Becoming a Catholic Christian

The parish has a year-round/on-going process to assist adults in becoming Catholic. It also has a special program for older unbaptized children. Both can start any time. Call Deacon George (868-2310) for further information

Sacrament of Marriage

Engaged couples begin preparation for the Sacrament of Marriage at least 6 months before their wedding. Please remember—a wedding date will not be scheduled until the assessment of their readiness for the Sacrament of Marriage has been completed. Contact the rectory for more information. Weddings are not scheduled during the Season of Lent.

Anointing of the Sick

The sacrament is for those having surgery, the seriously ill, the chronically ill, and those near death. If you know in advance that you are going to the hospital, call one of the priests to arrange for anointing at home or church. In addition the sacrament is celebrated at church on the first Saturday of the month after evening Mass and on the third Sunday of the month after 8:00 Mass. It may be repeated as needed.

A PLEDGE TO PARISH LIFE

My parish is composed of people like me. I help make it what it is. It will be friendly, if I am. Its pews will be filled, if I help fill them.

It will do great work, if I work. It will make generous gifts to causes, if I am a generous giver.

It will bring other people into its community, if I invite and bring them.

It will be a parish of loyalty and love, of fearlessness and faith, and a parish with a noble spirit, if I, who make it what it is, am filled with these same things.

Therefore, with the help of God, I shall dedicate myself to the task of being all the things that I want my parish to be.

Celebrating Good Shepherd Sunday

Called to Witness to Human Dignity

JESUS, THE GOOD SHEPHERD, shows us that our lives are to be loving and caring, faithful and trustworthy, patient and understanding. All our relationships with others are rooted in love. Like the Good Shepherd, we lay down our lives for others when we listen to another's opinion instead of stubbornly clinging to our own, when we sow unity instead of the seed of discord, when we gently bring others to honesty about self and how they are living, and when we build others up rather than tear them down. In these and countless others ways each day we incarnate the Father's love.

*"Everyone is **obliged to follow this law**, which makes itself heard in conscience and is fulfilled in the love of God and of neighbor. **Living a moral life bears witness to the dignity of the person.**"*

Catechism of the Catholic Church, 1706

EVERY HOUR OF EVERY DAY giving of ourselves changes lives. The unborn child is spared. A fatherless child finds a safe home. Children are provided the opportunity to attend a Catholic school. The homeless and the hungry find refuge. Our retired priests who poured out their lives for their people are cared for and men are formed as our next generation of priests. These charitable activities - most of all support for the poor - are a bold witness to the love of Jesus, the Good Shepherd. Join me in welcoming to our parish this weekend **Ms. Susan Meyer** from **Cardinal Ritter College Prep High School**. She will speak with us about how the **Annual Catholic Appeal** everyday supports the programs, ministries, and services of the Church of St. Louis. Again this weekend you can **make your gift or pledge in support of the Appeal before or after Mass in the Community Center**.

WE ARE NOW RECRUITING NEW SERVERS for the celebration of Mass in our parish. I encourage all students now completing the **4th grade through high school** to consider this ministry as good way to more actively participate in the Mass as well as to be of service to your parish. I ask all parents and parish members to encourage their children and the young people you know to become servers. We provide training, on-going support, and flexible scheduling. For more information contact **Father Mike** (314-868-2310) or **Linda Brand** (314-388-1244).

WE ARE NOW ACCEPTING NOMINATIONS for our School Board. Information in today's bulletin describes the responsibility of Board members and the needs of our school that nominees will need to address as Board members. Self-nominations are encouraged.

IN OUR CATHOLIC TRADITION the members of a parish freely take responsibility for the needs of every person living within the territory they have been formed to serve. The work of our **St. Vincent de Paul Society** is one way in which this commitment is being fulfilled in our parish.

Recently I asked **Rita Kemna** to summarize the work that has been done to relocate our **Jennings Food Pantry**. Look for her article in today's bulletin. Continue to pray for the poor in our parish and that God will show us what our next steps might be in caring for the basic human needs of the neighbors who live so close to us. As St. Vincent said,
"It is our duty to help the poor know they are friends of God."

4th Sunday of Easter

"It is better to take refuge in the Lord than to trust in man. It is better to take refuge in the Lord than to trust in princes." PSALM 118: 8-9

Too often our society trains us to take refuge in man-made riches. Yet Thomas Merton once wrote, *"There is no poverty so great as that of the prosperous."* Too many possessions can leave us empty—always questing for more things that do not really matter—while we ignore Our Lord.

LITTLE THINGS MEAN A LOT

When it comes to Stewardship it is the little things that mean a lot. We do not have to do great or wonderful things to be 'Good Stewards of God's Gifts'. Simple and small things, like being an usher during Mass, donating our pennies for 'Pennies from Heaven', serve coffee and donuts during our parish Hospitality Weekends or simply praying for one another, are ways that we can demonstrate what it means to practice Stewardship. It is the little things that, when added together, makes for a vital parish. We all can do something small for Stewardship. So, what is your small gift? Share that it with your parish family and see how it grows into something great.

CHRONIC PAIN

HOW TO BEAT IT: PART 2

Let's continue our discussion on chronic pain. We already know that having chronic pain can affect all aspects of our lives, work, activities, sleep, mood, and even relationships. We also know that having the right doctor, being on the right medicine and seeing a physical therapist is the start any person needs when dealing with chronic pain. There are more ways to beat chronic pain, and let's talk about them now.

4. Take a Load Off:

Joint pain is directly affected by pressure from physical activities, which means they can't heal if they are repeatedly subject to the same pressures that caused the injury in the first place. You may need an ergonomic consultation for your work desk or station. This will make sure your desk or work station is organized in a manner so you will not be reaching or stretching beyond your joints abilities. Also, use elastic braces or bandages or even flexible athletic tape to support joints that need stabilized.

5. Dial Down Your Diet:

Many chronic pains we experience, such as arthritis, are inflammatory diseases. Our diet can contribute to inflammation according to many health gurus. They suggest cutting sugar, white flour and chips out of the diet. These foods are high on the glycemic index, which means they flood the bloodstream with sugar which fuels the inflammatory process. Eat foods high in antioxidants, fruits, vegetables and some spices. The richer the color the better. Include with this diet of fruits and vegetables, lean protein and healthy fats and you may get a grip on your chronic pain.

6. Listen to Your Body:

One mistake many people make is to continue, "business as usual" and not realize that our aches, pains and twinges are trying to tell us something. I'm not telling you to stop moving or to stop exercising. Ask your physical therapist to help make adjustments so you don't experience pain with exercise. Maybe you could use a better pair of shoes, or sleep with support pillows at night. Consult with them, they are the experts.

Look for the last part on CHRONIC PAIN in 2 weeks.

Pray the Rosary,
Buffy Modde, Parish Nurse @ HNOJ

Remembering Our Work as Christ the Good Shepherd Closing Our 'Corpus Christi' Food Pantry

OUR PROBLEMS BEGAN in April 2011. Spring storm winds damaged the roof of the school building we were using at the former Corpus Christi parish now being developed by the Alexian Brothers Health System.

We were unaware of the amount damage since the construction team working on the new senior apartments patched the roof the best they could. During the summer after about a week of rain we realized the problem was much worse than we thought.

In September we met with the CEO of Alexian Brothers PACE Program who told us there was no money in their program to repair the roof and that the building was due to be demolished. Clearly it would be a waste of money for anyone to repair it. We were also told that we would need to close down our pantry as soon as possible and they offered to work with us to find an alternative location.

"The laity should visualize their lives with charity and, to the extent of each person's capability, give concrete expression to it in works."

Vatican Council II

The day after this meeting Karen and Kathy Uhlenbrock went to Jennings City Hall to see if they could help us locate a new building. Father Mike and Marty Bligh, president of North County St. Vincent de Paul were notified about the closure. They were very supportive and called for a meeting to explore what next steps we might take including the possibility of property being donated on which we might construct a new building.

We had several meetings with the mayor of Jennings and the Building Commissioner. We followed up on about 20 different sites by phone and by onsite visits. We needed a building that was large enough to store quantities of canned, frozen, and dry foods. Also, we needed adequate space to distribute the food. With one third of our clients walking to the pantry, we needed to be on a major bus line. The other two thirds (about 40 to 50 people) would be driving, so we would need a large parking space.

Most of the buildings in Jennings are located on Jennings Station Road or West Florissant. These are small store fronts with limited space inside. The major buildings – the old Schnuck's store, the old St. Jacob's school, and Hill Behan's old store – were all approached and we were refused.

When talking with the Food Bank we found out that there were 6 other pantries in the Jennings area. We would have to locate our new pantry in an area that was not "too close" to another pantry. On a map these other pantries formed a ring around the Jennings area. Our only possibility would be south of West Florissant towards Interstate 70 and the buildings in that area were not suitable. It was with great disappointment that we were forced to close our pantry permanently at the end of February.

The Jennings Building Commissioner still informs Karen when a building is vacant and she still contacts the owner. We are looking for a very low or rent free site, suitable to the needs previously described. If a site can be found both our parish and the Archdiocesan St. Vincent de Paul Office will actively contribute towards its development. We very much want to do all that is possible to serve the basic human needs of the people living in our parish community.

Christ, Light of the Nations Athletic Association will be having a car wash on Sunday, May 6 from 9:00am to 1:00pm. Bring your cars to the CLN parking lot and let us make them sparkle for spring!!! Thanks for your support!!

WHY IS IT
A man wakes up after sleeping
under an ADVERTISED blanket
on an ADVERTISED mattress
and pulls off ADVERTISED pajamas
bathes in an ADVERTISED shower
shaves with an ADVERTISED razor
brushes his teeth
with ADVERTISED toothpaste
washes with ADVERTISED soap
puts on ADVERTISED clothes
drinks a cup
of ADVERTISED coffee
drives to work
in an ADVERTISED car
and then . . .
refuses to ADVERTISE
believing it doesn't pay.
Later if business is poor
he ADVERTISES it for sale.
