Human development is primarily a vocation, every person's calling from God 'to be more'.

Therefore, the Church teaches that the essential quality of 'authentic' development is to promote the good of every man (person) and of the whole man (person).

Journey to Nicaea: The Evolution of Christianity from Gospel to CreedPresenter: Mark Etling, PhD

Saturdays, July 1, August 5 and September 2 10:00 am - Noon

The first four centuries of the Christian era saw an incredible evolution – from a tiny movement in Israel to a vast, thriving institution in much of the Roman Empire. In its earliest days the Christian movement was a disorganized network of communities with no Bible, no central authority, and no unified system of beliefs. But by the year 400 the Church had adopted a universal statement of faith – the Nicene Creed. In this three-part series we will explore Christianity's historical and theological journey from Jerusalem to Nicaea.Cost: \$10 per session / \$30 for the series. For more information, call 618-394-6281. Register online at https://snows.org
