SUNDAY * OCTOBER 20th, 2019 * 10:00 AM
CELEBRATING OUR HISTORIC PAST & OUR FAITH COMMITMENT TO THE FUTURE

What's Our Purpose?

Just what is a Mass Mob? It's the act of gathering a lot of people to give thanks to God. It's also the fact of a lot of people getting together to thank God designed to catch the attention of others.

Every one of us - and every parish - has something to be thankful for! On October 20th we're inviting all of our parishioners and all Catholics who once lived in this part of North County to come together at Holy Name of Jesus Church.

*"Living in a big city
is not always easy."*

Yet big cities are a reminder of the hidden riches present in our world, in the diversity of its cultures, traditions, and historical experiences."

Pope Francis, September 27, 2015
Madison Square Garden, New York City

We're inviting everyone to learn more about the vitality of our parish and to join us in giving thanks to God for the work of our parish in this community.

What's Our Plan?

Getting people here to thank God for the life and work of our parish means first, **getting them curious** about what's going on here.

This is what we're doing:

- ◆ Information and invitations are being sent to all of our registered parish households
- ◆ Invitations will be published in parish bulletins throughout North County and St. Charles County
- ◆ An invitation and possibly a news article will be published in the *St. Louis Review*

This is what everyone can do:

- ◆ Plan now to attend the 10:00 am Mass here on October 20th (*Only one Sunday Mass this day*)
- ◆ Spread the word about our parish and this celebration to your children, other family members, and former parishioners
- ◆ Encourage one another to attend or to volunteer if you're asked to help with planning or activities.

What's Our Hope?

We're hoping to let people know that our parish is more than alive and well. We also want them to know more about and be proud of the work of the Catholic Church in North County.

*"To be faithful, to be creative,
we need to be able to change.
To change!"*

*And why must I change?
So that I can adapt to the situations
in which I must proclaim the Gospel.
To stay close to God,
we need to know how to set out;
we must not be afraid to set out."*

Pope Francis

We're hoping that the more people know about our parish, the more they will want to know. We're hoping that their **curiosity will turn into various kinds of creative energies** that might benefit the work of our parish in this community even more.

Generous giving - even beyond what we can imagine - is always **deeply embedded in gratitude**. Giving thanks is the beginning of everything!

TREASURES FROM OUR TRADITION

Sometimes human relationships go awry, but Christ's choice for us is irrevocable. In marriage celebrations, the Church always recalls God's faithfulness to help prepare married couples for enduring the inevitable rough spots. The Byzantine liturgy does this by adorning the couple with crowns that remind them of the martyr's crown. The couple therefore takes on a vocation of witnessing to the sacredness of life in all of its suffering and joy, and of keeping their eyes fixed on the banquet of heaven.

In Eastern theology, people have a liturgical vocation to give God praise, and marriage fits within that plan. It is not so much saying prayers that counts, but becoming prayer. Interestingly, in this liturgy the couple never utters a word other than joining in the community's chants; there are no marriage vows as such. There is therefore not a hint of our Western Christian sense that marriage is a legal contract. Rather, it is all about living out one's baptismal vocation, embracing the cross, pouring oneself out in love, and opening to the grace of the Holy Spirit.
