Human development is primarily a vocation, every person's calling from God 'to be more'.

Therefore, the Church teaches that the essential quality of 'authentic' development is to promote the good of every man (person) and of the whole man (person).

Doors And Keys Have Much To Teach Every Disciple of Jesus

Doors are symbolic structures that have significance in our daily lives. Moving through the joyful and difficult moments of our lives, we can enter new spaces and opportunities. The challenges of life can be left behind when we move through a door. Doors can provide a transition point for change.

Doors are a reminder of where to place our attention. What better reminder to draw your attention to the present than a doorway. Every time you pass through a door, direct your

attention to the present moment. There are doors everywhere reminding us to pay attention to our world and connect with life.

A door is first and foremost an entrance. It opens leading to the inside of something. It can be a symbol of a new beginning. A way in or a way out. A locked door, on the other hand, might be a dead end or a feeling there is no way out. It provides little view to the other side when it's closed and locked. It is associated with privacy, control, and protection much more than with welcoming.

There are **doors everywhere**reminding us to **pay attention** to our world and **connect with life**.
Every time you pass through a door, **direct your attention** to the present moment.

Keys are important because they are used to unlock things. They can represent opening the parts of our minds, hearts and lives which are closed. Having the key gives you the opportunity to open what is closed in yourself and others.

On Pentecost we celebrate that Jesus sent the Holy Spirit to fill and equip us to work and gather to Him a harvest of those who need to know God's love and care. Look around you, the need is greater than ever before; people need to hear the love, grace, mercy and peace that our God has to give.

The gifts of the Holy Spirit are the keys of Pentecost. With them each of us can unlock the doors of someone's heart and mind in the name of Jesus. Our Greeters will be handing out "**Key Cards**" in church today. Choose at least one gift of the Spirit you want or need in order to make a graceful entry into the life of someone you know who needs to open up to God's love.

Please return your "Key Card" next weekend in the collection basket or to the parish office. We'll display them on our Shrine of The Doors and keep praying for each other.

A Prayer for Pentecost **Pentecost People**

Come Holy Spirit, and make us Pentecost People. Let your wisdom and right judgement guide our decisions and temper our impulses.

Let knowledge and understanding increase our capacity for empathy and compassion.

Let reverence and awe fill us with gratitude and respect for all creation. Give us the courage to witness boldly to our faith in word and deed.

Through and with and in Jesus Christ, we pray. Amen. (Sadlier Company)

Monthly Candlelight Community Peace/Social Justice Vigil

Our monthly candlelight community peace/social justice vigils are held outdoors on the front steps of our church on the last Sunday of each month. Our next vigil will be held on May 28, at 7 pm. In case of inclement weather, we will gather in the Church vestibule. This monthly vigil is sponsored by the Holy Name of Jesus Social Justice group, Justice Grows, and lasts 30 minutes. The purpose of these monthly vigils is to pray for unity in our community, to raise awareness of social justice issues in our greater metropolitan community, and to pray for an end to violence, especially gun violence. These vigils consist of music, a time of silent reflection, and group prayer. All are welcome to join us every month or whenever you're available to pray with us. We hope to see you on May 28, 7:00pm
