A Pledge to Parish Life

My parish

is composed of people like me.

I help make it what it is.

It will be **friendly**, if I am.

Its pews will be **filled**,

if I help fill them.

It will do **great work**,

if I work.

It will make **generous** gifts to causes,

if I am a generous giver.

It will bring other people

into its **community**,

if I invite and bring them.

It will be a parish

of **loyalty and love**,

of **fearlessness and faith**,

and a parish

with a **noble spirit**,

if I who make it what it is,

am filled with

these same things.

Therefore,

with the help of God,

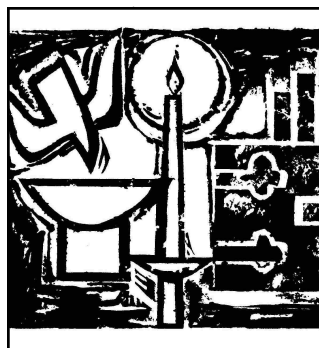

I shall **dedicate myself**

to the task

of **being all the things**

that I want

my parish to be.

ALL PARISH LEADERS AND ORGANIZATION should add this event to their calendars, avoid scheduling other activities during this week, and do all they can to encourage their members to attend and participate in this most important event in the faith life of our community.

Celebrating the Mission and Ministry of Jesus

Evangelization—Person to Person

I WILL BE TAKING SOME VACATION TIME this month to visit with my sister and her family in Las Vegas. Though it's not very likely that I'll be coming back with any kind of new fortune. Remember ... you've got to play in order to win! I do hope to spend some good time with family at home and away while I'm there. I am leaving on July 10th and will return to the parish on July 24th.

Fr. Dave Polek, CSSR, will celebrate weekday Mass at 8:00am as well as cover the weekend of July 14th/15th. There will be 4 days that he cannot be here for Mass. On those days our **Deacon George Watson** will preside for a **Communion Service at 8:00am**. There will be **no 6:30am Mass during this time**. Please check the bulletin for each day's schedule for worship.

Fr. Thomas Singer, OMI, an Oblate priest from Our Lady of the Snows, will be here on the weekend of July 21st/22nd to preside for Mass and to preach. He will be speaking on behalf of the Christian Foundation for Children and Aging. There will not be a second collection, but he will invite our support for the work of this organization. If you'd like to know more before he arrives, visit CFCA online at www.hopeforafamily.org.

Christian Foundation for Children and Aging

IS A LAY CATHOLIC mission organization that has served more than 600,000 children, youth, and elderly in 22 developing countries since 1981—empowering them to make more choices in their lives, live with dignity, and reach their full human potential.

"Jesus Christ ... is concerned with the whole person ... the basis for the missionary aspect of the church's social doctrine, which is an essential element of evangelization."

Pope Benedict XVI, Charity in Truth, 15

While I'm away I have extended an invitation to **Fr. Thomas Singer, OMI** to come to our parish. He will speak with you about the work being done by the Christian Foundation for Children and Aging. One of our own archdiocesan priests, **Fr. Richard Tillman**, spoke here on their behalf several years ago. I believe that CFCA provides a trustworthy way for us to actively participate in the social outreach of the Catholic Church and answer the Gospel call to serve the poor.

CFCA's **unique sponsorship program** is **highly personalized**. It matches a child, youth, or aging person at a project overseas with a sponsor in the United States who cares about and encourages them. For about a dollar a day, a sponsor helps to provide much-needed nourishing food, medical and dental care, the chance for a child to go to school, livelihood programs for families and much more.

All of these efforts are directed at **affirming the dignity of every person** in their local community. Please do all you can to welcome Father Singer to our parish and to support the mission and work of CFCA.

SEVERAL WEEKS AGO I ENCOURAGED EVERYONE to have a good summer. If you're traveling, **bring back with you the experiences** you have visiting and worshipping with other Catholic parishes. I'd love to hear your stories. Bring a copy of their bulletins home with you too. Please also **remember to maintain your financial support for our parish** during the summer, especially if you're away. It's essential for the continuation of our pastoral services and maintenance of our parish facilities.

Protecting Religious Liberty

Keeping Abortion Out of Our Health Plans

Missouri Governor Jay Nixon has until **July 14th** to decide whether to sign or veto **SB 749**. This bill makes sure that no one is forced to pay for abortions or contraceptives in their health insurance plans. Contact the governor today. Tell him abortion is not health care and you don't want to pay for it in your health plan.

Urge him to sign SB 749. Call Governor Nixon at 573-751-3222 or visit <http://governor.mo.gov/contact/>.

SB 749 requires insurance companies to let people know up front whether a proposed policy includes coverage for abortions and contraceptives. If people object on moral or religious grounds, the insurer must exclude these items from the customer's health plan.

Though the courts may rescind or hold invalid the recent mandate of the US Department of Health and Human Services, the passage of SB 749 is still necessary, if the rights of consumers with moral or religious objections to such coverage are to be protected. Without this law insurance companies can still refuse to write a policy that excludes these products and services.

TREASURES FROM OUR TRADITION

Does the scene of the disciples being sent out two by two bring to mind any other scripture? After the flood, Noah opens the door of the ark and sends his passengers out to renew the face of the earth. Certainly, Jesus has the same purpose. The purpose is fulfilled in your communion in the Body of Christ today, and in your being sent from the Eucharist into the world. The sending is so important that our word "Mass" derives from it. In Latin, the last words of worship are *Ite, missa est*, which means "Go, you are sent." From that, people began to call Catholic worship the *missa*, or in English, the "Mass." Our English words dismissal, missal, emissary, and mission are all related. We are not sent into the workaday world alone, but in relationship to one another. Some people have acquired the unhappy habit of leaving worship as soon as they receive Communion and therefore miss the prayer, the dismissal, and the solemn blessing that are essential parts of the Mass. The dismissal is a seal on our Communion and reveals its purpose. Thanks be to God!

- One in 10 people entering the hospital needs blood.
- Approximately **38%** of the population is eligible to donate blood, of those eligible, only a small percentage actually give blood.
- In the United States, someone needs a blood transfusion about every 2 seconds.
- The average adult body contains 10-12 pints of blood.
- **There is no substitute for human blood, it cannot be manufactured.**
- Almost everyone will know someone who needs blood.
- Blood is often needed for traumas, heart surgeries, joint-replacement surgeries, organ transplants, premature babies, leukemia and cancer treatments and so much more.

FREQUENTLY ASKED QUESTIONS

Q. What medicines would prevent someone from donating?

A. In most cases, it is the condition for which the person is taking the medicine(s) that causes him or her to be unable to give blood, not the medications. Usually, if the condition is under control the day of the donation, the person is eligible to donate. This includes medicines for high blood pressure and diabetes.

Q. What age do I have to be to donate blood?

A. Donors must be at least 17 years old. In Arkansas, Illinois, Kansas, Missouri, and Tennessee, 16 year olds may donate with a completed Parental Consent Form. **There is no upper age limit on donating.**

From Father Mike - On a Personal Note

Parish Vision & My Vision as a Pastor

Since our founding as a parish in 2005 I have valued and continue to explore **Friendship in Christ** as a way of knowing who we are and why we are here as a parish. I see this in our parish whenever I experience us **enjoying** each others' company, **striving** to bring the best out of each other, and **sharing** a commitment to a common good outside of ourselves. Whenever these activities are clearly characterized by gospel values, service, public worship, and community, then Christ is present among us for our good and the good of others.

So as pastor I promise to use my knowledge of leadership and understanding of organization to **encourage** and **empower** parish leaders to establish a strong, lasting **Catholic presence** in Northeast Saint Louis County. We can do that by cultivating **mission-related partnerships** with other groups that will keep a vibrant parish at this location for the next fifty years. Let's pray for each other to have the wisdom, patience, and courage for the work this vision will require of us.

Preparing for the Selection of a New Parish Pastoral Council

This past February I began meeting with a small group of parishioners with the hope of sponsoring the development of a new Parish Pastoral Council. This Council will be an **essential leadership group** to ensure a continuing **Catholic presence** in the communities we serve and in our commitment to the **long term viability of our parish**.

At present we are talking about the **role or purpose** of the Council in our parish and its **responsibilities**. It is my hope that these will be finalized by the end of the summer. We've also been discussing the **expertise** and

experience we think we need for this Council to be an effective leadership group in the communities we are here to serve.

Please share your ideas with any member of the Core Team working on this project. Your insights are important for us to know.

the Church may be the

of that saving unity."*

Lay Advisory Councils in the Catholic Church

Lay advisory councils are **required** or **recommended** by the Church for all parishes of the Archdiocese of St. Louis. All Catholic pastors are strongly encouraged to use such councils as **effective means of consultation with the laity** and **of participation** of

God's people in **decision making that affects their well-being**.

Laity have the **right** and the **responsibility** to participate in **the governance of the Church** by means of lay advisory councils.

General Timeline for This Project Sponsoring a New Council

We are in the **Preparation** phase of this project now and hope to have selected candidates for membership by early this fall. Once the members have been chosen we will **Convene** the Council in late fall, providing them with the **Formation and Support** they need to organize themselves and their work of leadership in our parish.
