### Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Weddings are not scheduled during the Season of Lent.

### Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

### A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

### Becoming An Evangelizing Community

#### Christian Morality - The Adventure of a Lifetime

**FROM MY EXPERIENCE TEACHING** salvation history with fifth grade religion students I started to think that as Catholics we need to take a much more positive view on morality - being moral people and developing moral values. With my students we shifted our notion of "conscience" away from that "little voice that keeps us out of trouble" to a richer understanding that God has given every human person a "positive, creative power for creating and redeeming our world". God wants our world to have its original grace and beauty. And, God has gifted us with good minds and free will capable of great love. These children helped me to think about morality as an opportunity - an **adventure** - as much as an obligation.

With them I also came to be sure of two other things. First, this is a "lifetime" adventure. A person grows in goodness, even perfection, with consistent effort and good teachers, but only over time. I also learned that when people work together to make good moral decisions - for as hard as this may sometimes be - we achieve greater goodness sooner than we might think possible. Morality is **the work of a community** much more than any single person alone.

Finally, our belief that **God absolutely respects human freedom** (free will) always seemed to leave them speechless. As we talked about this they clearly sensed how inviting and how frightening this might be for them as they grew older. God never twisted anyone's arm to do anything! But, God has faithfully and generously promised to be gracefully with us as we strive for perfection together.

As you read Archbishop Carlson's letter in today's bulletin, please keep these things in mind. Often our Catholic Church as well as other faith communities are accused of "imposing morality". To attempt to do so would be sinful as well as unconstitutional. We must respect each other's human freedom and the freedom of all persons as God does our own. However, our constitution also guarantees religious freedom - that in our country every person of faith and every faith community has the right to be a part of the conversation (political life and activity) about ideas, values, and choices. The more people there are honestly striving for goodness and knowledge of the truth the more perfect our world will be. I encourage you to join me in responding to our Archbishop's request to pray and fast that God will help us all to be a part of the political conversation. What we believe and value must always be spoken for the sake of a more just world.

You commitment to Mass is a sign of the vitality of our parish. However, for the health of our whole community, **if you are not feeling well**, be attentive to these recommendations:

**Don't Come To Church...**

With a fever—be fever free for 24 hrs.

When you're not feeling well—achy, tired, sore throat, no energy

When you're coughing and sneezing a lot with a runny nose or headache.

**When You Do Come To Church...**

Use hand sanitizer at church entrances

With slight symptoms of cold or flu—

Don't take communion from the cup

Offer the sign of peace with a friendly

Wave or simple bow

Thank you for your cooperation in **taking responsibility for the health of our community**. Remember, it's **sad** to miss Mass when you're sick or taking care of someone who's sick, but **not sinful**.

## PALLOTTINE RENEWAL CENTER PRESENTS

### Daughter, Your Faith has Saved You

Spend an afternoon with the women of the Gospels. Enter their stories through the eyes of feminine spirituality and discover the treasures they hold for women today. In a society where women hardly mattered, why did they matter to Jesus? What do their relationships with Jesus teach us about who Jesus was and is for us today? What messages do their voices carry? How can we raise them up as prophets, teachers and disciples? We'll explore the wisdom of theologians as well as trust our own wisdom and perspectives to bring these scriptures to life.

Juan Melendez spent nearly 18 years on Death Row for a crime he did not commit. Had it not been for the extremely fortunate discovery of a taped confession of the real killer, sixteen years after Mr. Melendez had been sentenced to death, he almost certainly would have been executed. Join us to hear his remarkable story.

### **New Families Visit Our School on Open House Day**

How pleased we were to have 25 new families show an interest in our school on Open House Day, last Sunday. From the time our doors opened at 1:00pm until we closed at 3:00pm our halls were full of families interested in attending our school. All the teachers were on hand to talk about their classrooms and curriculum, and they took turns touring families through the school. We even had some parishioners stop by to see what was happening and what our school has to offer. How did these families hear about our school? A few were parishioners, some heard about us through our present school parents, and some saw the advertisements that the Federation of Catholic Schools had done for the Open House. We had also sent invitations to all those families that have called and expressed interest in our school. We're off to a good start for 2012-13. **If you know of someone interested in Preschool or Elementary Catholic School for next year, please have them contact us at 741-0400.**

Some of the activities from Catholic Schools Week:

- \* Monday was Spirit Day—Each class participated in a group cheer followed by a demonstration from the Dance Club.
- \* Tuesday School Children Made Sandwiches for the Homeless. They also made Valentine door decorations for the parish ministers to take to home bound parishioners and the area nursing homes.
- \* Wednesday, we had a Special Catholic Schools Week Liturgy.
- \* Thursday afternoon The Incredible Dog Team from Purina Farms in Grey Summit put on a dog show for us.
- \* Friday morning our CLN rock Band II, called Swagtastic, was the lead off band for the visiting Christian Rock Band who came to play for us. Also the school families had lunch together before going back to their classrooms for movies of their choice!

## WILL YOU BE MY VALENTINE?

*A reflection for HEART day:*

*Jesus asks me:*

*“Will you be my valentine?”*

*Which is to say:*

*Will you let me give you my unconditional love?*

*Will you accept my peace for your tired self?*

*Will you receive my mercy and forgiveness?*

*Will you be generous enough to take my love to others when they need you?*

*Will you be bread to my hungry, love to my needy, hope to my desolate?*

*Will you love yourself well and believe in the gifts I've given to you?*

*Will you trust me to always companion you?*

*Will you be my valentine?*

*Take some time today...or this week to reflect on the questions that Jesus is asking you. Look within and find “yes” answers. This is the best way to care for your heart and the hearts of those you love.*

*Happy Heart Day,  
(and please know I hold each of you in my heart)*

ARCHDIOCESE OF ST. LOUIS

OFFICE OF THE ARCHBISHOP

Dear Brothers and Sisters,

I write to you concerning an alarming and serious matter that negatively impacts the Church in the United States directly and that strikes at the fundamental right to religious liberty for all citizens of any faith. The federal government, which was formed to be “of, by, and for the people,” has just dealt a heavy blow to almost a quarter of those people—the Catholic population—and to the millions more who are served by the Catholic faithful.

The U.S. Department of Health and Human Services announced last week that almost all employers, *including Catholic employers*, will be *forced* to offer their employees health coverage that includes sterilization, abortion-inducing drugs, and contraception. Almost all health insurers will be *forced* to include those “services” in the health policies they write. And almost all individuals will be *forced* to buy that coverage as a part of their policies.

In so ruling, the Administration has cast aside the First Amendment to the Constitution of the United States, denying to Catholics our nation’s first and most fundamental freedom, that of religious liberty. And, as a result, unless the rule is overturned, we Catholics will be compelled either to violate our consciences or to drop health coverage for our employees (and bring about the consequences for all in doing so). The Administration’s sole concession was to give nonprofit employers, like hospitals and universities, which do not currently provide such coverage, one year in which to comply.

We believe this new requirement signals a direct attack on our religious freedom. People of faith cannot be made second-class citizens. We are already joined by our brothers and sisters of all faiths and many others of good will in this important effort to regain our religious freedom. Our parents and grandparents did not come to these shores to help build America’s cities and towns, its infrastructure and institutions, its enterprise and culture, only to have their posterity stripped of their God-given right. In generations past, the Church has always counted on the faithful to stand up and protect her sacred rights and duties. I hope and trust she can count on this generation of Catholics to do the same. Our children and grandchildren deserve nothing less.

An, therefore, I would ask of you two things. First, as a community of faith, we must commit ourselves to prayer and fasting, that wisdom and justice may prevail, and religious liberty may be restored. Without God, we can do nothing; with God, nothing is impossible. Second, I would also recommend visiting [www.usccb.org/conscience](http://www.usccb.org/conscience), to learn more about this severe assault on religious liberty and how to contact Congress in support of legislation that would reverse the Administration’s decision.

I call upon each of you to join me and the Bishops of the United States in speaking out on this violation of religious freedom and conscience by contacting your U.S. Representatives and our U.S. Senators. Every Catholic has the responsibility to promote the dignity of human life and religious freedom. If we do not make our voices heard, no one else will. Let us work together to preserve the freedoms our forefathers established in our Constitution!

Sincerely yours in Christ,

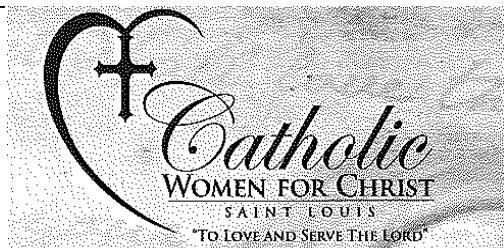

Most Reverend Robert J. Carlson  
Archbishop of St. Louis
