Imagining Easter - 2nd in a Series of Explorations

Are You a Hopeful Person?

Rather than answering this question yourself, this exploration invites you to *ask three people who know you to tell you what about you gives them hope!*

Often enough we all tend to underestimate the positive influence we have in the lives of others who know us. Sometimes we can't even imagine it! Or we give up trying. Once you ask someone - which may take a little courage - the real discipline of this exploration may be to keep your mouth shut! No disrespect intended. But, you don't want to deny what they might have to say or talk them out of the truth they're telling you. Ask some questions, if you need or want to know more. Say "Thank you!" Remember all of the New Testament is a witness to the Spirit of the Risen Jesus alive in every person, especially - we hope - in the lives of those who are Christian.

A Season of Awards & Recognition for Catholic Youth

Archbishop May Service Award

On April 17th, **Joe Eble**, and members of our parish and a student from Christian Brothers College High School received this award for "fine achievement in volunteer service".

Joe was a 2015 graduate of our school, Christ Light of the Nations, where he had a strong academic record, collaborated well with his classmates, and participated in a number of service programs in our community.

Each year one student from each of the twenty-six Catholic high schools in our archdiocese is recognized for extraordinary service - and their school for promoting service. Join me in congratulating Joe and in praying for all young people to fulfill Archbishop May's motto, "*Co-Workers With The Lord.*"

Respect Life Apostolate

Creative Writing Contest Award

On May 1st, **William Singleton**, a Christ Light of the Nations eighth grade student will be honored as a finalist in this annual event. This year 1,103 entries were received from 63 Catholic elementary schools, Parish School of Religion programs, and Catholic home school programs throughout the archdiocese. Every finalist becomes eligible for one of five high school scholarships.

This year all students were asked to address this question: *Explain why living the virtue of chastity protects us from abortion and blesses us with true holiness, health, and happiness.* Pray for William, and all these students, to continue to evangelize our Church and our world by their words and actions

Our Annual Appeal has an obvious and urgent impact on those served by the ministries of our Church. It also has a positive impact on those who give. Every parishioner who gives strengthens their connection to the life and mission of the Church, becoming more attached to Jesus Christ. With this in mind, we confidently and enthusiastically ask you to support the Appeal. **No gift is too small.** We invite everyone to participate based on their own personal circumstances, and we promise to honor every gift.

TREASURES FROM OUR TRADITION

The Gospel today sees Peter and his colleagues after the Resurrection, returning to Galilee and resuming the family business. They are fishing by night. Although it is true that fish feed by night, the mention of darkness here is more about the human spirit than it is about fishing advice. Modern life keeps darkness effectively under control; much of the world has been glowing radiantly through the night for a century. Yet just as surely as the Risen Christ breaks into Peter's fishing, so does he break into the usual patterns of our own darkness, electric lights notwithstanding. It is Easter, and we are the people of the light.

In our tradition, Evening Prayer, celebrated in monasteries, parishes, cathedrals, and homes everywhere, is a kind of solemn protest against the darkness and its claims, an act of praise for our light-bearing God, and a commitment to carrying that light forward. Sunset is a turning point of our day, felt less acutely in an electrified world, but still an effective reminder that one day darkness overtakes us all. Yet our Eastering has taught us in a hundred ways that the victory belongs to the Bearer of Light. Easter summons us to transform our everyday "blackouts," perhaps in a way as simple as a whispered prayer of thanks at evening for the blessings of the day.

Third Sunday of Easter

May 5, 2019

"Worthy is the Lamb that was slain to receive power and riches, wisdom and strength, honor and glory and blessing."

— *Revelation 5:12*

LIFELONG SERVICE

"I am going fishing." What an announcement! If asked who made it, and not told it was a Bible quote, we might guess "Grandpa" or "Uncle Fred," or admit, "I said that last summer!" But it is a Bible quote, from today's Gospel. The person who said it also once declared, "You are the Christ, the Son of the living God." Yes, it's Peter! So today's announcement seems quite the comedown. Last Sunday Jesus said, "As the Father has sent me, so I send you." But Peter seems determined to return to his pre-apostolic occupation, until Jesus intervenes, making Peter's later announcement deeper, "Lord, you know that I love you," and Peter's apostolic calling clearer, "Tend my sheep." Peter does so. Acts presents the consequences: Peter declares, "We must obey God rather than men." As Revelation proclaims, "Worthy is the Lamb"—to receive Peter's lifelong service, and ours.

In The Hospital...

Dynamic Catholic, Alive! – Casting our nets?

In the first reading we hear how Peter and the apostles told the Sanhedrin that “We must obey God rather than men.” Then in the Gospel we hear that Jesus appeared to the disciples after they had fished all night without any success. Jesus told them to “Cast the net over the right side of the boat and you will find something.” Despite being tired, the disciples obeyed and they caught 153 large fish! We have so many reasons that we can give for not wanting to obey God and “cast our nets” by sharing the Gospel message with others through our example and our actions. Here are just a few: we are tired; we would rather stay in our comfort zone; we are afraid because we think we don’t know our faith well enough; or we would rather do what we want. This week we can spend some time pondering these questions: Do I obey God when I hear Him speaking to me in my heart? Do I cast my nets through my example and actions? Do I cave into the pressures of our current culture or to my own desires?

Federation of Catholic Schools Receives \$50,000 Beyond Sunday Transformational Innovation Grant

The Roman Catholic Foundation of Eastern Missouri has announced that our North County Deanery Federation of Catholic Schools will receive a \$50,000 Beyond Sunday Grant for the 2019-20 school year in support of our collaboration to embrace the gift of cultural, racial, religious and economic diversity in our schools and parishes. [Read more about the grant program and this year's recipients on the Roman Catholic Foundation's website.](#)

Embracing diversity has been an area of responsibility for the Federation of Catholic Schools since it began in 2010. In September 2018, pastors and principals of the Federation formed a committee to explore ways our schools and parishes can collaborate in the area of Diversity and Inclusion, which resulted in the Beyond Sunday grant application. The project calls for a Diversity & Inclusion Consultant to work with Core Teams all the schools of the Federation in the 2019-20 school year to develop specific Diversity & Inclusion Plans and provide best practices and resources for responding to the needs of a diverse community in the context of the beliefs and teachings of the Catholic Church. This grant enables the Federation to leverage outside resources to place a focus on the important work of Diversity & Inclusion in our North County community. Stay tuned for more details as the committee continues its work!

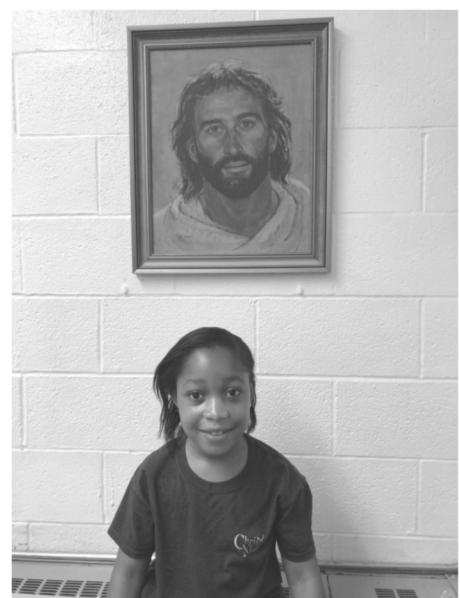

Beyond Sunday grants have benefitted our North County schools each year since they began with the 2017-18 school year, when the Federation received a \$100,000 grant for each of the 10 schools to have a set of Chromebooks and at least one Google Certified Educator to serve as the schools' technology coordinator. Among many other uses, middle school students have used the Chromebooks to sharpen basic math skills using programs such as Xtramath. In 2018-19 the Office of Catholic Education and Formation's Department of Special Education received a \$75,000 Beyond Sunday Grant to expand a program that provides access to a Speech Language Pathologist and School Counselor on-site at each school for early intervention special education services. For 2019-20, Holy Spirit School also received a \$17,000 Beyond Sunday Academic Capacity Enhancement Grant for a new STREAM Lab (Science, Technology, Religion, Engineering, Arts & Math).

Spread the Word - Now Enrolling for 2019-20!

Our schools are now accepting applications for enrollment for the 2019-20 school year. If you know of a family member or friend in search of a school for their children in preschool through high school, encourage them to visit their neighborhood Catholic school!

We celebrate our children who are making their First Communion on Sunday May 5 at 10:30 mass. These students from Christ Light of the Nations have been preparing with their parents and teachers for months and are so excited to receive Jesus for the first time. Please pray for them and their families! We hope this is the beginning of a long, beautiful relationship with Jesus and that they will share their faith with everyone they meet, especially Holy Name of Jesus.
