POPE SAINT JOHN XXIII

Angelo Giuseppe Roncalli was born on November 25, 1881, in Sotto il Monte, Italy. He was ordained a priest in 1904, a bishop in 1925, and elevated to the College of Cardinals in 1953. He was elected to the Chair of Peter as Pope John XXIII in 1958. "The Good Pope" was perhaps the most influential pope of the twentieth century. He surprised the Church and the world with his reforming spirit, manifested most poignantly when he convened the Second Vatican Council in 1962, which laid out a broad new vision and set of reforms for the Roman Catholic Church. While pope, Saint John XXIII internationalized the college of cardinals, revised the code of canon law, and wrote eight papal encyclicals, including *Mater et Magistra* (*Mother and Teacher*), which expounded on themes of Christianity and social progress. He died on June 3, 1963. He was beatified by Pope John Paul II on September 3, 2000, and canonized by Pope Francis on April 27, 2014.

POPE SAINT JOHN PAUL II

Karol Józef Wojtyła was born on May 18, 1920, in Wadowice, Poland. Much of his advanced education was obtained underground after the Nazi invasion of Poland, and in 1942 he entered the clandestine seminary in Kraków. He was ordained a priest in 1946, a bishop in 1958, was appointed archbishop of Kraków in 1964, and elevated to the College of Cardinals in 1967. He was elected to the Chair of Peter as Pope John Paul II in 1978. His lifelong devotion to "the Most Holy Madonna" was expressed in his papal motto, *Totus tuus* ("Totally yours"), dedicating himself, his papacy, and the world to Mary. A groundbreaker in many ways, he was the first Polish pope and the first non-Italian pontiff in four hundred years. He left the Church more than a dozen encyclicals and scores of other documents, and beatified and canonized more than a thousand men

and women from all walks of life. He died on April 2, 2005, was beatified by Pope Benedict XVI on May 1, 2011, and canonized by Pope Francis on April 27, 2014.

It will be **friendly**, if I am. Its pews will be **filled**, if I help fill them.

Celebrating the Vitality of Our Parish
Community—Sacrament of God’s Love

WE CELEBRATE THIS WEEKEND with Our Lady of the Rosary Parish the **First Holy Communion** of children from our parishes. This will be a **joint celebration of Sunday Mass** with members of both parishes coming together for this most important moment in the lives of our children. In the spirit of the common faith and mission in Christ that we share, we celebrate together this sacrament of God’s unconditional love

for us and our world. We celebrate this gift of faith and community we share—an experience like our joint Parish Mission last year that truly blessed and enriched us.

There will be no 10:30am Mass this weekend at Our Lady of the Rosary Parish. Please extend your warmest welcome and spirit of hospitality to our neighboring parishioners as well as to the family and friends of our first communicants who will be with us for worship this weekend. Celebrations such as this testify to the vitality of our faith and the presence of the Church in the communities we are here to serve. May the faith of our children and their families and of every household in this part of North County be strong and hopeful because of our Church.

OUR PARISH LITURGIES are the most frequent times and ways in which our parish has contact with the majority of our parish members. Also, the character of our worshiping community often leaves a deep impression on visitors who join us for worship on special occasions and neighbors who are anonymously with us each weekend.

Please join me in giving special thanks to Deacon **George Watson** and Mrs. **Theresa McWilliams** for their leadership in the ministries of liturgy and music in our parish. There are many others—adults, children, and youth—who generously coordinate and serve in these ministries, giving of their time and talents in ways that make our worship space and liturgies prayerful and powerful celebrations of the Sacraments. Such commitment is an important and necessary part of the foundation of faith in our parish and service to our community. Call the Parish Office (314-868-2310) if you’d like to volunteer.

MANY THANKS ARE ALSO DUE to Mrs. **Marialice Duhadway** and to the army of volunteers who assist her with the organization and operation of our Parish Fish Frys. The abundance, variety, and quality of meals offered as well as the frequency of Fridays we have fish frys is a real service to our parish community and neighborhoods—a real community building activity.

OUR ARCHDIOCESAN ANNUAL CATHOLIC APPEAL begins today in our parish. Before and after all Masses this weekend—and for the next two weekends—you will have an opportunity to make your gift or pledge in support of the Appeal. The focusing theme for the Appeal this year is **“Build My Church”**, reminding us that we—like Francis of Assisi and his companions—are called to work together as the People of God to continue the mission of Christ.

All of our contributions have already been designated to care for the many pastoral, educational, and charitable needs of others being served by our parish and in the Church of St. Louis throughout the Archdiocese. In today's bulletin look for more information about **how our parish benefits** from the Appeal, **our parish goals**, and the **activities in our parish** that will help us to be successful in achieving our goals. I encourage all to pray for the success of the Appeal and to be as generous as possible.

Build My Church

"Go, build my Church", were the words of Christ spoken miraculously to St. Francis from the cross. With these words he was awakened to a new zeal for the renewal of the universal Church.

Every year our Annual Catholic Appeal demonstrates the strength and solidarity of our Church. Together, all Catholics of the Archdiocese unite in a **common mission of sacrificial giving** in order to create a **stronger and more vibrant Catholic community**.

"It is in giving that we receive."

How Our Parish Benefits

Pray others will know God's love is more powerful than any painful circumstance or difficulty in life.

Our Appeal is a cooperative effort among all the parishes of our Archdiocese rooted in our Catholic tradition of **mutual support** and **generosity** to those in need. Last year we received a **\$200,000 grant** for the operation of our school. Our students also participated in a **REAP Retreat** and the **Right Start** student and parent classes in human sexuality education; and the Office of Laity and Family Life provided **spiritual and evangelization programs** for our parish members as well as **preparation for the Sacrament of Marriage** for engaged couples.

Our Goals for the Appeal This Year

Pray God will help us to believe in the importance of what we are doing.

We have three goals for our parish this year:

- To raise **\$54,083** in pledges and gifts
- To increase the **level of participation** in our parish
- To **reach and surpass our goal** by reminding all donors that you can more easily **increase your gift** by **pledging your payments** over several months or through the entire year

Activities in Our Parish

Pray God will help each of us to know what we can give and give us the will to be generous.

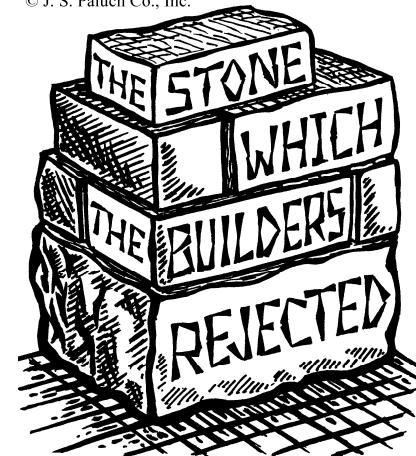

This weekend make your pledge or gift in support of the **Appeal before or after all weekend Masses** in the **Community Center** or on —

Saturday / Sunday, **May 3rd & 4th**

Saturday / Sunday, **May 10th & 11th**

Next weekend Mr. **Gerardo Rodriguez**, an instructor at St. Mary's Special Services, will speak at all Masses about his work and the need for our support for the special services and education that our Appeal makes possible for families in need of such assistance.

TREASURES FROM OUR TRADITION

One of the great Easter traditions is “mystagogy,” an ancient word meaning “reflection on the mysteries.” It is a style of catechesis, or passing on the faith. People who have shared an experience, in this case those who have been baptized at Easter, are urged to recall their experience, reflect on its meaning, and apply their insights to their new way of life.

There is an aspect of an experience that is simply not available until you’ve had it. For example, you may think you know weddings inside out; you’ve been to dozens, seen hundreds in the movies or on television, but until you’ve said “I do” to another, there is a certain knowledge unavailable to you. Those who go down into the waters of baptism as adults have similar experiences; they have all taken baths before, but not like this one! Mystagogy helps such persons to uncover the deep meaning of the experience, their sense of a new beginning, of God’s abundant love, of forgiveness, of community.

It takes time for the power of the Easter Vigil to work its wonders for us. Those who are newly baptized are called “neophytes,” meaning “newly planted.” The tender buds of spring need care and nurturing, and our new brothers and sisters need your prayer and your faithful example.
