Celebrating the Blessing of Someone's Faith in Our Lives

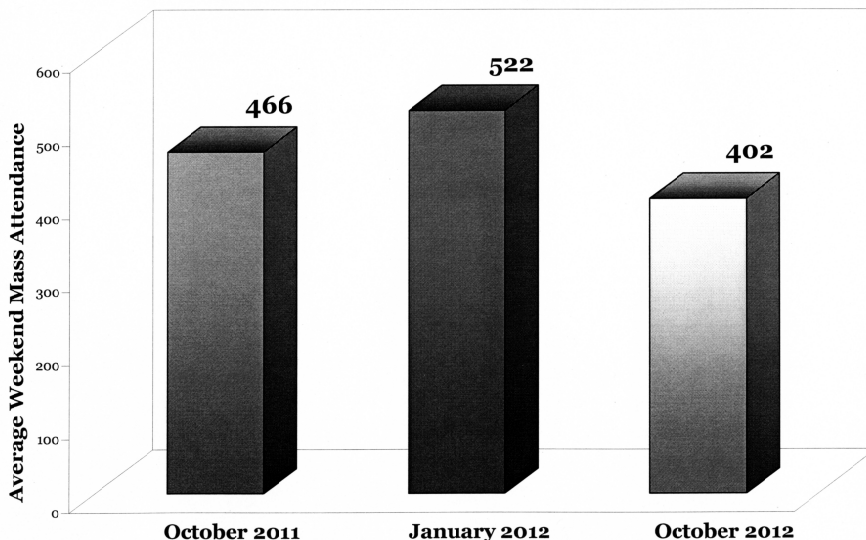

Take Courage - Jesus Is Calling

WE ALL SUFFER FROM SOME KIND OF BLINDNESS. At times our blindness may be physical: cataracts, tears, or simply the darkness of shorter days. It may also be psychological, such as close-mindedness or fear. Today's gospel reminds us that if we are willing to ask Jesus for "sight" or "insight", the request will change our lives. We will find ourselves no longer sitting by the side of the road waiting to be helped, but walking with determination on the journey with Jesus - bringing sight to others. Take some time today to consider how seeing your shortcomings, listening to the challenging viewpoint of someone else, or finding something good in a seemingly hopeless situation has improved your vision - of yourself, others, and God. And remember this. Jesus met the blind man where he was on his life's journey, and from that moment - one step at a time - they went forward together.

BISHOP EDWARD RICE WILL CELEBRATE Mass with us on Sunday, **November 11th at 10:30am.** During Mass we will also celebrate the **Sacrament of Confirmation** for the children from our school and from other religious education programs serving our parish families. I encourage you to warmly welcome and be as helpful as possible to the visiting relatives and friends of our own parish members and parishioners from Our Lady of the Rosary Parish. Continue to pray for these children, their families, and our parishes to grow in faith.

LAST WEEK WE COMPLETED ANOTHER COUNT of the number of people who attend Mass in our parish - one way we have to know how well we've been encouraging inactive Catholics to return to the Church. In January we found a 12.0% increase in attendance compared to last October. However, this month shows a 13.7% decrease from a year ago. During the coming weeks I will be working with parish leaders to better understand this change and what we may need to do. I know that our Parish Mission in February will be a great opportunity for each of us to grow in faith and to strengthen our relationship with Jesus Christ and the Church. But, **every active member needs to find some way to invite and encourage our inactive members to take another look at practicing their faith.** Our Mission Committee will help with this as will God through daily prayer.

30th Sunday in Ordinary Time

"Immediately he received his sight and followed him on the way." MARK 10:52

Sight is just one of the many gifts that God has given to us. Like all of our basic senses and talents, sight is a gift we often take for granted. We pat ourselves on the back for our accomplishments, forgetting that whatever we do, we do with the gifts that God has given to us.

STEWARDSHIP, TIME TO PROGRAM YOUR LIFE

We all are so busy these days. Many of us meet ourselves coming and going with not enough hours in the day to complete our 'to-do' lists. Yet, God continues to be with us even though we may, during our busy day, and not give God a second thought for helping us through our 'busy' day. If this is you, stop and consider taking the time to program or re-program your life so that Stewardship is at the top of that 'to-do' list. The beauty of Stewardship is that it only takes a small amount of your time. Sixty minutes, one hour or 3,600 seconds out of your week, is all it takes to participate in a parish ministry. So, either program or re-program your life to include participation in Stewardship. As the Scripture instructs us to: ***"Do not merely listen to the word, and so deceive yourselves. Do what it says"***. – James 1:22 - New International Version 1984

Thank you for all the frozen containers of soup, stew, and chili that you returned this past weekend. See you again next month!

TREASURES FROM OUR TRADITION

"What is the Church if not the assembly of all the saints?" wrote the fifth-century bishop Niceta. Each Sunday, in the Profession of Faith, we express our belief in the communion of saints, the one body—with Christ as its head—made up of "those who are pilgrims on earth, the dead who are being purified and the blessed in heaven." We are not alone! The preface for All Saints begins, "For today by your gift we celebrate the festival of your city, the heavenly Jerusalem, our mother." What astounding words! All Saints Day (like every solemnity) is nothing less than the festival of the fullness of the paschal mystery, our dying and rising in Christ. Of course, now in autumn the mystery comes "clothed" in glorious autumnal garb, and so we celebrate our Easter faith with signs of the harvest, signs of nature's dying, signs of the "homecoming" that happens naturally when the weather gets cold and families find themselves together more often. While the dying can point to our own mortality, the homecoming reminds us of the mystery of our own resurrection with Christ.

A **Mass for Healing** will be celebrated here at Blessed Teresa of Calcutta, on **Wednesday, Nov. 7th @ 7pm.** During the celebration, Fr. Rosy and a number of prayer teams will pray over anyone who seeks prayer for healing. While on earth, Jesus taught, healed, delivered, and commissioned all the baptized to do the same. Please come with your own needs, to pray for someone else, or as intercessor for those who are being prayed with. **For more info, phone Ralph Vossmeier 314-867-7789.**

Grace will be here this weekend in the back of church selling TWB Certificates after all Masses.

PLEASE turn in all the box tops and labels you have been collecting for school. Grace needs to count and mail by November 1st. Thank you for supporting Christ Light of the Nations School!

COLD & FLU IN SOMEONE WITH ARTHRITIS!

Everyone is more prone to getting sick when chilly weather brings people—and their airborne, surface clinging germs—closer together. But people with inflammatory types of arthritis, like rheumatoid arthritis, face added risk. That's because both the disease and certain therapies to treat it—like biologics and corticosteroids—interfere with the normal workings of the immune system, which offers protection from cold-and flu-causing germs. This can make people with arthritis more vulnerable to pneumonia.

The following are myths and facts about cold and flu in the arthritic person.

MYTH OR TRUTH?

- Drinking water prevents sickness: **TRUTH**--It can't flush viruses, but it keeps you hydrated.
- Zinc lessens cold symptoms: **JURY'S STILL OUT**--For every clinical trial that shows zinc shortens colds if started within 24 hours of the cold starting, there is a clinical trial that finds it has no effect on the cold.
- Echinacea fights colds: **MYTH**--Not many studies find that this is helpful and herbal supplements can interact with arthritic drugs.
- To help prevent colds, walk in the sun: **TRUTH**--Getting moderate physical activity and vitamin D, which is produced from exposure to the sun, helps fend off seasonal sicknesses.
- Loading up on vitamin C can ward off colds: **MYTH**--Many studies have disproved this.
- You can catch a cold through your eyes: **TRUTH**--Tear ducts are connected to nasal passages, so viruses can enter through your eyes.
- Flu shots are not safe if you have Rheumatoid Arthritis: **MYTH**--They are safe and effective.

FEDERATION SCHOOLS WORK TO PUT THE "FUN" IN "FUNDRAISING"

It's no secret that finances can be a challenge for Catholic schools. Even with the generous gift that each parish gives for the support of our schools, there is always a need for more funding. Several of our Federation schools have recently held successful school fundraisers that have the added (or even more important) benefit of bringing the school community together for some FUN!

Some examples of fun and successful fundraising that Federation schools have benefitted from include:

- Tapping into the generosity of local restaurants who will often designate a portion of sales on a particular evening to a school. For example, St. Angela Merici School had a great time at McTeacher Night (at McDonalds). According to Mrs. Kaufmann, school principal, this is a great social event of the month. The school raised over \$700 at their September McTeacher night. The students love to see the teachers. It is a great place where parents and teachers simply enjoy each other's company.
- Walk-a-Thons are also popular events that engage the students in a fun activity while raising funds for the school. St. Angela Merici held their 7th Annual Walk-a-thon on Saturday, September 29. Many students earned the right to be on the school's Walk-a-thon Hall of Fame by walking 50 or more laps around the field. The school met its \$7,500 fundraising goal and earned an extra day off school! St. Rose Philippine Duchesne School held its 2nd Annual Walk-a-Thon for students during ITBS testing week September 17-21. Students had a chance to get some fresh air and exercise by walking laps on the school field during gym classes and recess periods that week. Together as a school they walked over 1,400 miles and raised \$2,500 for the purpose of renovating the restrooms in the school's main lobby.

Many more creative fundraisers are held regularly at each of the eight Federation elementary schools. Look for more examples in future newsletters.

MAKING THE MOST OF PARENT-TEACHER CONFERENCES

The school year is in full swing with most schools having completed their first quarter and first report cards coming out soon. It's the time of year when parent-teacher conferences are being scheduled and the

Federation's Learning Consultant Professional Learning Team has posted a brief video resource that can help parents prepare to get the most out of this important communication opportunity with their child(ren)'s teacher(s). You can view the video at www.FederationofCatholicSchools.org—click on the **Parent Resources** tab.

SHARING THE GOOD NEWS OF OUR NORTH COUNTY CATHOLIC SCHOOLS

The Commission on Marketing and Advancement for the Federation continues to seek innovative ways to promote the availability, affordability and quality of Catholic education available to North County families at our eight elementary schools. Here are some examples of how we are spreading the good news:

- The *St. Louis American* newspaper featured a brief article on the availability of quality, affordable Catholic education in North County in its Private Schools edition in newsstands Oct. 18-24.
- Throughout December and January you will notice outdoor posters at bus stop shelters along Lindbergh promoting the Catholic Schools Week Open Houses at our schools on January 27, 2013. Point these signs out to your family and friends and share why you support Catholic schools—either as a parent or a parishioner!

ALIVE in CHRIST! MISSION MOMENTS:

October is Respect Life Month, which each school recognizes in a special way. For example, Sacred Heart students participate in the Spiritual Adoption Program sponsored by the parish Pro-Life Committee. This program allows the students and teachers to save unborn babies and help mothers make the right choice through intercessory prayer. The students say a brief prayer daily for the rest of the school year to support and strengthen these mothers. Later in the spring they have a baby shower to help support the mothers and babies at Birthright.

Connect with the Federation online to get regular updates about our schools in your e-mail inbox. Learn more at www.FederationofCatholicSchools.org or contact us by e-mail at advancement@FederationofCatholicSchools.org.

MUSIC **at HOLY NAME OF JESUS**

There are opportunities for every parishioner at Holy Name of Jesus to praise God in song. First and foremost is Congregational Singing. Our parish does this exceptionally well whether led by our choirs and instrumentalists, the Chris-Tones, our Youth Group, or organists and cantors. Some parishioners choose to devote more time and energy into music ministry out of a love for singing to our Lord or at the encouragement of others. If you have been gifted with the ability to match pitches (prerequisite for all Choirs) or someone has suggested that you sing well, here is a nudge. Consider singing with one of the following Choirs. There is a wide variety of voice types and amounts of time commitment involved. The time spent in rehearsal is enjoyable and rewarding. At least one is suited for you, really.

Holy Name of Jesus Choir – sings one Mass every weekend (with few exceptions), all Holy Days and some holidays. Rehearsals are Wednesdays at 7:00 pm. Open to high school age and up.*

5th Sunday Choir – sings one Mass on a weekend when a 5th Sunday occurs. There are typically 4 one hour rehearsals on varying dates during that particular month. Open to all parishioners who wish to sing in a Choir but find it impossible to commit to the twice weekly schedule of the Holy Name of Jesus Choir.*

Holy Name of Jesus and Our Lady of the Rosary Children's Choir – sings one Mass each month (except in Summer) alternating between the two parishes. Rehearsals are Tuesdays at 5:30 pm. Open to children in 4th thru 8th grades.*

*These Choirs provide musical leadership and congregational support. They often enhance liturgies with harmony and liturgically or seasonally appropriate anthems.

New Life (Funeral) Choir – sings for Funerals and Memorial Masses usually with two or three days notice. This Choir demonstrates the corporal works of mercy in their ministry to grieving families and are a representation of the Parish's prayers and support. There are no rehearsals. Open to all.

Please considering using your talent for and love of singing in one of the Choirs. You will be glad you did and happily welcomed! I am pleased to answer any questions you may have. Also, if you know someone who sings well, encourage them to join, or better yet, join together!
