40/60 Beyond Sunday

Securing Parish Viability &
The Long Term Future of Catholic Schools

We are called to live our faith ... Beyond Sunday

OUR SECOND READY TODAY reflects on the disciplines necessary to expand our capacity for love. And our Gospel reminds us that entering the Reign of God through the “narrow gate” revolves around developing an open mind and a generous heart, focused more on Jesus’ “dos” than “don’ts”.

We Do This Because We Are Catholic
Transforming Catholic Education in All Parishes of St. Louis

**For the Benefit of
More Middle Income Catholic
Families Than Ever Before**

Over the past 10 years more and more Catholic families have not been able to afford a Catholic education for their children. The *Beyond Sunday* Education Fund will **provide more scholarship support** for middle income families than ever before.

This support will help Catholic families start kids in our Catholic schools and keep kids in our Catholic schools,

Salvation's rule of thumb —
*Some last will be first and
Some first will be last*

Beginning this year – and for years to come – *Beyond Sunday* will help families who want to send their children to a Catholic elementary school or Catholic high school. *Beyond Sunday* will also fund schools to **develop more competitive educational programs** in the disciplines of science, technology, religion, engineering, arts, and math – STREAM. In addition, this Fund will

begin to award innovation grants for system-wide implementation of groundbreaking ideas that will enhance the operational and business models of our schools.

**For the Benefit of
All Families in Marginal
Communities Wanting a Faith-Based
Education for Their Children**

Some Catholic schools are needed in areas of our Archdiocese that are underserved because of the shifting Catholic population and because poverty makes it difficult for many children to get a good education.

Our parish and our Archdiocese together fulfill our Church’s mission to educate by **providing both Catholic and non-Catholic families with an opportunity to choose a faith-based school and educational program for their children**. Our commitment to Christ Light of the Nations School and Trinity Catholic High School is a shared commitment. *Beyond Sunday* – taking place in every parish of our Archdiocese – is **already providing additional support for Catholic schools in our community**.

Two years ago Archbishop Carlson spoke of the importance of our Church’s “ministry of presence” in North County and our need to address the social and economic challenges we are facing here. *We must continue to work for a better and more holy community – founded on a respect for each other, respect for life, and a shared responsibility for the common good.”*

40/60

Beyond Sunday

Securing Parish Viability &
The Long Term Future of Catholic Schools

*“Challenges exist to be overcome!
Let us be realists, but without losing our joy,
our boldness, and our hope-filled commitment.
Let us not allow ourselves to be robbed
of missionary vigor!”*

Pope Francis, *The Joy of the Gospel* (109)

PROCLAIMING OUR COMMITMENT TO OPPORTUNITY & HOPE

AN EVANGELIZING SCHOOL is one that invests in the human and faith development of students and their families as well as faculty and school leaders. A Catholic school also intends to enrich the Church and the whole community where it is located.

Sixty percent (60%) of the funds raised through the Beyond Sunday Campaign will be used substantially for new and higher levels of scholarship support of Catholic families who want to start their children or keep their children in a Catholic elementary or high school anywhere in the Archdiocese of St. Louis. (*See the charts below for the exact amounts of assistance available based on household size and levels of income. Please share this information with anyone and everyone.*)

Our school strives to serve every Catholic family in our parish. If you are a Catholic family with children or know of a Catholic family with children, please contact us so that we can better serve our parish families. The *Beyond Sunday* Campaign is specifically designed to help you.

We also know that there are many families in our parish living in poverty. Our school strives to provide a quality education for underserved children. A good education increases a child's chance to succeed in life regardless of racial, ethnic, religious, or educational background.

*“It is easier to build strong children
than to repair broken men.”*

Frederick Douglas

A recent study by the Institute for Educational Initiatives of Notre Dame University confirmed that Catholic schools have “neighborhood impact”. They “draw residents together” and make “neighborhood function more smoothly.” Our faculty and school administration know that they are leaders in the ministry of Catholic education. They have a sustained commitment to our parish and our community. They continue to develop their knowledge and ability for serving children and caring for families. They are the foundation of the opportunity and hope that we will continue to offer with your prayer and support.

FLOSSING HOW-TOS

Are you flossing enough? And when you do floss, are you covering all the bases?

Flossing helps remove debris and plaque that collects between teeth. By cleaning these hard-to-reach surfaces, you'll reduce the likelihood of both gum disease and tooth decay.

Regular flossing is important and it is recommended doing so at least once a day. The time of day doesn't matter nor does it matter if you brush or floss first. What does matter is doing a thorough job. Here's a look at the proper technique:

- **Use about 18 inches of floss. Wind each end around your middle fingers.**
- **Hold the floss tightly between your thumbs and index fingers and insert it between your teeth using a gentle rubbing motion.**
- **When the floss reaches the gum line, curve it into a C shape against the side of one tooth. Slide it into the space between the gum and the tooth.**
- **Holding the floss tightly against the tooth, gently rub the side of the tooth, moving the floss away from the gum with up and down motions. Then reverse the curve and switch your attention to the tooth surface on the other side.**
- **Floss between all teeth, including behind your back teeth.**
- **If you have difficulty with regular floss, ask your dentist or dental hygienist for recommendations on the proper use of another kind of interdental cleaner, such as a dental pick or pre-threaded flosser.**

Keep smiling...and again...stay cool!

♫ NORTHEAST DEANERY CHILDREN'S CHOIR ♫

The Northeast Deanery Children's Choir is about to begin its 3rd season. We have openings for children who love to sing, wish to expand their musical skills, and use their talent in praise of our Lord. The NDCC travels to churches within the Northeast Deanery to lead music for Mass once a month during the school year. This Choir is for children in grades 4 – 8 who do not otherwise have an opportunity to sing in their own parish children's choir. Auditions will take place the week of August 29 at Holy Name of Jesus Church. For more information and/or to schedule an audition, contact Theresa McWilliams tmacwms@sbcglobal.net

We began the first day of school with 175 students. The first day of school dawned with rain which kept up for most of the day but let up just in time for us to walk to Our Lady's Chapel for a prayer service and blessing of the school year. Some of the parents, who could, joined us for prayer.

We take great pride that most of our faculty and staff have been with us from the beginning (2005) and served in the schools in our area long before we became Christ Light. They love our school, see their position in our school as a ministry in the church and know they are needed by our students. They stay because we are a family. We have been fortunate that when one us has to leave, we have found people to fill their position who feel the same way we do.

This year we transitioned from our own maintenance staff to Service Master, a cleaning company. We also are using Food Service Consultants for our hot lunch program.

If you have never been to our school building, we invite you to drop by when you are out and we will give you a tour. Christ Light of the Nations is your school and we want you to feel at home with us. You are part of our family.

Recipes

Cook Book update. I am hoping everyone has received the letter about the Parish Cookbook recipes. In the next couple of weeks, there will be a box to drop off the recipes in the Entrances of Church. Also, there will be an envelope with extra blank recipe pages if you need more. We are looking forward to collecting great recipes !!

There is a need for someone between 11am—12 noon and also between 12 noon—1:00pm. If interested please call Linda Schneider at 314-868-2374.
