## THE ONGOING PRIORITIES OF HOLY NAME OF JESUS PARISH COMMUNITY

**MEMBERSHIP**  
**STEWARDSHIP**

**PARTNERSHIP**  
**STEWARDSHIP**

**Mass Intentions & Stipends**

In each of the four dioceses of our state parish priests are compensated in different ways. Most commonly their compensation and benefits are paid through the generosity of parishioners in the regular Offertory Collection. However, in smaller rural or poor parishes Mass stipends often make up for the difference between what a priest may need and what a parish can afford. For these reasons the bishops of Missouri recently decided that it would be good to have a standard practice regarding stipends. Stipend offerings are always voluntary and not required for a Mass intention. Historically, they *"contribute to the good of the Church"* and show *"concern to support its ministers and works"*. (Canon 946) Beginning July 1st, 2019, the ordinary voluntary stipend offering associated with a Mass intention will be \$10.00 or any other amount at the donor's discretion. Our bishops are quite emphatic about reminding everyone of the well-honored practice of celebrating Mass even if no stipend is offered. Thanks to all for your continuing generous support and for your participation in the life of our parish. I know that everyone who works here is grateful for your commitment to the welfare and operation of our parish.

**TREASURES FROM OUR TRADITION**

On a summer day, with the windows open, we may hear the sound of church bells. Bells seem to have come into church life in Irish monasteries around the seventh century, and spread around the Christian world by Irish monks on missionary journeys. By the eighth century, bells were standard equipment in even small parish churches. An ancient ceremony, once called the "baptism of the bells," recognizes that the church bell has a voice to call people to awareness and summon them to worship, and even bestows a name on the bell.

In a world without clocks or watches, the bell had an indispensable role. For calling monks in from the fields for prayer, or alerting far-flung visitors, the bell's voice was enhanced by hoisting it high into a tower. Soon it was learned that the sound of several bells clanging together in harmony imparted a sense of joy to great celebrations, and bell towers prospered, some chock full of bells. Different combinations of rings could indicate a death, a Mass, a wedding, a fast day, the curfew at the end of day, and the Angelus. Before electricity, bell-ringing was hard work indeed: the biggest bell in the Catholic world, in Cologne, Germany, weighs twenty-seven tons! There's no substitute for the resonant roar of a mighty bell; electric chimes are not eligible for blessing!

We will share stories and resources, move a bit, eat a bit and find ways to implement healthful habits that will improve our overall well being.

**WHEN:** 3<sup>rd</sup> Tuesdays of the Month at 5:30 pm – next meeting Tuesday, July 16 2019
