Human development is primarily a vocation, every person's calling from God 'to be more'.

Therefore, the Church teaches that the essential quality of 'authentic' development is to promote the good of every man (person) and of the whole man (person).

From the teachings of St. Giovanni Montini, Pope Paul VI, 1967

mission notes

we are a mission parish with a mission

solidarity in the mission of Christ throughout our world

Annually every parish participates in the Archdiocesan Mission Cooperation Plan designed to connect mission groups to parishes in order to speak about the work of our Church in other parts of the world. It's a good reminder for us all that our Church is fundamentally a Mission Church.

This plan, an initiative of the Society of the Propagation of the Faith in St. Louis, helps us **learn more about the missionary activity of our Catholic Church** in the United States and around the world.

There are **two great benefits for our Church** when we do this.

First, every parish is enriched and strengthened when parishioners learn about how other people and parishes are practicing their faith, often in difficult circumstances.

Second, our spiritual and material solidarity with mission parishes around the world enables them to exist and to grow.

It's a two-way street! The **mission sending and mission receiving** character of a parish has long been considered **an evidence** of its health and well-being - its viability.

welcome

father john hansen!

Please welcome to our parish next weekend Father John Hansen, SMP, now serving as Major Superior of the **Society of Our Mother of Peace**.

As a religious community they were founded in 1966 by Father Placid Guste, SMP. Their **mission** is quite simple: **To be free for God**.

from father mike / june 13th, 2021

called and gifted as a redeeming community

This focus is lived out in the context of substantial time for **prayer** devoted to being alone with God plus **communal prayer**. This prayer life bears the fruit of reaching out invitingly to others to be drawn to and/or to deepen their **relationship with Christ and His Holy Catholic Church** through door-to-door evangelization, a private retreat program, a Lay Associate Program, spiritual direction, and conferences on the spiritual life.

The Society of Our Mother of Peace has two foundations in **Missouri** (one near St. Louis in High Ridge and the other in Springfield), one foundation in the **Philippines**, and two in **Nigeria**. With no set income, they live by donations (God's Providence). Those who live in each of these foundations **live a simple life**. In particular, financial assistance for their missions abroad is so greatly appreciated.

Please pray for and be as generous as you can be in support of the Society. And, encourage Father John in the work he is doing and in his hopes for the future.

where is father mike?

I will be taking some vacation time beginning June 14th through the 30th. I will be visiting family and friends in the West—Colorado, Nevada, and New Mexico. My niece's husband wants to take me white water rafting. He just became a river guide. My sister wants to feed me and keep me fit—she's a nurse. She also wants me for their parish some day. My friends want to show and tell me more about how beautiful a desert can be and how tasty indigenous Southwest cooking really is. No fear! I will return.

God has gathered together as one all those who believe in Jesus and look on him as the author of salvation and the source of unity and peace.

God has established them as the Church so that for each and all, the Church may be the visible sign of that saving unity.

Lumen Gentium, Light of the Nations Constitution on the Church Vatican Council II

Rest in Peace

The Archdiocese of St. Louis has developed a new system for safe environment compliance called Prevent and Protect STL. Everyone ministering to minors and vulnerable adults (clergy, employees and volunteers) in the Archdiocese are required and asked to register in the new system before December 31, 2020. This includes those new to service and those who are currently in service. For those who have already attended a Protecting God's Children workshop, your previous training date will transfer to this new system. In addition to attending a live Protecting God's Children workshop, all clergy, volunteers, and employees will register for an updated background screening, view two new online training modules on abuse reporting and the Code of Ethical Conduct, and agree to the updated Code of Ethical Conduct. Please go to www.preventandprotectstl.org to register and contact your parish Child Safety Coordinator, Sandy at 868-2310 with any questions or for further assistance.

HOW DO WE CONTACT THE HOMEBOUND

The people of the parish are the eyes and ears to know who is homebound. Please do not assume the church office has been notified of any changes. Either a phone call or a note in the collection basket are ways to tell Sandy, parish secretary, of anyone you know that is homebound, and would like communion brought to them.

CHECKING YOUR CONTACT NUMBERS

The Parish has not updated some of your contact numbers since we began in 2005. We would like to update our data base. Some of you have discontinued your home land line and are now using your cell phone. If your main contact number has changed since 2005, please send Sandy an email or call the office and have her update your numbers. We want to be able to contact you if we need to. Also, we have very few email addresses on file. Please send her your email address also. The Parish Office email is parishoffice10235@sbcglobal.net. The office phone number is 314-868-2310. Thank you in advance for your help.

Breaking Bread Missals/Hymnals

If you have recently returned to weekend Mass and do not have a Breaking Bread Missal/Hymnal please pick one up from the bookshelf behind the back pews in church or from one of the side tables at the front entrances. The Missal is yours to keep. Put your name in it if you like. Bring it to Mass each week and take it home with you. Some parishioners leave the book in their car to be sure to have it for Mass.

Holy Name of Jesus Live Stream Mass

Monthly Candlelight Community Peace/Social Justice Vigil

Reminder that our next monthly candlelight community peace/social justice vigil will be held outdoors on the front steps of our church on Sunday, June 27 at 7 pm, rain or shine. This monthly vigil is sponsored by the Holy Name of Jesus Social Justice group, Justice Grows, and will last 30 minutes. The purpose of these monthly vigils will be to pray for unity in our community, to raise awareness of social justice issues in our greater metropolitan community, and to pray for an end to violence. These monthly vigils consist of music, a time of silent reflection, and group prayer. **All are welcome** to join us every month or whenever you're available to pray with us. We hope to see you on June 27 at 7 pm.

**THE CHURCH AND THE SPIRIT**

Where the Church is, there is the Spirit of God; and where the Spirit of God is, there is the Church and all grace, and the Spirit is truth.

—St. Irenaeus

What is the significance of June 19th?

A DAY of REMEMBRANCE

Juneteenth (June 19th) is the day that marks the end of slavery in the United States and is considered the longest-running African American Holiday.

The slaves were freed when federal troops arrived in Galveston, Texas in 1865 to take control of the state and declared all enslaved people were free. Although Confederate General Robert E. Lee had surrendered two months earlier in Virginia, slavery remained relatively unaffected in Texas. The people were free, but had no idea until U.S. General Gordon Granger stood on Texas soil and declared all slaves are free.

REMEMBER: Every summer as the month of June approaches, circle June 19th and celebrate the day that African Americans were declared free people.

Approximately 250,000 thousand people were freed over time as some enslavers withheld the information until harvest season was complete. Slavery in America was formally abolished with passage of the 13th amendment in December, 1865. Each year going forward, celebrate and remember Juneteenth as a day of freedom and a call to stand in solidarity as one human family.

The Catholic Racial Justice Collaborative is a multiracial group of religious and lay Catholic leaders from parishes and organizations across the Archdiocese of St. Louis. The collaborative formed in September 2017, just before St. Louis police officer Jason Stockley was acquitted of the charge of first-degree murder in the fatal shooting of Anthony Lamar Smith. In anticipation of that controversial verdict and the racial tensions surrounding it, members of the collaborative drafted a statement calling upon Catholics to wrestle with the difficult realities of racism in our faith community and the broader society. Since its founding, the Catholic Racial Justice Collaborative has identified key initiatives to raise awareness of racial inequity and work toward just solutions; it meets monthly to further those efforts.

We seek to be a Catholic voice encouraging our faith communities to challenge and own the history of racism in our Church and community, to engage in the difficult conversation around race, and to participate in action for racial justice in the wider community. Our collaborative recognizes that it is our spiritual duty to combat the sin of personal and institutional racism.

Visit www.catholicracialjusticestl.org for more information on Juneteenth and a list of resources and celebrations.
