Saturday, **February 23rd** through Thursday, **February 28th** 

This very special time of preaching, prayer, and spiritual renewal will be led by **Fr. Pete Schavitz**, a Redemptorist priest.

From the Desk of Father Mike - Celebrating the Power of Great Love Be Grateful, Be Generous

**THE VITALITY OF EVERY PARISH** depends on three things: its members **pray**; they **participate** in activities and ministries that create community and make a difference in the lives of those in need; and they **financially support** the parish programs and services that make this possible.

Every year I invite and encourage every parish member and every family to renew their **commitment to begin good stewards**. For Catholics stewardship is a way of life based on three principles:

- Everything we have is a gift from God all we have and are.
- We need to take time to be grateful for what we have God will provide what we need.
- We need to develop our gifts and give back with increase -God wants us to know the joy of giving.

"The Son of God loved me and gave himself up for me.

By suffering for us he not only gave us an example so that we might follow in his footsteps, but he also opened up a way.

If we follow this path, life and death are made holy and acquire a new meaning."

Gaudium et Spes / Joy and Hope 2nd Vatican Council, 1962-1965

I encourage you to listen carefully to the stewardship talks being given this weekend at Mass. Let the witness of another parish member inspire you to think about your own stewardship. Then recommit yourself and think of how you will encourage the commitment of someone else.

#### **Short Notices**

Make an extra effort this week to invite your family, friends and neighbors to our **Fall Festival & Homecoming** next Saturday.

If you know of someone interested in **Becoming Catholic or Returning to Church**, let me know or encourage them to give me a call.

#### **Catholics Care - Catholics Vote**

We vote because we are citizens. But we vote conscientiously because we are people of faith. Our consciences are formed through studying Scripture and the teachings of the Church, examination of the facts, and prayer reflection. I encourage your participation in the political conversations now underway. While there are many issues before us, every issue is not equal. As you respond to others, as you make your choices, keep these principles in mind.

- ► Issues that directly affect human lives - such as aborition and euthanasia - are fundamental and demand serious consideration.
- The growing disparity between rich and poor mean most of the world's resources are in the hands of a small percentage of its people. The federal budget is a moral document and must prioritize the poorest and most vernuerable amoung us.
- ► Our Constitution heralds religious liberty in the First Amendment, yet increasingly people of faith are having to fight to retain this baisc right.
- ► The millions of undocumented persons living in the United States deserve our compassion. There is an immigration problem, and we need a humane solution to it.
- ► There is a move in the nation to redefine marriage. Marriage between a man and a woman is the foundation of the family and an essential core element of a flouirishing society.
- ► War, terror, and violence have caused thousands of lost lives.
  We must work of just solutions to conflict in the Holy Land, throughout the Middle East, and beyond.

"Whoever wishes to come after me must deny himself, take up his cross, and follow me." (MARK 8:34)

When we truly believe that all we have is a gift from God, then we must be willing to deny ourselves some things so that we can share our blessings as God intended them to be shared.

Religious Liberty in The Public Square: This is the theme of the Missouri Catholic Conference's 2012 Annual Assembly. The Assembly will be held Saturday, October 6 at the Missouri State Capitol in Jefferson City. Baltimore Archbishop William Lori will be the keynote speaker and there will be workshops on a variety of current issues, including the new health care law, school choice, the influence of money in politics and how church-state relations were shaped by early founders like Thomas Jefferson. Registration is free and lunch is free. The day ends with a Mass concelebrated by the bishops of Missouri. To register visit Mocatholic.org or call the MCC at 1-800-456-1679.

TREASURES FROM OUR TRADITION

Although New Year's Day has been fixed firmly on January 1 for several hundred years, Labor Day has the feel of a great dividing line between leisure and routine. The pace of life has since picked up, and new schedules and commitments crowd in. In the background is God's call to consider our schedules, the third commandment, still life-giving and binding, to make holy the Lord's Day by worship and rest. Jews see the Sabbath, Saturday, not so much as a day of worship, but a day of rest, a day of renewing friendship with God by delighting in the beauty of creation and the joy of family and friends. It is a day for contemplating the wonders of God's creation, but not disturbing it. For Christians in the first three centuries, the Lord's Day, Sunday, was not for rest, but worship. It was a regular work day. People met before dawn, and after Eucharist hurried off to daily routines. Today we come to Mass, but many hurry off to essential work, and not a day of rest. The Lord's Day is not the Sabbath, but we can enhance Sunday's ability to transform us if we consider embracing some Sabbath values: having a family meal, going for a walk in a beautiful place, making room in our lives to open ourselves more fully to holiness of life in Christ.

September 23, 2012

Dear Friends in Christ,

As you know, our beloved Catholic faith is currently facing very serious challenges from the U.S. federal government. As Americans, religious liberty is our first, most-cherished freedom. At the same time, there are new threats to our conviction that every human life from conception until natural death must be respected. For these reasons, we implore Our Heavenly Mother's blessing upon our great nation in our time of need.

I warmly extend an invitation to you to participate in a special upcoming event, "*National Day of Prayer in Honor of the Blessed Virgin Mary*," being held at the America's Center, downtown St. Louis, on Saturday, October 6th. The purpose of this spiritual gathering, hosted by the *Family of Mary*, is to unite people from all over the country in prayer and the sacraments, and to seek the Blessed Virgin's maternal blessing on the United States of America. This day is especially significant, as it will take place on the eve of the Feast of the Most Holy Rosary and whenever people have taken refuge in Mary she has intervened and brought victory through the power of the Rosary.

For more information, call (314) 884-1046 or visit: www.mariandayofprayeramerica.com.

Sincerely yours in Christ,

+ Slolery Culom

Most Reverend Robert J. Carlson Archbishop of St. Louis

## What Does Your Blood Pressure Reading Mean!!!

Thank you to our parishioners who utilize free blood pressures on hospitality Sundays. Sr. Rose and I enjoy the opportunity to educate and inform many of you of the benefits of having your blood pressure checked regularly and taking advantage of this free service. Let's look at all the different categories a blood pressure can be put in:

- Normal Blood Pressure, readings above 90/60 and below 120/80 are considered to be normal for most adults.
- Hypotension (Low Blood Pressure), readings at or below 90/60 usually indicates low blood pressure or hypotension. If you are on medications for your blood pressure and you have a blood pressure this low, your medication may be working to well and may need to be adjusted. A blood pressure this low is normally not a concern, unless you experience dizziness, fainting, nausea or fatigue with it.
- Severe Hypotension (Very Low Blood Pressure), reading below 80/60 could indicate a new, serious heart problem or an infection. Some endocrine (think hormones) and neurological (nerves, the 5 senses, etc.) conditions can also cause very low blood pressure. If you have this low of blood pressure and are healthy and feel fine, this may be normal for you.
- Pre-hypertension or High Normal, readings between 120/80 and 139/89 usually indicate pre-hypertension or high-normal, indicating you don't have hypertension but your blood pressure is higher than what experts consider optimal for most adults.
- Stage I Hypertension, readings between 140/90 and 159/99 usually indicates that the force of the blood pressure in your arteries is higher than normal and this puts you at increased risk for life threatening problems such as heart attack or stroke. Blood pressure in this range can also cause organ damage to the heart and kidneys.
- Stage II Hypertension (High Risk), readings between 160/110 and 180/110 puts you at high risk for a heart attack or stroke. If you are not on medication, see your doctor as soon as possible. If you are on medication for your blood pressure, see your doctor as soon as possible and have your medications adjusted.
- Hypertensive Crisis (Emergency Care Needed), readings above 180 systolic (upper number) and 110 diastolic (lower number) puts you in the highest risk category for heart attack, stroke or other acute life-threatening problem. This reading and higher requires emergency care.

Please have your blood pressure checked on a regular basis. Sr. Rose and I are available every month, you see your doctor every 6 months to a year, you do the math!

Our Lady of Sorrows pray for us, Buffy Modde, Parish Nurse @ HNO!

## DID YOU KNOW THAT CLN HAS ITS OWN ZUMBA CLASS?

Zumba class is open to all school parents and parishioners of our school. There will be a three week class beginning September 11 which will run 9/11, 9/18, and 9/25. Cost for the three week session is \$12.00 cash paid the first night. Class is one hour from 6:30-7:30. All classes will be held in the school cafeteria.

Then beginning October 2, there will be a 6 week session. Again the class will run from 6:30-7:30 and will run the weeks of 10/2, 10/9, 10/16, 10/23, 10/30 and 11/6. Again classes will be in the school cafeteria.

## INTERMEDIATE GRADES BLAST OFF WITH MATH

The third, fourth and fifth grade students are working hard to master their addition, subtraction. multiplication and division facts. At the beginning of class a couple times a week, students take a timed test. Each timed test is labeled with a letter of the alphabet. If they complete all forty problems correctly in the sixty second time allotment, students shade in that letter on a rocket that they keep in their folder. This helps them keep track of the timed test they are currently on. Then they proceed to the next letter of the alphabet. The tests become more challenging as they progress through the alphabet. When they pass all the tests through "Z", they earn a free dress down day. They are then ready to move on to the next operation. Mastering their math facts makes their daily lessons so much easier. Remember, practice makes perfect!

#### ARCHDIOCESE OF ST. LOUIS

OFFICE OF THE ARCHBISHOP

September 2012

Dear Brothers and Sisters in Christ,

Thank you for your support of the 2012 Annual Catholic Appeal. Our celebration of another successful Appeal is a result of your generous response to people in need. Because of your stewardship, and because of the tireless work of our many volunteers, the Church can respond with love to those who approach Her for help.

Your generosity to the Annual Catholic Appeal has a positive impact on people all across the Archdiocese and keeps our community *Alive in Christ!* Now, on this Stewardship Sunday, I invite you to renew your generosity to your own parish by spending time with God in prayer, participating in your parish ministries, being generous with your first fruits of treasure and, through God's grace, experiencing the Joy of Giving!

As it says in 2 Corinthians 9:6-7, "The point is this: he who sows sparingly will also reap sparingly, and he who sows bountifully will reap bountifully. Each one must do as he has made up his mind, not reluctantly or under compulsion, for God loves a cheerful giver."

Generosity is a hallmark of Christian stewardship. The church was built on the generosity of past generations and our generosity is needed for future generations. Just as we learned in the parable of the Good Samaritan, a true steward gives without expecting anything in return.

Everything we have belongs to God. Through stewardship, we are asked to return a small portion of the gifts God gave us. We are asked to develop and nurture these gifts and generously share them. As Christians, we not only accept responsibility for our own lives, but also for the lives of others.

So how do you know what God wants you to share? No chart or graph can answer this question. You can only know by being in close communication with Him. I urge you to pray and listen for His guidance. Ask God, "Lord, how would you like me to be more generous with the gifts you have given me?" Then trust that God will provide all that you need.

May God bless you and your families for all that you do.

Sincerely yours in Christ,

Most Reverend Robert J. Carlson

Archbishop of St. Louis
