICK'S CENTER MOSTACIOLLI CASSEROLES

First off, we want to thank the Ladies Guild for their generous donation they gave us for St. Patrick's Center in October. Without the donations from the members of our church, we would not be able to purchase the Bananas and Milk every other month to take to St. Patrick's Center for the homeless. We will be at the South portal of the Church on November 17th from 7—9:30am to receive your Mostaciolli Casseroles, bags of Salad and Salad dressings.

You will see our truck with Shamrock flag flying to receive your goodies.

So mark your calendars now for November 17th!  
Connie & Matt

**FALL FESTIVAL FINAL REPORT**

We would like to thank each and every one of you that made the Fall Festival and Homecoming a successful event. There was always someone to step up with the help that made it a good day.

The festival committee members worked very hard and were committed to making this event successful from the beginning. Our primary goal for the festival was to bring our Holy Name of Jesus parish family and community together for a fun filled day of activities. We hope all agree: Mission Accomplished! As a result of all the hard work we would also like to add that the festival brought in nearly \$6000.00 in profit.

Here is the financial information for the 2011 Fall Festival:

Total income:	\$17,917.75
Total expenses:	<u>\$11,928.10</u>
Net Profit:	\$ 5,989.65

We have enjoyed working with all the tireless volunteers and have met some great people who we now call friends. **Thank You** all so much for that. We will not be chairing the event next year and we would hope someone will step up to carry on what was started by those before us. We will continue to be a part of this event and will help whoever takes over in any way.

In the words of Sister Rose, Peace and Hope to All.  
Donna Schlemmer and Roy Moyers

*The family of Doris Drury would like to thank each of you that played a part in her beautiful Mass and funeral luncheon. The music, food and hospitality were outstanding and we greatly appreciate your kindness and generosity. A special thanks to mom's dear friend, Sister Rose, who visited and brought her the Eucharist faithfully. You were a huge help to us all. Mom was certainly blessed to be part of this wonderful parish. Thanks to all of you!*
