## Celebrating Jesus' Call and Command of Unselfish Love

### Give Glory To God

**ONE OF THE HARDEST THINGS** for us as Americans to give up is the curious distinction we've invented between the **"deserving"** and the **"undeserving"** poor. We hear in today's Gospel, *"I give you a new commandment: love one another. As I have loved you, so you also should love one another. This is how all will know that you are my disciples, if you have love for one another."* (Gospel of John 13:34-35)

There are many kinds of **self-sacrificing love**. There is **honest love**, where someone finds a briefcase of money and turns it in to the authorities rather than keeping it. There is **caring love**, where a stranger helps someone who trips and falls. There is **tough love**, where parents hold the line in the face of a youth's destructive behavior. There is also **compassion love, forgiving love, healing love, tender love, just love**. Any and all forms of self-sacrificing love give glory to God.

Somehow most of us learn during our lifetimes that **no one is "undeserving" of love**. Before my father died he made clear to each of his seven children that we should *"never forget the poor of India"*. After living with them for four years during World War II, experiencing their lives and how much they wanted to come home with the American troops, these **"outsiders"** had made their way **"inside"** his mind and heart.

After that, even if he wanted to forget, he could not. And through all of our growing up as well as at the time of his death, he made sure that we clearly and carefully learned that the **"Human family"** was always more important than the **"Henning family"**.

*We encourage you to take time today  
to make your gift or pledge  
in support of this year's Appeal.*

*No gift is too small. Experience the joy of  
being a part of the good work of our Church!*

*Jesus'  
new commandment is  
that we live by Jesus-love  
which demands  
a total giving of self and  
is the only love  
that brings God glory.*

### The Door of Faith is Always Open

**"Whatever you do for one of these least of mine, you do for me."**

Every year our Annual Catholic Appeal demonstrates the strength and solidarity of our Church. Together, all Catholics of the Archdiocese unite in a **common mission of service**. Your participation **supports all that is good about our Church and our parish**. Your sacrificial giving creates a **stronger and more vibrant Catholic community**.

Please welcome to our parish this weekend **Deacon Corey Nelson** who will speak about how the Appeal benefits Kenrick-Glennon Seminary through the support it provides for the education and training of seminarians for the priesthood. Corey is studying for the Diocese of Bismarck, North Dakota, and will be ordained this spring.

### Gifted and Called to Serve the People of God

This summer we will be adding new members to our **Parish Finance Committee**. We need to develop a financial plan for the future of our parish in order to continue to serve our parish members and parish community well. Before looking outside of our parish for the skills and experience we need, Father Mike would like to speak with any parishioners who may be interested in serving on this Committee or anyone you would like to suggest to him.

**TREASURES FROM OUR TRADITION**

Frequent fliers today have many ways to accrue air miles, so one doesn't always have to endure long hours in cramped seats to earn free hours in cramped seats. In St. Paul's day, there were no such perks, nor would there have been any legal system for him to protest the shipwrecks he endured. He had other rewards in mind. The churches that he established in the catalogue of cities from today's first reading must have been very different from one another.

Language, culture, customs, religious history, obstacles to community, social challenges, the places where they met, their clothing, their bread and wine, all distinct, particular to the area.

There were social customs as well: in a Christian household, the only place where a slave would be able to stand legally as an equal with the master would be at the table of the Lord, because at that table a new world of reconciliation was imaged. While Paul revered local customs, he was relentless about challenging the ways that people lived their Christian lives and how their worship reflected them. It is much the same today, as a global Catholic Church seeks to respect local customs and culture, allowing for differences in many things, yet always giving expression to the underlying presence of Christ, who binds us all together into his body.

A parishioner from Mary Mother of the Church, Karen Weis, has recently published a book for those grieving the loss of a child. If you know of someone that could benefit from a book on this subject matter you can go to her website, [www.lulu.com/spotlight/karenweis](http://www.lulu.com/spotlight/karenweis) to preview the book. The title is, **I'll Cry to Understand...a piece at a time**. It is a faith based book and gives a realistic look into grieving. If you have any questions you can call her at 314-849-8761 or reach her at [story4nate@gmail.com](mailto:story4nate@gmail.com)

**DID YOU KNOW?**

*Mass is held every Tuesday 10am at the Missouri V.A. Nursing Home chapel. It is located on 10600 Lewis & Clark (the first light south of Christian Hospital, on Hwy 367). As we approach Veteran's Day, join us weekly as we celebrate Mass with those who know what it means to serve.*

Most of the time when I sit at my computer to write my weekend's bulletin article, I have no idea what to write about. I'll look at recent medical articles and decide what may interest or be beneficial to the parishioners. Sometimes it takes awhile and sometimes the idea comes right away. For this week's article, it took opening an email from Mississippi Valley Regional Blood Center, asking for an urgent need for O-negative blood in Boston. This caused me to think about the emergent events that have happened over the last couple of weeks. From the tornado 2 weeks ago, to the Boston bombing, to the tragic fertilizer plant explosion in Texas, to a horrific accident of a runner from St. Louis being hit by a car while on her morning run in LA and now she lays in a coma with only half of her family at her bedside.

Our first response when we hear of these things or someone shares that a personal friend or family member was involved in one of these traumatic situations is to say we will pray for them. And that is all good and powerful and comforting and it heals souls, but sometimes we have a need to do a little more. Sometimes we have to step away from our comfort zone and sacrifice a little. After all, when it comes to clinging to life in the hospital, or losing a limb because of evil in the mind of someone, can we really say it is a big sacrifice?

Do something good! Step out of your comfort zone and make a difference. Make a sacrifice that you never thought you would make. Please see the bulletin regarding Holy Name of Jesus' blood drive on May 18th.

Buffy Modde, Parish Nurse @ HNJ

### MARCH/APRIL CHALLENGE TO FEED THE HUNGRY!

The 16th Annual Feinstein Challenge has a \$1million fund available to help feed the hungry. Agencies that collect cash, checks or food items (valued at \$1 per item) through April 30th will receive a minimum of \$250.00 based on what is collected as a direct result of this challenge. The St. Vincent de Paul Society is asking parishioners to place food item donations in the containers at the entrances to church. Cash and check donations in envelopes marked "2013 Challenge" can be dropped in the collection basket or at the parish office. We received 200 cases of can food from the Boy Scout Drive. We are in great need of dry food items like boxed dinners, rice, potato and pasta side dishes, stuffing, shells & cheese, hamburger helper, peanut butter, applesauce, fruit cups, etc. We must submit the amount of money and food collected to the Feinstein Foundation ([feinsteinfoundation.org](http://feinsteinfoundation.org)) by May 11th. God bless you for your continuing generosity toward helping us help people in need in our community.

Holy Name of Jesus and Mississippi Valley Regional Blood Center are teaming up to hold a blood drive on **Saturday, May 18th**, from **9AM – 1PM** at Holy Name of Jesus Parish Community Center. Here is one thing I would like you to think about; **donating blood has no age cap. If you are unsure if you can give due to medications you take, please stop by to be interviewed by the nurse.** Please consider donating and possibly saving someone's life. **It only takes an hour. You must have a picture ID to donate blood**, unless you have already donated with MVRBC. If you have questions regarding blood donation, please call Buffy Modde, Parish Nurse @ 868-2310 ext. 11.

Due to the recent tragedies that have occurred across our nation, there is a need for all blood types, but most importantly O-negative. O-negative is the universal donor, which means that anyone needing a blood transfusion can receive o-negative blood. This could be that "something good"!

## How Our Parish Benefits

*Pray others will know God's love is more powerful than any painful circumstance or difficulty in life.*

Our Appeal is rooted in our **CATHOLIC TRADITION** of **mutual support** and **generosity** to those in need. Last year we received a **\$200,000 grant** for the operation of our school. Our students also participated in a **REAP Retreat** and the **Right Start** student and parent classes in human sexuality education; and engaged couples benefited from programs of the Office of Laity and Family Life. All funded through the ACA.

## Our Goals for the Appeal This Year

*Pray God will help us to believe in the importance of what we are doing.*

We have **THREE GOALS** for our parish this year:

- To raise **\$53,593** in pledges and gifts
- To increase **the level of participation** in our parish  
*If you have given or pledged before, we encourage you to **recommit yourself** to this year's Appeal.*  
*If you have never made a pledge or gift, we encourage you to do so this year. We have a goal of **47 new donors**.*
- To **reach and surpass our goal** by reminding all donors that you can more easily **increase your gift** by **pledging your payments** over several months or through the entire year.

## Activities In Our Parish

*Pray God will help each of us to know what we can give and give us the will to be generous.*

Continuing this weekend everyone will have an opportunity to make a pledge or gift in support of the Appeal **before and after all weekend Masses** in the **Community Center** on -

Saturday / Sunday, April 27th & 28th  
 Saturday / Sunday, May 4th & 5th
