COMING SPECIAL EVENTS

Sacrament of Confirmation Joint Parish Celebration

Sunday, November 10th, 10:30am at Our Lady of the Rosary Church Combined Parish Masses for Holy Name of Jesus Parish and Our Lady of the Rosary Parish

Celebrating the Life of Our Community Brief Notices & Reminders

CONGRATULATIONS to Bill Krenn of our parish. On October 10th Bill was formally admitted as a Candidate for Ordination to the Permanent Diaconate for service in the Archdiocese of St. Louis. Bill is currently in his second year of a five year discernment and formation program. As a Deacon his ministry in the Church will include assisting with the celebration and administration of sacraments, proclaiming the Gospel as a teacher and possibly even preacher within the community of the faithful, and serving those who are at the margins of our society. Please keep Bill and his 21 classmates and their families in your prayers as they continue their formation.

OUR PARISH WILL BECOME a Covenant Church of North County Churches Uniting for Racial Harmony and Justice on Sunday, November 17th. The real strength of this Covenant lies with the prayers and actions of individual church members to make it a reality. I encourage you to join with over 150 members of our parish in signing the Covenant Agreement. Prayerfully consider your

commitment. Talk with any of the members of our Pastoral Council, if you'd like more information. You will find the signature pages for making your commitment in the front of church near the Baptismal font.

ON FRIDAY I BEGAN MY ANNUAL RETREAT for priests at

St. Meinrad's Archabbey in Indiana. Please pray for our retreat master, Father Eugene Hensell, one of the monks of the Abbey and teacher in the seminary at St. Meinrad's. And pray for all the priests from this part of the country who will be making this retreat together. For the weekend Masses here, as always, graciously welcome Father Joe Damhorst SJ on Saturday evening and Father Dave Polek CSSR on Sunday as well as for the weekdays Masses at 8:00am (Monday-Friday). There will be no 6:30am Masses on Tuesday/Thursday, October 22nd/24th.

WHAT ARE YOUR GIFTS and does it bring you joy to share your gifts with others? Members of a vibrant parish find ways of being engaged in parish life that provide them with opportunities for sharing their gifts with other parish members or through their parish with the wider community. They find sharing their gifts life-giving, even when it may mean going the extra mile. Everyone has something to give! What is your gift?

You will read in today's bulletin that we are now in the process of looking for **GIFTED PEOPLE** to serve on our School Board. You may be one of these gifted people. You may have one or several of the gifts we need for our Board as we continue to work to insure the strength and excellence of our school for many years to come.

Our school is jointly sponsored with Our Lady of the Rosary Parish with whom we have been planning for a strong and secure future for the past three years. This year our work has attracted \$346,000 of Archdiocesan support for operations and tuition assistance. Our school's partnership with the Archdiocese can only grow stronger as we continue to increase our Board's capability for the responsibility it has for our school.

Take some time to review the gifts our School Board needs in order to be successful. **YOUR GIFTS** — or those of someone you know — are needed for our school's continuing excellence. Our school is a ministry of our parish. We intend that through our school students and their families, faculty and administration, will grow in faith and achieve their fullest human potential.

Communion of Saints Devotion

The month of November has traditionally been a time when the Church celebrated the Communion of Saints, prays for those who have died, and prepares to welcome the one St. Francis called "Sister Death". In keeping with this tradition, we will once again be creating Communion of Saints devotional areas, on which we will honor, not only some recognized saints of the Church but our own loved ones who have gone before us. We are inviting families to share with us a photograph (in a frame if possible) of loved ones who have died. We will display these in our devotional area along with the relics of saints. In order to design the devotional space, we ask that all photographs be turned into the Parish Office or brought to the sacristy in the church by October 27th.

All photos will be returned in December.

Envisioning & Forming a New School Board

We are a faith-based school committed to excellence in education, to the full human development of our students and their families, and to making a difference in our community.

Our school is jointly sponsored by Holy Name of Jesus Parish and Our Lady of the Rosary Parish. For three years we have been planning for a strong and secure future. As a result our work has attracted \$346,000 of Archdiocesan support for operations and tuition assistance for the 2013-2014 school year. Our school's partnership with the Archdiocese can only grow stronger as we continue to increase our Board's capability for the responsibility it shares for our school.

In the spring of 2013 our School Leadership Team began to envision a purpose for our School Board that would be achieved because of the faith, the life experience, the professional talents, and the personal gifts of our school families, our faculty and administration, and our community.

Christ Light of the Nations School Board Purpose Statement

Our School Board's On-Going Responsibilities

Our **School Board** will share formal authority for this purpose and these responsibilities with

our School Leadership Team:

Fathers Tom Haley & Mike Henning Sister Mary Lawrence, SSND Mrs Karen Dafflitto & Judy Krenn The purpose of our School Board is to use our faith in God and our leadership to renew and inspire the Christ Light of the Nations School and parish communities so that each person achieves their fullest potential and witnesses to the love of God in Christ.

- Establishing and overseeing strategic planning and policy development in order to enhance and communicate the affordability, accessibility, and Catholic identity of our school,
- Fostering and maximizing stakeholder involvement and ownership of our school so that everyone's talent and experience contributes to the education and formation of our children, their families, and our community, and
- Guiding and challenging the faith development of our school community for the sake of our school's evangelizing mission.

WHAT ARE YOUR GIFTS and does it bring you joy to share your gifts with others? Sharing your gifts is life-giving, even when it may mean going the extra mile. Everyone has something to give! What is your gift?

We are now in the process of looking for **GIFTED PEOPLE** to serve on our School Board. You may be one of these gifted people. You may have one or several of the gifts we need for our Board as we continue to work to insure the strength and excellence of our school for many years to come.

Take some time now to review the gifts listed here that our School Board needs in order to be successful.

YOUR GIFTS — or those of someone you know — are needed for our school's continuing excellence.

If you are gifted and think you would like to serve on our School Board, contact a member of our Leadership Team by **Tuesday**, **October 29th**. If you know someone—in our parishes or the communities served by our school—who's gifts would help our School Board to achieve it purpose, please pass on their names for our consideration.

We intend that through our school, students and their families, faculty and administration, will grow in faith and achieve their fullest human potential.

Halloween is just around the corner. It is a fun time for kids of all ages, but it is also an important time to be extra vigilant for possible safety hazards. Halloween is the most dangerous night of the year for child pedestrians. Here are some tips to help keep it safe...

COSTUMES:

- Choose a costume, wig, and accessories that are made of flame retardant material.
- Costumes should be short enough so they don't trip or fall.
- Pin a slip of paper with the child's name, address, and phone number inside a pocket.
- Add some reflective tape to the costume of candy bag.
- Consider nontoxic and hypoallergenic make up and decorative, properly fitting hats.
- Wands, swords, and other props should be made of a flexible material.

TRICK-OR-TREAT SAFETY TIPS.

- Make sure an adult will be supervising the outing for children under age 12. Stick to the sidewalks, well-lit streets and houses in familiar neighborhoods.
- Carry a flashlight or light stick to see and be seen.
- Chaperones should be paying attention to possible real-life "boogiemen".

CANDY SAFETY TIPS:

- Insist that treats be brought home for inspection before anything is eaten.
- Throw out candy or treats that are homemade or appear to have been tampered with. For parents of young children, remove any choking hazards like gum, hard candies, or small toys. When in doubt, throw it out!
- Don't forget to protect your pets during the haunting hours. They may get frightened by familiar folks with strange outfits on. Also keep them away from the candy!

BE SAFE AND HAVE FUN, HAPPY HAUNTING!

TREASURES FROM OUR TRADITION

Although the hours of daylight are rapidly dwindling, many people would say that these October days bring the year's most splendid weather. Americans are riders and joggers, not strollers, and so the pleasures of the season are often lost on us. This is not the case with many Jewish people, who observe an ancient rule in walking to synagogue on the Sabbath. On city streets and suburban sidewalks in many cities, we may notice around sunset the nicely dressed families walking and chatting on Friday afternoon. After a short prayer at dusk, the families stroll home again for a relaxing and festive meal. They return to synagogue in the morning, and then spend an afternoon in family leisure until three stars appear in the night sky and Sabbath ends.

Catholics, on the other hand, pile into the car and drive even a short distance to Mass: some even divide the family to participate at different hours. For Jews, the leisurely walk marks a dividing line between hectic life commitments and a day of abundant joy and enrichment. Before we became an automobile culture, Catholics embraced a similar pace, and in most places walked to church. These lovely days of fall invite us to tap into an old and life-giving tradition. If you live within a mile of your church, walk next week. If you must drive, park at a good distance and walk the rest of the way. Talk about your life, greet strangers, notice the crunch of leaves under your shoes. You may be surprised at how different Sunday Mass feels when it is framed by leisure!
